The M54 Telford Motorway (Priorslee to Essington Section) and Connecting Roads Scheme 197

Notice is hereby given that a Public Local Inquiry will be held by Mr. W. G. Onslow, C.B. (a person appointed by the Secretary of State for the Environ-

ment for the purpose) beginning at 10.30 a.m. on Tuesday, 6th June 1972 at The Wulfrun Hall, Civic Halls, Wolverhampton in connection with the proposal of the Secretary of State, to make the above-mentioned Scheme (notice of which was published on 26th November 1971 pursuant to the above Acts) and with the objections which have been received by him in connection with that proposal. The said Scheme, if made, would authorise the Secretary of State:

(a) to provide for the exclusive use of traffic of Classes I and II of the classes of traffic set out in Schedule 4 to the Highways Act 1959 (as amended):

(i) a special road about 28.2 kilometres (17.6 miles) in length between a point about 275 metres (300 yards) south-west of the junction between A.464 Trunk Road and Dark Lane, at Priorslee in the County of Salop and a point on the M6 Motorway at Essington about 170 metres (186 yards) south-east of the point where Bursnips Road (A.462) crosses that motorway at Essington in the County of Stafford,

(ii) special roads as means of entry to and exit from the special road mentioned in paragraph (i) above at junctions to be provided at Knowlbank Castle Wood, Coven Heath and Featherstone; and

(b) to construct as part of certain of the above-mentioned special roads, bridges over the navigable waters of the Shropshire Union Canal and the Staffordshire and Worcestershire Canal.

Arising from considerable local suggestions that a more satisfactory route could be found for the M54 Motorway along the line of the A.5 Trunk Road the Secretary of State has also made available to the public a plan showing a motorway alongside the existing A.5. Mr. Onslow will also hear comments on this route from any person who desires to be heard.

Copies of the draft Scheme and its plan and also the A.5 alternative route plan may be inspected, free of charge, at all reasonable hours at the Department of the Environment, 2 Marsham Street, London S.W.1, and at the offices of the Midland Road Construction Unit, Brandon House, 52-54 Holly Walk, Leamington Spa; the Salop C.C., Shire Hall, Abbey Foregate, Shrewsbury; the Staffordshire C.C., County Buildings, Stafford; the Dawley U.D.C., Council Offices, Civic Centre, Dawley, Telford; the Shifnal R.D.C., Council Chambers, The Grove, Shifnal, Salop; the Seisdon R.D.C., Gravel Hill House, Wombourne, Wolverhampton, Staffordshire and of the Cannock R.D.C., Council Offices, Penkridge, Staffordshire.

Persons wishing to make representations in connection with the proposal to make the above-mentioned A.5 as an alternative to the route provided for in the said Scheme, should attend or be represented at the inquiry.

The Secretary of State hereby directs that any person who intends at the Inquiry to submit that any highway or proposed highway, to which the above-mentioned draft Scheme relates, should follow an alternative route (other than the route alongside the A.5) shall send to him at his address at the Midland Road Construction Unit, Brandon House, 52-54 Holly Walk, Leamington Spa, not later than 12th May 1972, sufficient information about the alternative route to enable it to be identified. Failure to comply with this direction will entitle the Secretary of State and the person holding the Inquiry to disregard so much of any objection as consists of such a submission.

Midland Road Construction Unit, Department
of the Environment.
