PRIVY COUNCIL OFFICE

At the Court at Windsor Castle, the 23rd day of April 1969.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council
Whereas it is expedient to provide for revised rates and conditions of award of pensions to the widows and children of deceased Officers, Petty Officers, Non-Commissioned Officers and Men of the Royal Navy and Royal Marines:

Now, therefore, Her Majesty, in exercise of the powers conferred upon Her by section 3 of the Naval and Marine Pay and Pensions Act 1865, and of all other powers enabling Her in that behalf, is pleased, by and with the advice of Her Privy Council, to order, and it is hereby ordered, as follows:

1. This Order may be cited as the Naval and Marine Pay and Pensions (Family Pensions) Order 1969.

2. The revised rates and conditions of award of widows' and children's pensions in respect of the service of deceased Officers, Petty Officers, Non-Commissioned Officers and Men of the Royal Navy and Royal Marines shall be as specified in the Schedule annexed hereto.

W. G. Agnew

SCHEDULE

SECTION I

The Forces Family Pensions Scheme

The family pensions and other awards provided for in this Schedule are those payable in respect of the service of deceased Officers, Chief Petty Officers, Petty Officers, Non-Commissioned Officers, and Men of the Royal Navy and the Royal Marines, as distinct from the awards which are payable in respect of deaths which are due to service.

2. Except where otherwise stated, the term "Officers" in this Schedule should be read as including Commissioned Officers of the Royal Navy and of the Royal Marines and "RN ratings and RM other ranks" should be read as including Chief Petty Officers, Petty Officers and other ratings of

the Royal Navy and Non-Commissioned Officers and other ranks of the Royal Marines.

3. Subject to the detailed regulations set out below family pensions may be paid to eligible members of the families of deceased Officers, RN ratings and RM other ranks who were entitled by service to half pay, retired pay or service pension, or, where death occurred during service, would have been so entitled had they been invalided on the day they died.

4. Family pensions payable in respect of service are at higher or lower rates (referred to hereafter as "ordinary" and "modified" pensions respectively) according to whether the family is receiving a pension in respect of death due to service (referred to hereafter as an "attributable" pension). If an "attributable" pension has not been awarded an "ordinary" family pension will be payable but if an "attributable" pension has been awarded a "modified" family pension will be payable.

SECTION II

Family Pensions

5. The provisions of this Section are effective from 1st April 1969, and are applicable to the widows and children of Officers, RN ratings and RM other ranks provided the Officer, rating or other rank was granted, or was entitled to, half pay, service retired pay or pension, or if death occurred whilst serving would have been so entitled had he been invalided on the date of death; provided also in the case of RN ratings and RM other ranks (excepting Regimental Sergeant Majors, Royal Marines) that service reckonable for pension was given after 31st August 1950, and that, where death occurred before 4th November 1958, the following periods of reckonable service had been completed:

	<i>Years of Reckonable Service</i>
Quartermaster Sergeant, RM	} 22
Chief Petty Officer ...	
Colour Sergeant, RM ...	
Petty Officer ...	} 27
Sergeant, RM ...	
Leading Rate and below ...	
Corporal, RM and below ...	} 32

6. "Ordinary" Family Pensions. If the death of the husband was not due to service and the family is not receiving an "attributable" pension, an "ordinary" family pension, at the rates set out below may be granted:

Widows

The rate of widow's pension will be:

- (a) One third of the husband's half pay, retired pay, or pension as defined in Clause 6(b) or the rate according to the husband's rank provided for in Clause 7, whichever is the more favourable.
- (b) For the purpose of Clause 6(a) above, the rate of half pay, retired pay or pension will be the basic rate, ignoring, subject to the exception in Clause 21, Section III, any commutation that may have been made, plus all the pensions increases appropriate to the basic rate whether or not the husband qualified for these increases by virtue of age or health. The age 70 addition payable

(1*)
under Order in Council _____ of 17th
(NP)
January 1963 shall not, however, be included in the calculation.

Children

Each child one third or, if motherless, two thirds of the rate of widow's pension appropriate to the rank and service of the Officer, RN rating or RM other rank.

7. Minimum rates of Ordinary Family Pensions. If the rates of pension calculated in accordance with Clause 6 would be less than those set out below, the latter would be payable:

10. *Age Addition.* Widows in receipt of a pension at a rate other than a minimum rate whose husbands, if Officers, retired or died before 1st February 1962, and, if R.N. ratings or R.M. other ranks, were discharged or died before 31st January 1962, may be awarded the age 70 addition provided for in Order in Council (1^(b) (NF) of 17th January 1963, on reaching or having reached the age of 70.

11. *Supplements to "Modified" Family Pensions.*

- (a) Where, but for the pension or allowances awarded on the ground that the husband's death was due to service, a widow would have received a National Insurance award, the Ministry of Defence may grant a supplementary pension equal to the amount by which the widow's "attributable" pension and "modified" family pension falls short of an award of "ordinary" family pension, together with the National Insurance award and a lead of £26 a year in the case of the widow of an officer, 7s. 6d. a week in the case of the widow of a Regimental Sergeant Major, Royal Marines, and 5s. 0d. a week in the case of a widow of any other rank or rating.
- (b) A supplementary pension for a widow with children will be calculated as if the awards to that widow and children were one award, and may not be calculated as a separate pension for each dependant.
- (c) The same lead will apply for a motherless child or children as for the widow and children of an Officer or rating of corresponding rank.
- (d) A supplementary pension will be assessed on the basis of the awards in payment in the calendar year starting on the date of commencement of the "modified" family pension granted under Clauses 8 or 9, but excluding the amount by which the rate of National Insurance Widow's Allowance would exceed that of subsequent National Insurance Widows' Benefits or does exceed that of the widow's "attributable" pension. The amount of the supplementary pension will be re-assessed on the cessation of individual children's pensions, but will otherwise normally remain unaltered.
- (e) In calculating or re-assessing a supplementary pension any Education or Rent Allowance, or any grants to a widow or unmarried dependant under Order in Council of 13th May 1959, shall not be taken into account.

12. *Definition of Rank for the Purposes of Minimum Awards of "Ordinary" and "Modified" Family Pensions.* Rank for the purposes of Clauses 7 and 9 will be as follows:—

- (a) *Officers.* The rank shall be the substantive rank held by the Officer on his retirement, provided that unless the Officer is invalidated, the

rank had been held on the Active List for the following minimum period:—

- (i) Admiral/General, Royal Marines, 1 year.
- (ii) All other Officers, 2 years.

Where an Officer dies while serving on the Active List the minimum period above will not apply. Higher paid acting or temporary rank will be taken into account to the same extent as for retired pay purposes.

(b) *R.N. Ratings and R.M. Other Ranks.* The highest paid rank held for an aggregated period of two or more years during the last five years of service preceding termination of full pay service (including service in a higher paid rank of less than two years' duration); or, if more favourable where the R.N. rating or R.M. other rank was invalidated or died whilst serving the substantive rank held at the time of discharge or death. If a R.N. rating or R.M. other rank who has completed a pensionable engagement is permitted to remain in or re-enter the Service in a lower rank, the rank will be the highest paid rank held for two or more years during the five years preceding the completion of such pensionable engagement if this is more favourable.

SECTION III

Conditions governing the Award of Family Pensions

13. *Pension Cannot be Claimed as a Right*

- (a) A pension cannot be claimed as a right and will not be granted or continued when the applicant is shown to be living with a man as his wife, nor will it be granted if the service of the Officer, RN rating or RM other rank has not been such as in the opinion of the Defence Council to justify the award.
- (b) If the death of an Officer or rating or marine, or the wound, injury or disease which resulted in his death, was due wholly or in part to his own negligence or misconduct or to any cause within his control, any grant which might otherwise be made to his widow or children may be withheld or reduced in amount at the discretion of the Defence Council.
- (c) If an Officer retired, dismissed the Service, or called upon to retire for misconduct or inefficiency, or a RN rating or RM other rank discharged for misconduct or inefficiency was not granted any retired pay or pension in respect of his service, no award will be made to the family. If reduced retired pay or service pension was awarded, the family pension will be at such rate as the Defence Council may determine.
- (d) If the applicant is granted any other pension or allowance from public funds on account of the service of the deceased, any pension which might otherwise be granted under this Schedule may be withheld or reduced as the Defence Council may determine.

14. *Conditions relating to Marriage*

- (a) To be eligible for a pension, a widow must have been married to the Officer, RN rating, or RM other rank before his retirement or discharge; or, if he subsequently gave further service in circumstances rendering him eligible for re-assessment of retired pay or pension, before the termination of such further service.
- (b) If the death of the Officer, RN rating, or RM other rank occurred within a year of his marriage, the Defence Council, in the light of the circumstances of the case, may withhold or reduce the award otherwise admissible.

15. *Effect of Separation on Widow's Pension and Gratuity.* Subject to any exception which the Defence Council may approve in a particular case, an award will not be made to a widow who was separated from her husband at the time of his death. Should such an exception be approved, the award will be at such a rate, and subject to such conditions, as the Defence Council may determine.

16. *Withholding or Diversion of Pension.* In exceptional circumstances the Defence Council may withhold the whole or any part of a pension granted under this Schedule and may divert the whole or part for the benefit of persons dependent on the pensioner.

17. *Date of Commencement of Pension.* The date of commencement of pension will be determined according to the circumstances of the case and will

normally, if application is not unduly delayed, be the date following the husband's death; or, if death occurred during service, the date following the termination of allowances issuable after death.

18. *Belated Claims.* If a widow dies before establishing her claim to pension, arrears of pension will not, save in exceptional circumstances, be allowed to her estate.

19. *Re-marriage.* The pension of a widow who re-marries will be suspended, but if she again becomes a widow her pension may be restored in whole or in part at the discretion of the Defence Council, if her pecuniary circumstances justify such restoration.

20. Children

(a) A "child" for the purposes of the award of a pension under this Schedule means:

- (i) A legitimate child of the Officer, RN rating or RM other rank provided that the child's mother fulfilled the conditions relating to marriage contained in Clause 14 of this Schedule; or
- (ii) a step-child of the Officer, RN rating or RM other rank who was mainly dependent on him at the time of his death, provided that the child's mother fulfilled the conditions relating to marriage contained in Clause 14 of this Schedule; or
- (iii) a child adopted by the Officer, RN rating or RM other rank, or by his wife, before his retirement or discharge (or, if he subsequently gave further service in circumstances rendering him eligible for a re-assessment of retired pay or service pension, before the termination of such further service), who was mainly dependent upon him at the time of his death, and provided that the child's mother by adoption fulfilled the conditions relating to marriage contained in Clause 14 of this Schedule; or
- (iv) a child mainly dependent upon the Officer, RN rating or RM other rank before his retirement or discharge (or, if he subsequently gave further service in circumstances rendering him eligible for re-assessment of retired pay or service pension, before the termination of such further service), who was adopted by the Officer, RN rating or RM other rank, or by his wife after his retirement or discharge (or after the termination of such further service), provided that the Defence Council is satisfied that the Officer, RN rating or RM other rank had formed the intention of adopting the child before retirement or discharge (or before the termination of such further service) and that the child was mainly dependent upon him at the time of his death, and provided that the child's mother by adoption fulfilled the conditions relating to marriage contained in Clause 14 of this Schedule; or
- (v) an illegitimate child of the Officer, RN rating, or RM other rank, or of his wife, born before his retirement or discharge (or, if he subsequently gave further service in circumstances rendering him eligible for re-assessment of retired pay or service pension, before the termination of such further service), who was mainly dependent upon him at the time of his death, and provided that, where the child is the illegitimate child of the wife, the wife fulfilled the conditions relating to marriage contained in Clause 14 of this Schedule.

(b) A child's pension will normally cease when the child attains the age of 18 years in the case of the child of an Officer or a Regimental Sergeant Major, Royal Marines, or the age of 16 years in the case of all other ratings and ranks, but may be granted or continued after those ages:

- (i) if the child continues to receive full-time education, or is an apprentice not receiving more than nominal wages; or
- (ii) if, before attaining the age referred to above the child was, and continues to be afflicted by mental or bodily infirmity and is therefore incapable of earning his or her own living, provided the Defence Council considers that the pecuniary circumstances of the child and family are such as to justify the award.

(c) Children's pensions will be paid to the widow or mother of the child, or other person responsible for the child's maintenance, or to the child direct, as may be decided by the Defence Council.

(d) Pensions of children of Officers and of Regimental Sergeant Majors, Royal Marines, may be issued quarterly in advance.

21. *Commutation of Retired Pay:* The widow and children of an Officer who commuted a portion of his retired pay under the Pensions Commutation Acts of 1871 to 1882, or of a R.N. rating, or R.M. other rank who has commuted part of his pension shall not thereby be deprived of entitlement to pension under this Schedule, but the award to the widow of an Officer whose marriage took place after commutation, a legitimate or illegitimate child born after commutation, a step-child eligible by virtue of a marriage after commutation, or a child adopted after commutation, shall be reduced by a proportion corresponding to the proportion of retired pay commuted.

SECTION IV

Gratuities to Widows and Children on the death of Serving Officers, R.N. ratings and R.M. other ranks

22. (a) The provisions of this section apply to the widows and children of Officers, R.N. ratings and R.M. other ranks who die while serving on full pay on or after 1st February 1968.

(b) All awards under this section will be governed by the general conditions set out in Section III as applicable.

23. Where a permanent Officer or a short service Officer dies while serving on full pay on the Active List, his widow may be granted a gratuity as follows:

(i) If, had the Officer been invalided, he would have been eligible for a terminal grant, a gratuity equal to nine-tenths of the terminal grant to which he would have been entitled had he been invalided on the day of his death.

(ii) In other cases a gratuity on the following scale for each year which would have been counted for service gratuity as an Officer.

	£
Less than 4 years' service ...	350
4 years' service ...	455
5 years' service ...	560
6 years' service ...	670
7 years' service ...	780
8 years' service ...	900
9 years' service ...	1020

Thence by increments of £120 for each additional year of service which would have been counted for service gratuity.

24. Where a R.N. rating or R.M. other rank dies while serving on full pay on a regular engagement his widow may be granted a gratuity as follows:

(i) If, had he been invalided, he would have been eligible for a terminal grant, a gratuity equal to nine-tenths of the terminal grant to which he would have been entitled on the day of his death.

(ii) If, had he been invalided on the day he died, he was not eligible for a terminal grant, his widow may be paid a gratuity in accordance with the following scale:

	£
Less than 4 years' service ...	130
4 years' service ...	150
5 years' service ...	175
6 years' service ...	205
7 years' service ...	230
8 years' service ...	255
9 years' service ...	280
10 years' service ...	305
11 years' service ...	330

Thence by increments of £25 for each additional year of service which would have been counted for service gratuity.

25. Where, had the Officer or seaman or marine been invalided, an adjustment would have been made to his award in respect of gratuity or other non-effective payment previously received by him, an abatement may be made on that account in assessing the gratuity payable under Clause 23 or 24.

26. Where the Officer or seaman or marine did not leave a widow eligible for an award under this section but a child or children (as defined in Clause 20, and fulfilling the conditions of that Clause), the Defence Council may at its discretion award a

gratuity to the child or children or to any of them. The total award shall not exceed that which would have been payable to a widow eligible for an award under this section and the award to any one child shall not exceed one-third of that amount.

27. Where the Officer or seaman or marine leaves a widow and in addition a child or children (as defined in Clause 20 and fulfilling the conditions of that Clause), who are not living with or supported by her, the Defence Council may divert a sum of not more than one-third of the gratuity which would normally be payable to the widow for the benefit of all or any of such children.

28. Where a woman member dies in circumstances, in which the child of a male member would have been granted a gratuity under Clause 26 above and leaves a child or children (as defined in Clause 20 and fulfilling the conditions of that Clause), the Defence Council may award a gratuity for the benefit of the child or children of such amount as it may determine.

29. Gratuities in respect of children may be issued to the widow or mother of the child, or other person responsible for the child's maintenance, or to the child direct, as may be decided. They may where appropriate be issued in instalments, or withheld for later payment.

30. Gratuities under this Section shall not be subject to abatement in respect of any Naval debt due from the deceased Officer or seaman or marine, other than any abatement due under Clause 25.

Notice is hereby given that the Kensington and Chelsea Council are applying to the Greater London Council for two Orders under sections 35, 36, 37, 40 and 84D of the Road Traffic Regulation Act 1967 to amend the Kensington and Chelsea (Parking Places) Orders 1967 and 1968 which designate parking places on certain highways in the Royal Borough of Kensington and Chelsea, and in conjunction with these proposals are asking the Greater London Council to make amendments to Orders made under section 6 of the Road Traffic Regulation Act 1967 which, inter alia, prescribe routes to be followed by vehicles.

The general effect of the proposals in the First Order affecting parking places in the Kensington High Street Zone would be:

1. To revoke certain existing metered parking places in Allen Street and Marloes Road.
2. To make changes in certain existing metered parking places in Bedford Gardens, De Vere Gardens, Gloucester Road, Gloucester Walk, Hornton Place, Kensington Place, Newcombe Street, Palace Gate, Phillimore Gardens, Queen's Gate, Scarsdale Villas, Stanford Road and Vicarage Gate.
3. To revoke an existing metered parking place in Marloes Road.

6. To provide residents parking places in Aubrey Walk, Kensington Church Walk and Old Court Place and additional residents parking places in Ansdell Terrace and Hyde Park Gate.

The Kensington and Chelsea (Parking Places) Order 1968 (covering the Kensington High Street Zone) provides, among other things:

- (1) that each metered parking place may be used for the leaving during the permitted hours of passenger vehicles, goods vehicles, motor cycles or invalid carriages, and

(2) each residents parking place may be used for the leaving during the permitted hours of vehicles having properly displayed thereon valid residents permits and either a daily ticket or a season ticket.

(Short-term meters.)

The initial charge to be made for a vehicle left in the parking places referred to in paragraphs 3 and 4 hereof to be at the rate of 2s. 0d. for 2 hours (maximum period 4 hours) and the excess charge payable in respect of a vehicle left in such a parking place for longer than the period for which payment was made by the initial charge to be 20s. 0d. for a further period not exceeding 2 hours. (Medium term meters.)

The charge to be made for the use of the residents parking places referred to in paragraphs 5 and 6 above to be 2s. 6d. for a daily ticket or £7 10s. for a season ticket valid for a period of 3 months or £26 for a season ticket valid for a period of 12 months.

The effect of the proposals in the Second Order are to make amendments to the Kensington and Chelsea (Parking Places) Orders 1967 and 1968 (covering East Chelsea and Knightsbridge and Kensington High Street Zones) and the proposed Orders in respect of the Southern and Earls Court Zones to provide as follows:

1. The deletion of the facility to pay an initial charge for short term meters of 6d. per half hour and 1s. 6d. for one and a half hours.
2. The charge for a residents daily parking ticket to be increased from 2s. 6d. to 3s. 0d.
3. These alterations to be introduced from the date of the bringing into operation of the Earl's Court Zone with provision for alteration of meters to be phased over a period of 3 months.

The proposed amending Order under section 6 of the Road Traffic Regulation Act 1967 would prescribe that no person shall cause a vehicle proceeding in that part of Victoria Grove between its junction with Gloucester Road and the eastern kerb line of Launceston Place to proceed in a direction from south-east to north-west.

A copy of the proposed Orders together with plans illustrating the proposals may be inspected between the hours of 9.30 a.m. and 4.30 p.m. on Mondays to Fridays inclusive during a period of 28 days from the 9th day of May 1969 at my office at Kensington Town Hall, Kensington High Street, London W.8, the Parking Control Office, 25A Kensington Square, London W.8, or at the office of the Director of Technical Services at Chelsea Old Town Hall, King's Road, London S.W.3.

<i>No.</i>	<i>Description of Modification</i>	<i>Reason for Modification</i>
1	The substitution of the notation RF for R on the proposed new road through the Comprehensive Development Area.	As a bypass of the town is proposed, the purpose of this proposed new road through the Comprehensive Development Area will be to serve the local central area and not to be a principal traffic route. The road framework designation is therefore considered to be more appropriate.
2	The omission of the Designation Map and of all the land and properties designated as subject to compulsory acquisition.	The provision for such designations has now been removed from the Planning Acts.
3	The allocation for residential use of the area south and east of the proposed road through the comprehensive development area.	Notation from submitted Comprehensive Development Area Map.

Any objection to the modifications should be sent in writing to the Secretary, Ministry of Housing and Local Government, Whitehall, London, S.W.1 before 1st June 1969 and should state in full the reasons for the objection and identify the land to which it relates.

Objections cannot be entertained, however, either to the council's original proposals or to the Minister's failure to make a modification.

Dated 9th May 1969.

P. J. Butcher, Clerk of the County Council of the West Riding of Yorkshire.

County Hall,
Wakefield.
