PRICES AND INCOMES ACT 1966

REFERENCE TO THE NATIONAL BOARD FOR PRICES AND INCOMES

Rental Charges for Equipment Hired from I.B.M. (U.K.) Ltd.

Representations have recently been made to the Ministry of Technology by companies renting data-processing installations from I.B.M. The First Secretary of State and Secretary of State for Employment and Productivity and the Minister of Technology consider that the justification for the increases in these charges should be independently examined by the National Board for Prices and Incomes.

Accordingly, in pursuance of their powers under Section 2(1) of the Prices and Incomes Act 1966, the First Secretary of State and Secretary of State for Employment and Productivity and the Minister of Technology hereby refer to the National Board for Prices and Incomes for examination the question of the increased rental charges notified by I.B.M. (U.K.) Ltd.

CUSTOMS AND EXCISE

NOTICE BY THE COMMISSIONERS OF CUSTOMS AND EXCISE

Port of London: Boarding Stations

1. *Pool of London.* Appointment of a boarding station in the Pool of London; and
2. *Gravesend.* Revocation of the boarding station at Gravesend Reach.

Notice is given that the Commissioners of Customs and Excise in exercise of the powers conferred on them by section 13(2) of the Customs and Excise Act 1952, have with effect from 1st June 1968 appointed off the Harpy Landing Stage in the Pool of London as a boarding station in the Port of London for ships whose mooring or unloading place is west of London Bridge; and revoked the appointment as a boarding station of Gravesend Reach, below the Customs House.

The effect of the appointment of the boarding station at the Pool of London is that ships (including yachts and other small craft) bound for places west of London Bridge, must bring to off the Harpy Landing Stage for clearance before proceeding up river.

The revocation of the boarding station at Gravesend Reach means that ships bound for places in the Port of London formerly required to bring to at that boarding station should proceed direct to their place of mooring, discharge or loading provided that place is not west of London Bridge.

The requirements imposed on ships' Masters by the Public Health (Ships) Regulations (S.I. 1966 No. 262) are not affected and ships coming within the provisions of those Regulations must comply with the instructions of the Medical Officer of Health for the Port and City of London as set out on page 4 of the Maritime Declaration of Health.

Masters are reminded that health signals must be exhibited until their vessels are cleared. Pending clearance they are required to take all steps necessary to prevent unauthorised persons from boarding or leaving their vessels without the permission of the Medical Officer.

By Order of the Commissioners of H.M. Customs and Excise.

King's Beam House,
Mark Lane, London E.C.3.
