MINES AND QUARRIES ACT, 1954

MINES AND QUARRIES (TIPS) ACT, 1969

Draft Mines and Quarries (Notification of Tipping Operations) Regulations, 1969

The Minister of Power, in accordance with the provisions of section 142 of, and Part I of the Second Schedule to, the Mines and Quarries Act, 1954, hereby gives notice that he proposes to make General Regulations under sections 141 of the Act and section 4 of the Mines and Quarries (Tips) Act, 1969, entitled the Mines and Quarries (Notification of Tipping Operations) Regulations, 1969.

These regulations prescribe every class and description of mines and quarries for the purposes of section 4 of the Mines and Quarries (Tips) Act, 1969, which reads:

"4.—(1) If at any time tipping operations from a mine or quarry of a prescribed class or description—

(a) are to be begun on premises which at that time are not the site of a tip to which this Part of this Act applies, or

(b) are to be resumed at a tip which at that time is a closed tip,

the owner of the mine or quarry shall give notice to the inspector for the district of the intention to begin or resume the tipping operations not less than thirty days, or such shorter period as the inspector may permit, before the beginning or resumption of the operations.

(2) Not more than two months after the date on which tipping operations from a mine or quarry of a prescribed class or description cease at an active tip, the owner of the mine or quarry shall give notice to the inspector for the district that tipping operations have ceased at that tip."

The regulations will enable H.M. Inspectors to check that tipping operations may safely proceed before any material is deposited on a site, and the information they receive will enable them to keep up to date a nation-wide register of mines and quarries tips subject to Part I of the Mines and Quarries (Tips) Act, 1969, and to notify local authorities when a tip becomes subject to Part II of that Act.

Copies of the draft Regulations may be purchased (price 6d) from Her Majesty's Stationery Office at any one of the addresses shown on the last page of this Gazette.

Any objection to the draft Regulations by, or on behalf of, any person affected thereby must be sent to the Minister of Power, Thames House South, Millbank, London S.W.1, before 25th July 1969.

Each such objection must be made in writing and must state:

(a) the specific grounds of objection; and

(b) the omissions, additions or modifications asked for.

J. R. Wilson, An Assistant Secretary to the Ministry of Power.

1st July 1969.

Hansard reflects opinion on all topics of the day and is of great interest to the business or professional man. In addition to a factual word-for-word transcription of speeches in debate, it contains the answers to all Parliamentary Questions, complete Division Lists, and following each session details of the composition of the House. Proceedings up to 10 p.m. each day are reported in the issue on sale at 8.30 the following morning at the Government Bookshop in Holborn. A Weekly Edition is also published, and bound volumes are issued periodically during the session. Standing Orders can be accepted, if a suitable deposit is sent, for debates on definite subjects.
