The Secretary of State for the Environment proposes to make an Order under section 1 of the Road Traffic Regulation Act 1967, as amended by Part IX of the Transport Act 1968.

The proposed Order would apply to that length of the London—Penzance Trunk Road (A.30), known as London Road in the Rural District of Bagshot, Surrey, which crosses the railway lines at Sunningdale Level Crossing.

The effect of the proposed Order would be that no pedestrian should enter or wait in the following parts of the said length of road:—

- (a) the full width and length of the carriageway which lies between the vehicular light signals; and
- (b) those lengths of footway which lie between the wicket gates,

during the periods when the light signals at the level crossing are illuminated.

Exceptions will be provided in the Order to enable a pedestrian to enter the said parts of the trunk road if he is properly engaged in the maintenance of the road or any of the services therein, for the removal of any obstruction to traffic or if it is necessary for him to do so to prevent an accident or to give help required as a result of an accident or emergency. Exceptions will also be provided for railway staff on duty, emergency vehicles, police and traffic wardens.
