*William H. Cragg.*

Notice is hereby given that an application is being made to the Dee and Clwyd River Authority by J. Meredith-Jones & Sons, No. 1 Salop Road, Wrexham, for a licence to abstract the following quantities of water from Borehole in underground strata at the following point of abstraction: 54,000 gallons per day at NGR.SJ.338499 in the parish of Wrexham. This amount is in addition to any quantity of water which may be granted under a Licence of Right.

A copy of the application and of any map, plan or other document submitted with it may be inspected free of charge at No. 1 Salop Road, Wrexham, at all reasonable hours during the period beginning on 25th November 1966 and ending on 23rd December 1966.

Any person who wishes to make representations about the application should do so in writing to the Clerk of the Dee and Clwyd River Authority at 2 Vicars Lanes, Chester, before the end of the said period.

Dated 15th November 1966.

*L. Breckenridge*, on behalf of J. Meredith-Jones (262) & Sons.

Notice is hereby given that an application is being made to the Conservators of the River Thames by R.C. (Steel) Ltd., Station Yard, North Camp, Aldershot, Hants., for a licence to abstract the following quantities of water from River Blackwater at SU 885 538 at the following point of abstraction: 800 gallons per hour at SU 885 538. The water is required for cooling purposes and will be returned to the river.

A copy of the application and of any map, plan or other document submitted with it may be inspected

free of charge at R.C. (Steel) Ltd., Station Yard, North Camp, Aldershot, at all reasonable hours during the period beginning on 18th November 1966 and ending on 18th December 1966.

Any person who wishes to make representations about the application should do so in writing to the Secretary, Thames Conservancy, Burdett House, 15 Buckingham Street, London W.C.2, before the end of the said period.

Dated 15th November 1966.

(200) *J. B. Marriage*, on behalf of R.C. (Steel) Ltd.

Notice is hereby given that an application is being made to the Great Ouse River Authority by R. W. Feare, Esq., Colne, Huntingdonshire, for a licence to abstract the following quantities of water from the Old Gravel Pit, Aldreth, at the following point of abstraction: 3,000,000 gallons per May to November at T.L. 452751.

A copy of the application and of any map, plans or other documents submitted with it, may be inspected, free of charge, at the offices of Ekins Witherow & Handley, The Market, St. Ives, Huntingdonshire, at all reasonable hours during the period beginning on 17th November 1966 and ending on 17th December 1966.

Any person who wishes to make representations about the application should do so in writing to the Clerk, Great Ouse River Authority at Brooklands Avenue, Cambridge, before the end of the said period.

Dated 15th November 1966.

*Ekins Witherow & Handley*, on behalf of (211) R. W. Feare.

Notice is hereby given that an application is being made to the Trent River Authority by Mr. H. M. Strawson, Barkston Grange, Grantham, Lincs., for a licence to abstract the following quantities of water from Fairham Brook between points SK 553,322 and 561,303 and Watercourses between points SK 553,322 and 565,307 and SK 555,323 and 662,314, all in the Parish of Ruddington, Notts., at the following point of abstraction: 70,000 gallons per day at points as detailed above.

Further details of the application are: it is proposed that abstraction should be carried out between May and July.

A copy of the application and of any map, plan or other document submitted with it may be inspected free of charge at Fields Farm, Ruddington, Notts., at all reasonable hours during the period beginning on 20th November 1966 and ending on 20th December 1966.

Any person who wishes to make representations about the application should do so in writing to the Clerk of the Trent River Authority at 206 Derby Road, Nottingham, before the end of the said period.

Dated 11th November 1966.
