## NEW TOWNS ACTS

## REDDITCH DEVELOPMENT CORPORATION

NEW TOWNS ACT 1965

*Redditch Development Corporation Compulsory Purchase  
Order No. 11, 1973*

Notice is hereby given that the Redditch Development Corporation in pursuance of their powers under section 7 (1) (a) of the New Towns Act 1965 on the 21st February 1973, made an Order, which has been submitted for confirmation by the Secretary of State for Environment, authorising them to purchase compulsorily for the purposes of constructing the first phase of the Western District Distributor road the lands described in the Schedule hereto, and directing that the provisions of the New Towns Act 1965 relating to expedited completion of purchase shall apply to the Order as respects the land comprised therein.

A copy of the Order, and of the map referred to therein, have been deposited at the offices of the said Corporation at Holmwood, Plymouth Road, Redditch and will be open for inspection without payment of fee during normal office hours.

Where the Secretary of State confirms the Order, he may, if he is satisfied that it is requisite so to do, confirm the Order with a direction that the provisions of the New Towns Act 1965, relating to expedited completion of purchase, shall apply to the said land.

Where the confirmed Order contains such a Direction the following provisions will operate:

- (a) The Compulsory Purchase Act 1965 and the Land Compensation Act 1961 will have effect as if a notice to treat, as is mentioned in section 5 of the Compulsory Purchase Act 1965, had been served on every person on whom the Corporation could, under the terms of that section, have served such a notice, namely all persons interested in the said lands, all persons enabled to sell and convey or release any of the said lands, or such of the above persons as would after diligent enquiry be known to the Corporation; and the date on which such notice to treat will be deemed to have been served will be the date on which the Order is registered in the Register of Local Land Charges kept in respect of the area in which the lands are situated. Such notice to treat will not be deemed to have been served on any person in respect of an interest which is a tenancy for a year, or from year to year, or a less interest.
- (b) The Redditch Development Corporation may at any time after the expiration of two months from the date of the first publication of the notice of confirmation of the Order and subject to the said tenancies executed a Declaration:
  - (i) of their intention to enter on the whole or part of the lands to which the order relates and take possession thereof at the expiration of a period specified in such declaration, not being less than fourteen days from the completion of the service of a notice to that effect on occupiers, and on persons entitled to claim compensation who have given information to the Corporation of the nature of the land in respect of which they are entitled to claim compensation and of their interest therein and
  - (ii) that the lands will vest in the Corporation at the expiration of the period specified in such declaration.

Any objection to the Order must be made in writing stating the grounds of the objection, and addressed to the Secretary of State for Environment, Whitehall, London S.W.1 before the 31st March 1973.

The Secretary of State is not, in all cases, required to arrange for objections to be heard by a person appointed by him for that purpose. It is important therefore that an objection should include a full statement in writing of the grounds on which the objection is made as the objector may have no further opportunity to make such a statement.

Any owner or occupier of any land to which the Order relates may send to the Redditch Development Corporation at the address below, a request in writing to serve him with a notice that the Order has been confirmed, and naming a place where a copy of the Order and of the map and of any descriptive matter annexed thereto may be seen. Such request should contain a statement of the name, postal address and the interest in the land of the owner or occupier, and particulars sufficient to enable the extent and boundaries of the land to be identified.
