### DISEASES OF ANIMALS ACT 1950

Notice is hereby given in pursuance of section 85 (3) of the Diseases of Animals Act 1950 that the Minister of Agriculture, Fisheries and Food has made the following Orders:

Statutory Instruments 1972  
No. 1500

The Brucellosis (England and Wales)  
Compensation Order 1972  
(Made 6th October 1972)

This Order which comes into operation on 1st November prescribes the scale of compensation payable for cattle slaughtered by the Minister on account of brucellosis under section 17 of the Diseases of Animals Act 1950. The slaughtered cattle in respect of which compensation will be payable under the Order will be either animals which are affected with brucellosis, animals which have shown a reaction to a diagnostic test carried out by or on behalf of the Minister consistent with their being affected with the disease, or animals which have been exposed to the infection of brucellosis.

The scale of compensation prescribed for affected animals and reactors distinguishes between cattle according to whether they are comprised in accredited herds or not. If the cattle are not comprised in accredited herds, compensation will be payable at full market value, subject to a limit of £240. In the case of cattle in accredited herds, compensation will be limited to three-quarters of their market value, subject to a maximum of £180. So far as animals other than affected animals or reactors are concerned, compensation will be payable at their full market value without limitation, whether they come from accredited herds or not.

The Order contains an exception for cattle (referred to as "control animals") which are required to serve as controls in connection with the importation of cattle from overseas. Compensation on slaughter of such animals is limited to their carcase value, less the Minister's reasonable expenses.

Finally, the Order provides that the market value of cattle is to be determined either by agreement between the Minister and the owner or by a valuer appointed by agreement between the two parties. If there is no agreement of the choice of a valuer, the question shall then be referred for determination to a valuer appointed by the President of the Royal Institution of Chartered Surveyors.

Statutory Instruments 1972  
No. 1521

The Brucellosis (England and Wales) Order 1972  
(Made 9th October 1972)

This Order which comes into operation on 1st November enables the Minister of Agriculture, Fisheries and Food to cause animals in England and Wales to be slaughtered on account of brucellosis, on payment of compensation.

Where he proposes to cause cattle in an eradication or attested area to be slaughtered, he can serve notice requiring them to be detained and isolated until this is done. The person in charge of such cattle can be required to collect, pen and secure them for valuation, and in default the Minister can carry out the requirement and recover from him the reasonable expense of doing so.

Copies of the above-mentioned Orders may be obtained from H.M. Stationery Office, 49 High Holborn, London W.C.1. Price 5p each.
