PRIVY COUNCIL OFFICE

At the Court at Windsor Castle, the 23rd day of April 1969.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council

Whereas it is expedient to provide for the increase of certain pensions granted in respect of service in Her Majesty's Naval and Marine Forces to correspond, as nearly as may be, with the benefits provided, in the case of civil pensions, by the Pensions (Increase) Act 1969:

Now, therefore, Her Majesty, in exercise of the powers conferred upon Her by section 3 of the Naval and Marine Pay and Pensions Act 1865, and of all other powers enabling Her in that behalf, is pleased, by and with the advice of Her Privy Council, to order, and it is hereby ordered, as follows:

1. This Order may be cited as the Naval and Marine Pay and Pensions (Pensions Increase) Order 1969, and shall have effect from 1st April 1969.

2. The pensions to which this Order relates shall be:

- (a) Officers' service retired pay, compassionate allowances and the service portion of disability retired pay.
- (b) Service retired pay and the service portion of disability retired pay of officers of the Women's Royal Naval Service and of Queen Alexandra's Royal Naval Nursing Service and Nursing Service Reserve and of the Naval Nursing Auxiliary Section.
- (c) Men's and women's service pensions, including elements for rank and age and additions for war service.
- (d) Pensions payable under Order in Council of 23rd May 1952 and previous Orders relating to Riggers and Yardcraft personnel if beginning before the relevant date.

- (g) Pensions payable under Order in Council of 23rd May 1952, and previous Orders relating to certain Shipwrights if beginning before the relevant date.
- (h) Family pensions.
- (i) Pensions for distinguished conduct. (Additions to pensions in respect of gallantry awards shall for the purposes of this Order be regarded as forming a part of the pension to which they are attached.)
- (j) Meritorious service annuities payable to Royal Marines when the recipient is also receiving another pension increasable under this Order.
- (k) Retired Officers' Naval pensions and good service pensions.
- (l) Any award increased or increasable under Orders in Council of 13th August 1920, or 8th December 1924.

(m) Pensions payable under Order in Council of 27th February 1961, and previous Orders relating to Officers of the Royal Fleet Auxiliary Service if beginning before the relevant date.

(n) Pensions payable under Order in Council of 27th February 1961, and previous Orders relating to certain ratings of the Royal Fleet Auxiliary Service if beginning before the relevant date.

(o) Service retired pay of Officers of the former Royal Indian Navy.

3. A pension to which this Order relates may be increased provided either that:

(a) the pensioner has attained the age of 60 years or, where the pension is a widow's pension, 40 years; or

(b) the pensioner, if receiving a pension as a child of a deceased officer, rating or other rank, has not attained the age of 16 years or, having attained that age, is receiving full time instruction in an educational establishment or is undergoing training for a trade, profession or vocation in circumstances that require him to devote the whole of his time to that training for a period of not less than two years; or

(c) the pensioner was invalidated from naval service other than re-employed service; or

(d) the pensioner is a woman with at least one dependant as defined in paragraph 7 following; or

(e) the pensioner is permanently incapacitated by physical or mental infirmity from engaging in regular full-time employment.

4. Subject to the provisions of paragraph 5, the increase shall comprise the appropriate percentage, as set out in paragraph 6, of the retired pay or pension being paid to the pensioner at the time when the increase becomes payable, including any pension increase awarded or for which he may become eligible under former Pensions Increase Orders in Council.

5. (a) In implementing the provisions of paragraph 4 a fraction of a pound in an annual rate of pension shall be treated as a whole pound, and a fraction of sixpence in a weekly rate of pension shall be treated as a whole sixpence, for the purpose of the calculation only. The increase shall be added to the actual pension in payment.

(b) Where commutation is effected on or after 1st April 1969, the amount commuted shall be included, as if it were still part of the pension, in assessing the increase permissible.

6. The amounts of the percentage increases under paragraph 4 shall be as follows:

(a) Eighteen per cent for:

(i) Both Officers' service retired pay and men's and women's service pensions which were assessed in accordance with regulations effective before 1st April 1956.

(ii) All family pensions awarded at the minimum rates effective before 1st April 1969.

(b) Seventeen per cent for:

Both officers' service retired pay and men's and women's service pensions assessed in accordance with the regulations introduced with effect from 1st April 1956, in Order in Council (No. 47* NP) of 24th January 1957.

(c) Fourteen per cent for:

(i) the service retired pay or pension of permanent and temporary officers on the Special Duties List, if increased in accordance with the regulations in paragraphs (A), (B) or (C) of Schedule III of Order in Council (No. 64* NP) of 24th March 1961, and the service retired pay of women officers if awarded under the regulations in paragraph (D) of Schedule III of Order in Council (No. 64* NP) of 24th March 1961. Officers on the Special Duties List to whom this sub-paragraph relates may however, be granted instead their service retired pay award, less the increase payable under Order in Council of 24th March 1961, with the appropriate pension increase thereon;

(ii) men's and women's service pensions if assessed in accordance with regulations introduced with effect from 1st April 1959 and in force before 1st April 1962.

(d) Thirteen per cent for:

Officers' service retired pay assessed in accordance with regulations introduced from

1st April 1960, and in force before 1st April 1962, whether or not the awards were made before the latter date.

- (e) Eleven per cent for:
Both officers' service retired pay and men's and women's service pensions which were assessed in accordance with regulations introduced with effect from 1st April 1962 and were in force before 1st April 1964.
- (f) Eight per cent for:
Both officers' service retired pay and men's and women's service pensions which were assessed in accordance with regulations introduced with effect from 1st April 1964 and were in force before 1st April 1966.
- (g) Four per cent for:
Both officers' service retired pay and men's and women's service pensions which were assessed in accordance with regulations introduced with effect from 1st April 1966, and were in force before 1st April 1968.
- (h) In the case of family pensions (except those for widows and children of Admirals of the Fleet) assessed as a proportion of the retired pay or pension of the officer, rating, or other rank from whose service the pension derives, the same percentage as would have been awarded to the officer, rating, or other rank from whose service the family pension derives, had he been alive on 1st April 1969, and the relevant conditions in paragraph 3 of this Order were satisfied: provided, however, that where it is more favourable a family pension may be increased instead by an amount equal to the amount by which the pension falls short of the minimum rate of family pension effective from 1st April 1969 which may be awarded according to the rank or rate for retired pay and pension purposes of the officer, rating, or other rank from whose service the pension derives.
- (i) In the case of family pensions awarded to widows and children of Admirals of the Fleet, thirteen per cent for pensions based on the rate of half pay of Admirals of the Fleet introduced from 1st April 1960, eight per cent for pensions based on the rate of half pay of Admirals of the Fleet introduced from 1st April 1964, and four per cent for pensions based on the rate of half pay of Admirals of the Fleet introduced from 1st April 1966.

7. The expression "dependant" for the purpose of sub-paragraph 3 (d) means a person wholly or mainly supported by the pensioner and who either:

- (a) has not attained the age of 16 years or who, having attained that age, is receiving full time instruction at an educational establishment or undergoing training for a trade, profession or vocation in such circumstances that he is required to devote the whole of his time to that training for a period of not less than two years; or
- (b) immediately before 1st April 1969, qualified the pensioner under former Pensions Increase Orders in Council for an increase of pension which would otherwise have been inadmissible.

8. The grant of an increase of pension under this Order shall not affect eligibility for increases of pension under former Pensions Increase Orders in Council and any increase granted under this Order shall be disregarded in assessing the increase admissible under former Pensions Increase Orders in Council.

Special Provisions

9. The retired pay and additional retired pay granted to officers in respect of service in certain salaried appointments for which provision is made in Orders in Council dated 13th December 1921 (No. 207*/CE), 26th May 1925 (No. 114A/CE), and 23rd July 1931 (No. 96/CE), and subsequent amending Orders in Council may be increased as follows:

- (a) the retired pay earned by service on the active list shall be increased by the amount of pensions increases appropriate to the date of the officer's final retirement: the additional retired pay earned by service in the salaried appointment after being placed on the retired list shall then be added to the original retired pay, increased as above, and the whole amount treated as a civil pension dating from final retirement; but
- (b) where the increase payable under (a) above is less than the increase that could be given solely

on the rate of retired pay awarded for service on the active list, then the latter increase shall be given.

10. The pensions specified at sub-paragraphs 2 (d), (e), (f), (g), (m) and (n) of this Order may be increased only by the extent to which a corresponding award under the Superannuation Acts would have been increasable under the Pensions (Increase) Act 1969.

General Provisions

11. Any general conditions attaching to the grant or continuance of a pension shall apply also to the grant or continuance of any increase to that pension.

12. References to former Pensions Increase Orders in Council are to all or any of Orders in Council of 13th August 1920 (No. 124/AG), 8th December 1924 (No. 87/AG), 25th June 1925 (No. 117/AG), 1st February 1926 (No. 159/AG), 28th September 1944 (No. 57/PM), 24th January 1945 (S.R. & O. 1945 No. 80), 20th March 1946 (No. 95/PM), 2nd April 1947 (No. 109/PM), 4th September 1952 (No. 73/PM), 3rd June 1954 (No. 19/NP), 9th October 1956 (No. 39/NP), 14th September 1959 (No. 33*/NP), 17th January 1963 (No. 1* NP), and 31st January 1966 (No. 14* NPP).

13. The expression "pension" in this Order includes any award increasable under its provisions, or under the provisions of former Pensions Increase Orders in Council.

14. The expression "the relevant date" in paragraph 2 of this Order means 2nd July 1967.

W. G. Agnew

At the Court at Windsor Castle, the 23rd day of April 1969.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council

Whereas by Order in Council dated 27th April 1961 it was sanctioned that holders of the post of Keeper and Steward of the Royal Cabins in Her Majesty's Yachts should, subject to certain limitations as to pensions, serve under the conditions applicable to officers of the Special Duties List of the Royal Navy:

And whereas it is now desirable that these limiting conditions be removed so that the present and future holders of the post should as nearly as possible be subject to the same rules and conditions governing the award of retired pay as are applicable to Special Duties List officers generally:

Now, therefore, Her Majesty, in exercise of the powers conferred upon Her by section 3 of the Naval and Marine Pay and Pensions Act 1865, and of all other powers enabling Her in that behalf, is pleased, by and with the advice of Her Privy Council, to order, and it is hereby ordered, as follows:

1. This Order may be cited as the Keeper and Steward of the Royal Cabins (Conditions of Service) Order 1969.

2. The revised conditions of service for the present and future holders of the post of Keeper and Steward of the Royal Cabins as specified in the Schedule annexed hereto shall have effect from 23rd April 1969.

W. G. Agnew

SCHEDULE

1. The holder of the appointment will serve under the conditions applicable to an officer of the Special Duties List of the Royal Navy, but if he is appointed at an age at which he would have less than five years to serve to the normal retiring age of Special Duties List Officers the award of retired pay calculated on the officers' scales will, except on invaliding be conditional upon the completion of at least five years in the appointment.

2. On reaching the normal age of retirement for officers on the Special Duties List the Keeper and Steward will be placed on the retired list and re-employed without loss of rank. In the event of the selection of a candidate for the appointment who is above the age for retirement of Special Duties List Officers the candidate will be promoted to the rank of Acting Sub Lieutenant, placed on the retired list, and re-employed without loss of rank.

3. Payment of any pension awarded in respect of previous service as a rating will be suspended on appointment to the post.

TOWN AND COUNTRY PLANNING ACTS

SOUTHEND-ON-SEA COUNTY BOROUGH COUNCIL

TOWN AND COUNTRY PLANNING ACT 1962
 County Borough of Southend-on-Sea
 Development Plan

Notice is hereby given that the Minister of Housing and Local Government has considered proposals for alterations and additions to the County Borough of Southend-on-Sea Development Plan submitted by the Council on the 8th June 1964, and relating to land at Southend-on-Sea, and proposes to amend the Plan accordingly subject to the following modifications by way of amendment to the Written Statement:

After new sub-paragraph "X" of paragraph 14 (b) of the Written Statement add the following new paragraph:

"At all new development undertaken in the Town provision will be made where appropriate for operational car parking; otherwise, particularly for staff, visitors and shoppers, parking needs may be met by the use of public car parks. Because, however, it is recognised that development may generate requirements for parking space, consideration of planning applications will properly include an assessment of the parking needs that can be directly attributable to the proposed development and their comparison with the parking facilities that it is proposed to provide on site as part of the development, and with the availability of parking facilities in the vicinity of the development at the date of the application. In certain circumstances a developer may wish to offer and the Corporation may wish to accept a financial contribution towards the provision of public car parking as an alternative to the developer actually using part of his own land to provide parking space to meet any outstanding parking needs attributable to the development."

This amendment is in substitution for amendment No. 27 previously advertised on the 25th day of April 1968. Any objection to the modification should be sent in writing to the Secretary, Ministry of Housing and Local Government, Whitehall, London S.W.1, before the 16th day of May 1969 and should state in full the reasons for the objection and identify any land to which it relates if relevant.

Objections cannot be entertained, however, either to the Council's original proposals or to the Minister's failure to make a modification.

Dated 24th April 1969.

A. Glen, Town Clerk.

Civic Centre,
 Southend-on-Sea.
