**ARMY DEPARTMENT**

**QUEEN'S COMMENDATION FOR BRAVE CONDUCT**

21151703 Lance Corporal RUDRABAHADUR GURUNG, M.M., 2nd King Edward VII's Own Gurkha Rifles (The Sirmoor Rifles).

On 21st July 1970, members of C Company, 2nd Bn. 2nd King Edward's Own Gurkha Rifles were carrying out a tactical company river crossing exercise on the Sungei Belait in Brunei. The river was very fast flowing and higher than normal because of recent heavy rainstorms. The operation was well under way when a young soldier was caught by the sudden shock of the current which forced him

hard against the safety rope, causing rope burns on his throat. He got into difficulties and in his struggles, his rifle punctured the light-weight mattress section he was using as an improvised life-jacket. Almost totally submerged now, and only semi-conscious, he was carried away by the river.

Needless of his own safety, his Section Commander Lance Corporal Rudrabahadur Gurung leaped into the river and swam some thirty yards into mid-stream where he, assisted by another Rifleman, grabbed hold of the young soldier. All were now being carried swiftly away and in danger of drowning. However, by dint of great coolness and effort the young soldier was brought to the auxiliary rope downstream, which in his state of semi-consciousness and exhaustion, he would have been unable to reach unaided.

Both the man and his weapon were saved although his rescuers put themselves at great risk by their action.
