#### HARROGATE BOROUGH COUNCIL

*The Harrogate (General Traffic Control) Order,*  
1970

Notice is hereby given that on the 14th January 1970 the Harrogate Borough Council made the above-named Order under sections 1 and 28 jointly of the Road Traffic Regulation Act, 1967, as amended by Part IX of the Transport Act 1968.

The Order revokes the Borough of Harrogate (General Traffic Control) Order, 1967 and the Borough of Harrogate (General Traffic Control) (Amendment) Order, 1968 and replaces them by one comprehensive Order made by way of a general scheme of traffic control prescribing an area wider than the area prescribed by those Orders within which disc parking and prohibitions upon waiting will apply.

The roads to which disc parking will apply when the Order comes into operation (which include many roads to which it now applies) are those set out in Schedule I to this notice (hereinafter called "the Schedule I Roads") and the roads to which prohibitions upon waiting will apply (which include many roads to which such prohibitions now apply) are those set out in Schedule II to this notice (hereinafter called "the Schedule II Roads").

Where the same roads appear both in Schedule I and Schedule II this indicates that both disc parking and prohibitions upon waiting apply to those roads and the inclusion of a road in either Schedule may mean that either the whole road or part only of the road is affected by this Order.

The Order will authorise passenger vehicles, goods vehicles, dual purpose vehicles, motor cycles or invalid carriages to park in a single line within the parking places marked upon the roadway in the Schedule I roads for a period of between two and two and half hours, the driver being required to display a parking disc set to show the time of arrival and which automatically shows the time for departure.

Parking discs may be obtained free of charge from the Municipal Offices, the Public Library, garages and most of the shops in the town centre.

The Order will prohibit persons from causing vehicles to wait in the Schedule II roads except (1) for a maximum time limit of thirty minutes for the purpose of delivering or collecting goods or merchandise or loading or unloading the vehicle at premises situate on or adjacent to the road concerned or (2) where any such road has disc parking places in it in parking places authorised by this Order.

The authorisation as to disc parking shall apply as regards all the Schedule I roads during the period between 8 a.m. and 6 p.m. on Mondays to Saturdays inclusive, Christmas Day, Good Friday or a Bank Holiday being a public holiday excluded.

The prohibitions upon waiting shall apply upon the same days during the period between 8 a.m. and 6 p.m. as regards all the Schedule II roads except for certain roads identified by being in italic in that Schedule and as regards those roads only the period shall be the whole twenty-four hours of every day.

A copy of the Order incorporating certain modifications which have been made whether in consequence of objections or otherwise to the draft Order (deposited for inspection at my office on 30th September 1969 and then entitled "The Harrogate (General Traffic Control) Order, 1969") and a map showing the area affected by it may be seen at my office on Mondays to Fridays between 9 a.m. and 5 p.m.

The Order will come into operation at 12 midnight on Sunday, 3rd May 1970.

Any person who desires to question the validity of the Order or of any provision contained in the Order on the ground that it is not within the powers of the relevant sections of the Act or on the ground that any requirement of those sections or of section 84A, 84B or 84C of the Act or any regulations made under the said section 84C has not been complied with in relation to the Order may within 6 weeks of the 14th January 1970 make application for the purpose to the High Court.

## COMMONS REGISTRATION ACT 1965

### NEWPORT COUNTY BOROUGH COUNCIL

#### COMMONS REGISTRATION ACT, 1965

*Common Land and Town or Village Greens :  
Provisional Registrations and how to object to them*

#### Registrations

The second and last period for applications for the registration under the above Act of—

- (a) land which is common land or a town or village green ;
- (b) rights of common over such land, and
- (c) persons claiming to be owners of such land ended on 2nd January 1970.

The Council is the registration authority for the registration area of which particulars are given at Annex A below. The Register of Common Land and the Register of Town or Village Greens for this registration area, containing all registrations made under the Act, and notes of all objections so far made, are available for inspection free of charge at the Council's office—the Town Clerk's Inquiry Office, Civic Centre, Newport, Mon., between the hours of 8.30 a.m. and 5 p.m. on working days. A table giving brief information about registrations made after 30th June 1968, is at Annex B below.

#### Objections

The period for objecting to registrations made after 30th June 1968, begins on 1st May 1970, and ends on 30th April 1972. Every objection must be made in writing on the special form of objection (C.R. Form No. 26) available free and post free from the Council at the Town Clerk's Department, Civic Centre, Newport, Mon., NPT 4UR, and must reach the Council as registration authority at the above address not earlier than 1st May 1970, nor later than 30th April 1972.

Registrations are independent of each other, so that, for example, a registration of land as common land made before 1st July 1968, and not objected to before 1st October 1970, will become final and definitive on the latter date, but if registrations of rights over that land, or claims to ownership thereof, are made after 30th June 1968, objections to such registrations can be made in the second objection period.

Every objection which is not rejected is noted on the register as soon as possible after receipt, and particulars are sent by the registration authority to the person (if any) on whose application the registration was made, and to certain other persons directly interested in the registration.

The noting of an objection on the register does not mean that it is officially admitted to be correct, and it has no immediate effect on the registration. The effect is that, unless the registration is cancelled,

or the objector withdraws his objection, the matter will be referred to a Commons Commissioner for decision.

Dated 12th January 1970.

*J. R. Long*, Town Clerk.

(Signature on behalf of registration authority.)

#### ANNEX A
