### PRIVY COUNCIL OFFICE

At the Court at Buckingham Palace, the 22nd day of October 1969.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council

Whereas it is expedient to provide redundancy compensation terms for locally entered ratings of the Goan Division of the Royal Navy who are made redundant on the running down of the said Division:

Now, therefore, Her Majesty, in exercise of the powers conferred upon Her by section 11 of the Naval and Marine Pay and Pensions Act 1865, and of all other powers enabling Her in that behalf, is pleased, by and with the advice of Her Privy Council, to order, and it is hereby ordered, as follows:

1. This Order may be cited as the Naval and Marine Pay and Pensions (Goan Locally Entered Ratings Redundancy Compensation Terms) Order 1969.

2. Redundancy compensation terms on the scales and under the conditions specified in the Scheme contained in the Schedule annexed hereto may be paid to Goan locally entered ratings who are made redundant on or after 10th October 1968 either in mid-engagement or at the end of an engagement when they would otherwise have been re-engaged.

These payments will be in lieu of and not additional to the gratuities to which these ratings might otherwise be entitled under the provisions of an Order in Council (4 NPP) of 12th July 1968.

W. G. Agnew

#### SCHEDULE

#### SCHEME

#### SECTION I

##### SCOPE OF TERMS

1. The terms of this Scheme apply to locally entered personnel made redundant (either in mid-engagement or at the end of an engagement when they would otherwise have been re-engaged) on or after 10th October 1968, as part of the rundown of the Goan Division. They also apply to those leaving during the rundown period at the end of their full expectation of service. The terms do not apply to those leaving for any other reason, e.g. invaliding, unsuitability, misconduct, or inefficiency, or to those who choose not to re-engage while they are still able to do so, for whom the appropriate scales of gratuity already in force will continue to apply.

#### SECTION II

##### AMOUNT OF PAYMENT

2. Those covered by the terms of this Scheme will be eligible for a single lump sum payment calculated on the following basis:

TABLE 1

Years of completed reckonable service	Amount per year of total reckonable service, in Dinars			
	Able Rating	Leading Rating	Petty Officer	Chief Petty Officer
Less than 5 ... ..	50	—	—	—
5 but less than 10 ... ..	110	140	160	—
10 or more ... ..	140	180	200	235

*Note:* In addition, each further calendar month of completed reckonable service in excess of a whole number of years will attract a payment of one-twelfth of the payment for a complete year. These lump sum payments include an element to cover

normal earned gratuities and no further gratuity payments will be made in addition.

3. For ratings in their last 5 years of service, there would be a deduction from the amount yielded by the formula in Table 1 as follows:

TABLE 2

	Years of uncompleted service						Deduction abated for each full calendar month of uncompleted service
	5	4	3	2	1	Nil	
	Dinars						
Able Rating ... ..	Nil	140	280	420	560	700	11 8/12
Leading Rating ... ..	Nil	180	360	540	720	900	15
Petty Officer ... ..	Nil	200	400	600	800	1,000	16 8/12
Chief Petty Officer ... ..	Nil	235	470	705	940	1,175	19 7/12

*Note:* For each full calendar month of uncompleted service in excess of a whole number of years, the deduction shown for years of uncompleted service will be abated by one-twelfth of the difference between the amounts for full years, as shown in the final column.

In effect, once a rating is in his last 5 years of normally expected service, the amount of compensation remains constant at the rate appropriate to the point exactly 5 years before the expected end of service, the additions for further service being exactly offset by the deductions to take account of the fact that the expected service now denied is reducing.

## SECTION III

## DEFINITIONS

4. *Expectation of Service*—Because the formal engagement structure is one of a series of 3 year Non-Continuous Service engagements, it is recognised that the formal engagement which a rating is on at the time of redundancy will not generally be a true indication of his normal expectation of service. Ratings will therefore be deemed, for the purposes of this Scheme, to be on engagements corresponding to their normal expectation of service. This will be taken as being whichever is the longer of:

- (i) 22 years reckonable service;
- (ii) the period up to the end of the Non-Continuous Service engagement which the rating is on at the time of notification of discharge;
- (iii) the period up to the end of the normal Non-Continuous Service engagement in which the rating's 48th birthday would fall;
- (iv) for a Petty Officer or Chief Petty Officer who at the time of notification of discharge, had been accepted for such service—the period up to the end of the normal Non-Continuous Service engagement in which his 53rd birthday would fall.

At the Court at Buckingham Palace, the 22nd day of October 1969

PRESENT,

The QUEEN'S Most Excellent Majesty in Council

Whereas it is expedient to provide for revised rates and conditions of award of gratuities to widows and children on the death of serving officers, ratings and other ranks of the Royal Navy and Royal Marines:

Now, therefore, Her Majesty, in exercise of the powers conferred upon Her by section 3 of the Naval and Marine Pay and Pensions Act 1865, and of all other powers enabling Her in that behalf, is pleased, by and with the advice of Her Privy Council, to order, and it is hereby ordered, as follows:—

5. *Uncompleted Service*—In those cases where the amount of payment is related to the period of uncompleted service, such service will be measured from the last day on full pay to the expiry date of the engagement which the rating is on or is, under the provisions of the preceding paragraph, deemed to be on.

6. *Reckonable Service*—In these provisions reckonable service will be as defined for normal gratuity purposes. Briefly it is full pay service from age 18. The term "years of completed reckonable service" means such full pay service up to and including the last day on full pay.

7. *Rank for Compensation purposes*—For the purposes of applying the Tables in paragraphs 2 and 3 above, the appropriate rate will be taken as the substantive rate held at the time of discharge or the highest paid rate held for an aggregated period of 2 years or more during the 5 years preceding termination of full pay service, whichever is the more favourable.

## SECTION IV

## TRANSFER WITHIN, OR RE-EMPLOYMENT IN, UNITED KINGDOM FORCES

8. *Transfer within United Kingdom Forces*—A rating who, without any break in service, transfers to United Kingdom conditions of service in any of the United Kingdom services, including those transferring to R.N. General Service conditions under the arrangements set out in Ministry of Defence letter N/NP1/MAN/763/1/68 of 23rd January 1969, will not be eligible for these redundancy compensation terms.

9. *Re-employment in United Kingdom Forces*—A rating who has received a payment under these provisions and is subsequently re-employed in any of the United Kingdom Forces may be required to refund part of that payment.

N/NPP 1133/69

1. This Order may be cited as the Naval and Marine Pay and Pensions (Family Pensions) (Amendment) Order 1969.

2. The Naval and Marine Pay and Pensions (Family Pensions) Order 1969 shall be amended by the deletion of Clauses 22 to 25 in section IV of the Schedule thereto and the substitution of the provisions set out in the Schedule to this Order.

##### MANCHESTER DEVELOPMENT PLAN AMENDMENT NO. 4 (1969)

##### *Manchester (Market Street) Comprehensive Development Area*

Notice is hereby given that on the 30th day of October 1969 the Minister of Housing and Local Government amended the above Development Plan by defining an area in the City bounded by Withy Grove, Shudehill, Nicholas Croft, High Street, Fountain Street, York Street, King Street, Cross Street and Corporation Street as an area of comprehensive development.

The Minister had also been asked to designate parts of the area as subject to compulsory acquisition, but section 27 of the Town and Country Planning Act 1968 is now in force, and no land has, therefore, been so designated. It will, nevertheless, be open to the Corporation to make compulsory purchase orders under the Act of 1968 in respect of land within the area of comprehensive development which is required for redevelopment.

A certified copy of the amended Development Plan has been deposited at the Town Clerk's Office (Room 319), Town Hall, Manchester, together with a copy of the report of the Minister's Inspector of the public local inquiry held between 18th June 1968 and 8th July 1968.

The copy of the Development Plan so deposited, together with the copy of the Inspector's report, will be open for inspection free of charge by all persons interested between the hours of 8.45 a.m. and 4.30 p.m. on Mondays to Fridays inclusive.

The amendment is operative as from the 28th day of November 1969, but if any person aggrieved by it desires to question the validity thereof or of any provision contained therein on the ground that it is not within the powers of the Town and Country Planning Act 1962, or on the ground that any requirement of the Act or any regulation made thereunder has not been complied with in relation to the making of the amendment, he may, within six weeks from the 28th November 1969, make application to the High Court.

## WEST SUFFOLK COUNTY COUNCIL

TOWN AND COUNTRY PLANNING ACT 1962

*County of West Suffolk Development Plan*

*Bury St. Edmunds Town Map Amendment Map*

Notice is hereby given that the Minister of Housing and Local Government has considered the proposals for alterations and additions to the County of West Suffolk Development Plan submitted by the Council on 10th May 1968, and relating to land situate in the Borough of Bury St. Edmunds and the Rural District of Thingoe and proposes to amend the Plan accordingly subject to a number of modifications to the proposals:

<i>Modification No.</i>	<i>Description of Modification</i>	<i>Reasons for Modification</i>
1.	Land to the south and south-west of Layhill Covert—amend from industrial to residential allocation.	Industrial development on this land would have a bad effect upon amenity since it would be difficult to prevent industrial buildings from intruding prominently into the landscape.
2.	Land to the east of Mount Farm and north-west of Eldohouse Farm—amend from residential to industrial allocation.	To compensate for the amount of industrial land which would otherwise be lost as a result of Modification No. 1 above.
3.	Land to the west of Moreton Hall and adjoining The Clump—amend from other schools to "White" land allocation.	To safeguard the views from the town centre of attractive groups of trees.
4.	The boundaries of gross residential areas to be clearly marked with a line with arrowheads, the arrowheads being spaced sufficiently closely where necessary to achieve this. The boundaries would normally include local public open spaces and primary schools but would exclude secondary schools. Where the area is interrupted by a road notation, link bars should be used.	

### *Modification to the Written Statement*

7.	Paragraph 11 (f): Delete reference to new relief road for the A.143 linking with the A.45 Trunk road by-pass.	It is not certain that this particular road proposal will be carried out.
9.	Paragraph 11: Add the following new paragraph at the end: "It is intended to review at a later stage the notations on the road system with a view to their rationalisation and simplification."	For the sake of clarity. If this amendment is approved, the Town Map would show duplication of trunk roads since no deletions were proposed of the roads which are to be superseded.
10.	Paragraph 9: Add at end: "and a further 25 acres is allocated next to Mildenhall Road to the north-west of the town".	To correct the Written Statement as submitted.
11.	Include in the Written Statement submitted with the amendment a table showing Distribution of Population in the following form:	It is considered necessary to maintain a clear distinction between areas of different gross population density and areas allocated primarily for residential uses.

Index No. of Broad area of different gross population density.

Gross Acreage (approx.)

Acreage (approx.) of Population areas allocated primarily for residential use.

Lists of the Minister's modifications have been deposited for public inspection at the Shire Hall, Bury St. Edmunds and at the offices of the Bury St. Edmunds Borough Council, Borough Offices, Bury St. Edmunds and may be seen between the hours of 9 a.m. and 5 p.m. on Mondays to Fridays inclusive.

Any objections to the modifications should be sent in writing to The Secretary, Ministry of Housing and Local Government, Whitehall, London S.W.1, before 22nd December 1969, and should state in full the reasons for the objection and identify the land to which it relates.

Objections cannot be entertained, however, either to the Council's original proposals or to the Minister's failure to make a modification.

Any objection to the Order must be made in writing, stating the grounds of the objection and addressed to the Secretary of State, Welsh Office, Cathays Park, Cardiff, before the 14th day of January 1970.

The Secretary of State is not, in all cases, required to arrange for objections to be heard by a person appointed by him for that purpose. It is important, therefore, that an objection should include a full statement in writing of the grounds on which the objection is made as the objector may have no further opportunity to make such a statement.

Any owner or occupier of any land to which the Order relates may send to the Cwmbran Development Corporation at the address below, a request in writing to serve him with a notice that the Order has been confirmed, and naming a place where a copy of the Order and of the map and of any descriptive matter annexed thereto, may be seen. Such request should contain a statement of the name, postal address and the interest in the land of the owner or occupier and particulars sufficient to enable the extent and boundaries of the land to be identified.
