a. *Officers*

(1) For the purpose of assessing pensions of officers' widows the rank of the officer shall be, except as hereinafter provided, the highest substantive rank held by the officer on the Active List or while re-employed in a service capacity during war or emergency.

(2) Brevet or honorary rank shall not count, except where otherwise specifically stated, but the rank of Commodore 1st or 2nd Class shall be regarded as substantive rank. Brevet rank held on the Active List prior to 25th June 1925 shall also be regarded as a substantive rank.

(3) If an officer accepts a temporary rank lower than his substantive rank and dies in circumstances rendering his widow eligible for an attributable pension, his widow shall not receive a pension greater than the rate appropriate to her husband's temporary rank, unless eligible for a higher Service pension appropriate to his substantive rank.

(4) A Chaplain shall be treated as holding such rank as is, in the opinion of the Defence Council, appropriate in his case having regard to his length of service. In the case of a Chaplain on the retired list, seniority for this purpose shall be taken as seniority at date of original retirement increased by the amount of actual service (if any) after retirement during war or emergency.

b. *RN Ratings and RM Other Ranks*

For the purpose of assessing pensions of the widows of ratings and other ranks, the rank shall be that held by the deceased rating or other rank prior to the termination of his full pay service.

3. *Rent Allowance*

A widow who is in receipt of a pension for herself and has a child in her care may be granted a rent allowance at a rate not exceeding 45s. a week as the Defence Council may consider appropriate, having regard to the amount by which her weekly rent and rates exceed 6s.

For the purpose of this clause

a. "child" means a child who is eligible for an allowance under clause 16 and any other child who, in the opinion of the Defence Council, having regard to the child's relationship to or connection with the deceased member and the other circumstances of the case, should be treated as covered by this provision;

b. "weekly rent and rates" means such sum as the Defence Council may, after taking into account all relevant factors and making all necessary apportionments, consider to be the weekly amount in respect of rent, or the equivalent thereof, and rates, which the widow is paying or providing either directly or indirectly for accommodation for the benefit of herself and the child;

c. "accommodation" means living accommodation without any service or benefit not ordinarily provided by the landlord to the tenant of an unfurnished dwelling house, but may include accommodation reasonably required for the storage of furniture.

Where an allowance under this clause would cease by reason of the death of a child, the allowance may be continued for the period of 13 weeks from the date of the child's death.

4. *Allowance to Elderly Widows*

A widow who receives a pension under clause 1 and has reached the age of 70 years may be awarded an allowance at the rate of £39 a year in the case of an officer's widow or 15s. a week in the case of the widow of a rating or marine.

7. An allowance may be made in respect of a motherless child who, having attained the age of 18 is incapable of self-support by reason of infirmity which arose before the normal age limit for pension purposes, at the rate of £234 a year in the case of an officer's child or 90s. a week for the child of a rating or marine.

#### 8. Education Allowance

In addition to an allowance under Clauses 5, 6 or 7 an allowance not exceeding £120 a year may be granted for the purpose of the child's education, provided

- the child has reached the age of 5 years
- the circumstances of the family are such as to require it, and
- in the opinion of the Defence Council the type of education which the child is receiving or is to receive is suitable for the child.

#### 9. Parents

a. If the death of an officer, seaman or marine is accepted as attributable to Service, his parent or parents may be granted an allowance subject to such conditions as the Defence Council may determine, provided that:

- he did not leave a widow or eligible child and
- that the parent or parents are in pecuniary need by reason of having reached the age of not less than 65 years in the case of a man, or 60 years in the case of a woman, or infirmity or other adverse condition which is not merely of a temporary character. In determining whether an award shall be made, account will be taken of the extent to which the serviceman was supporting his parents at the time of his death and the extent to which, if he had not died he would have been likely, in the opinion of the Defence Council to support them.

b. The rate of allowance shall be at the discretion of the Defence Council but shall not exceed

*In the case of officers the greater of either*

(1) the ordinary rate of widow's pension under the Regulations in force on 25th September 1949 or

(2) (a) Where there are two parents, £100 a year for Commissioned Officers (including Senior Commissioned Officers (Branch List)) or £85 a year for Commissioned Officers (Branch List) other than Senior Commissioned Officers, or (b), in single parent cases, the maximum rates are £75 and £60 a year.

Provided that, in exceptional cases, the rate of the pension may be increased in excess of the rates given in sub-paragraph b(2) above by a sum not exceeding £20 a year.

*In the case of ratings and marines* the rate shall not exceed 27s. 6d. a week where there are two parents and 20s. a week in single parent cases.

Provided that, in exceptional cases, this rate may be increased by a sum not exceeding 12s. 6d. a week where there are two parents and 7s. 6d. a week in single parent cases.

c. A grant shall not be transferable but, if an award has been made to the two parents, payment of the pension may be continued to the survivor at such rate as the Defence Council may determine.

d. A grant shall cease on the remarriage of the grantee.

## SECTION II

### CONDITIONS GOVERNING THE AWARD

#### 10. Pension cannot be claimed as a right

a. A pension cannot be claimed as a right and will not be granted or continued when the applicant is shown to be living with a man as his wife, nor will it be granted if the service of the officer, rating or marine has not been such as in the opinion of the Defence Council to justify the award.

b. If the death of an officer, rating or marine, or the wound, injury or disease which resulted in his death was due wholly or in part to his own negligence or misconduct or to any cause within his own control, any grant

which might otherwise be made to his widow or other dependents may be withheld or reduced in amount at the discretion of the Defence Council.

c. If the applicant is granted any other pension or allowance from public funds on account of the service of the deceased, any pension which might otherwise be granted under this Schedule may be withheld or reduced as the Defence Council may determine.

#### 11. *Third Party Compensation*

If an officer, rating or marine is killed or dies in such circumstances that any grant is payable in respect of him under this Order in Council and his widow, child or other dependent relative receives compensation from or on behalf of a third party for the act, omission or circumstances which caused the death, any such compensation may be taken into consideration in assessing any grant which might be made under this Order in Council; and if the compensation is received after assessment, it may be taken into consideration and the assessment may be amended or cancelled.

#### 12. *Effect of Separation on Widow's Pension*

Subject to any exception which the Defence Council may approve in a particular case, a pension will not be awarded to a widow who was separated from her husband at the time of his death. Should such an exception be approved the award will be at such a rate, and subject to such conditions, as the Defence Council may determine.

#### 13. *Date of commencement of pension*

The date of commencement of pension will be determined according to the circumstances of the case and will normally if application is not unduly delayed, be the date following the date of cessation of the husband's disablement pension.

#### 14. *Belated claims*

If a widow dies before establishing her claim to pension, arrears of pension will not, save in exceptional circumstances, be allowed to her estate.

#### 15. *Remarriage*

If the widow of a rating or marine who has been granted a pension under these regulations remarries, her pension will cease on the date of her remarriage, but at the discretion of the Defence Council, she may then be granted a gratuity equal to one year's pension in full discharge of all claims.

The pension of an officer's widow who remarries shall be suspended from the date following that of her remarriage, but in the event of her again becoming a widow her pension may be restored in whole or in part at the discretion of the Defence Council for such time as she remains a widow, provided that she is otherwise qualified and that her pecuniary circumstances are such as, in the opinion of the Defence Council, justify the award. Should she become eligible by remarriage for a pension at a different rate, she may be awarded that which is more to her advantage.

#### 16. *Children*

a. A "child" for the purposes of the award of a pension under this Schedule means:

(1) A legitimate child of the Officer, R.N. rating or R.M. other rank; or

(2) a step-child of the Officer, R.N. rating or R.M. other rank who was mainly dependent on him at the time of his death; or

(3) a child adopted by the Officer, R.N. rating or R.M. other rank; or

(4) an illegitimate child of the Officer, R.N. rating or R.M. other rank, born before or within nine months after the date on which he sustained the wound or injury, or the date on which he was removed from duty on account of the disease in respect of which his disablement pension was granted, and who was regularly maintained by the officer, rating or other rank up to the date of his death, or who was the subject of an affiliation order which was in force at the date of his death.

b. A child's pension will normally cease when the child attains the age of 18 years in the case of the child of an Officer or a Regimental Sergeant Major, Royal Marines, or the age of 16 years in the case of all other ratings and ranks, but may be granted or continued after those ages:

(1) if the child continues to receive full-time education, or is an apprentice not receiving more than nominal wages; or

(2) if, before attaining the age referred to above the child was, and continues to be afflicted by mental or bodily infirmity and is therefore incapable of earning his, or her own living, provided the Defence Council considers that the pecuniary circumstances of the child and family are such as to justify the award.

c. Children's pensions will be paid to the widow or mother of the child, or other person responsible for the child's maintenance, or to the child direct, as may be decided by the Defence Council.

d. Pensions of children of Officers and of Regimental Sergeant Majors, Royal Marines, may be issued quarterly in advance.

e. Children's allowances will not be payable for any period during which the children are maintained in the Royal Navy, the Army or the Royal Air Force.
