The following notice is in substitution for that which appeared on page 5459 of the London Gazette dated 6th May 1966:

Notice is hereby given that an application is being made to the Conservators of the River Thames by Thora Elizabeth Lindberg of Culham Manor, near Abingdon, Berkshire, for a licence to abstract the following quantities of water from the underground strata being gravel at the following three points of abstraction within the curtailage of Culham Manor in the parish and Rural District of Culham in the county of Oxford:

74,000 gallons per year at a point identifiable on the Ordnance Survey national grid map by the co-ordinates SU 502949.

240,000 gallons per year at a point indentifiable on the Ordnance Survey national grid map by the co-ordinates SU 502949.

240,000 gallons per year at a point identifiable on the Ordnance Survey national grid map by the co-ordinates SU 501949.

The present application is in respect of an existing use and does not entail any increase in the amount of water abstracted.

A copy of the application of any map, plan or other documents submitted with it may be inspected free of charge at the offices of Messrs. Craik & Co., The Square, Abingdon, at all reasonable hours during the period beginning on 26th May 1966 and ending on 25th June 1966.

Any person who wishes to make representations about the application should do so in writing to the Secretary, Thames Conservancy, Burdett House, 15 Buckingham Street, London W.C.2, before the end of the said period.

Craik & Co., on behalf of the applicant.
