*Frank Squires, Town Clerk.***BURY COUNTY BOROUGH COUNCIL***The Bury No. 7 Smoke Control Order, 1967*

Notice is hereby given that the Council of the County Borough of Bury in exercise of the powers conferred on them by section 11 of the Clean Air Act 1956 on the 12th day of December 1967 made an Order entitled "The Bury No. 7 Smoke Control Order, 1967" declaring the area described in the Schedule hereto to be a smoke control area, which Order is about to be submitted to the Minister of Housing and Local Government for confirmation.

Subject to the exemptions provided by the Order and by virtue of section 11(4) of the Act, if, on any day after the Order has come into operation, smoke is emitted from a chimney of any building within the smoke control area the occupier of that building shall be guilty of an offence and liable to a fine not exceeding ten pounds unless he proves that the emission of smoke was not caused by the use of any fuel other than an authorised fuel. The authorised fuels include anthracite coke and other carbonised fuels, gas and electricity.

The Minister of Housing and Local Government has designated the following class of heating appliance for the purpose of section 95 (3) of the Housing Act 1964 as being in his opinion generally unsuitable for installation in smoke control areas in England and Wales as tending, by reason of its consumption of electricity at times when it is generally used, to impose undue strain on the fuel resources available, namely, all electrically operated space-heating appliances with the exception of appliances which operate or mainly operate by storing heat in material which is either incorporated in the appliance or which forms part of the structure in which the appliance is used and in either case where the appliance takes its current for heating purposes wholly from a circuit designed to operate at off-peak electricity tariff. The effect of this designation is not to prohibit the installation of direct acting space-heaters but to exclude

the cost of their installation from expenditure attracting grant under the Clean Air Act, 1956.

If confirmed the Order will not come into operation before the 1st day of April 1969 or before a later date determined by the Minister of Housing and Local Government.

Copies of the Order and of the plan referred to therein may be inspected free of charge at the Town Clerk's Department, Town Hall, Bury, at all reasonable times during the period of six weeks from the 23rd day of December 1967.

Within the said period any person who will be affected by the Order may, by notice in writing to: The Secretary, Ministry of Housing and Local Government, Whitehall, London S.W.1, object to the confirmation of the Order.
