#### WATER RESOURCES ACT 1963—SECTION 58

Notice is hereby given that the Minister of Housing and Local Government in pursuance of his powers under paragraph 7 of Schedule 7 to the Water Resources Act 1963 (as that Schedule has effect by virtue of section 59 of that Act in relation to a charging scheme) has approved, subject to the alterations set out in the Schedule of Alterations attached below, the charging scheme submitted to him by the Yorkshire Ouse and Hull River Authority under section 58 of the Water Resources Act, 1963. The said scheme shall have effect on 1st April 1969.

J. R. Niven, Assistant Secretary.

Dated this 31st day of October 1968.

#### SCHEDULE OF ALTERATIONS

##### Yorkshire Ouse and Hull River Authority Charging Scheme

In paragraph 2:—add the following two sub-paragraphs:

“(c) tidal water authorised for abstraction from the River Ouse east of the downstream limit marking that River as a tidal one on the Map forming Annex II.

(d) tidal water authorised for abstraction from the River Humber or the sea.”

In paragraph 3:—add the following:

“If after the end of the financial year or the earlier termination of the licence it is shown that by reason of circumstances arising in the course of the year the charge finally due in that year differs from the charge as initially calculated (whether because the maximum quantity authorised by the licence for abstraction in that year differed from the maximum annual quantity indicated by the licence at the beginning of the year, or because the licence terminated or continued in force otherwise than as so indicated, or because the licence was varied in some other respect) the requisite adjustment in the amount of the charge for that year shall be made either by taking the difference between the charge as initially calculated and the charge found to be finally due into account in the calculation of the charge for the next, or a subsequent, financial year, or in such other manner (including the payment of an appropriate sum) as may be suitable in the circumstances of the particular case.”

In paragraph 6:—delete the words after “The value of Factor C is:—” and substitute:

“3.0 for water completely lost to a source of supply (other than by discharge to the sea or the River Humber).

2.7 for spray irrigation.

1.0 for public water supply, general industrial and manufacturing use and for any other use not covered by the other categories specified in this paragraph.

0.09 for power station and similar industrial direct cooling; sand, gravel and other mineral washing.

0.02 for water power and for water returned to source unchanged in temperature, quality and quantity.”

In paragraph 7:—add the following sentence:

“Where the licence authorises an abstraction of water for purposes within two or more of the categories of purpose set out in paragraph 6 and specified the maximum quantity of water for the purpose or purposes within each such category, or where the licence holder is able to satisfy the Authority as to the proportions of the authorised abstraction reserved for the purpose or purposes within each such category, the appropriate value of Factor C set out in paragraph 6 will be applied to each such maximum quantity or, as the case may be, to each such proportion of the authorised abstraction. Where the licence does not specify the said maximum quantity, and there is no agreement as to the said proportions, the highest of the factors relevant to the purposes in question shall apply to the whole abstraction.”

Delete paragraph 9:—substitute the following:

“9(a) Subject to the provisions of the following sub-paragraphs the charges payable in respect of each year shall be paid on the first day of April in that year, or the day on which the licence is granted, whichever is the later.

(b) If the amount of the charge or the aggregate amount of the charges to be levied by the Authority for a year upon a person who holds a licence or licences from the Authority in respect of any one or more licensed abstractions is £50, or more, the charge, or charges, shall be payable by two equal instalments in advance on the 1st April and the 1st October. In any other case, the Authority may accept payment of charges by instalments on such terms as they consider appropriate, subject to the first instalment being paid on the first day of April or the day on which the licence was granted, whichever is the later.

(c) If the payment of charges by the holder of a licence is the subject of an agreement entered into pursuant to section 63 of the Act, the basic and supplementary charges shall be payable in accordance with the provisions of the agreement.

(d) If charges payable in respect of a licensed abstraction are the subject of an agreement entered into pursuant to sections 60 or 131 of the Act, the charges shall be payable in accordance with the provisions of that agreement.”

Delete Annex III and substitute a new Annex III as attached below.

Dated this 31st day of October 1968.

J. R. Niven, Assistant Secretary.
