#### SWINTON AND PENDLEBURY BOROUGH COUNCIL

##### ROAD TRAFFIC REGULATION ACT 1967

*Proposed Traffic Regulation Order—Moorside Road and Moss Lane, Swinton*

Notice is hereby given that the Swinton and Pendlebury Borough Council are considering proposals under section 1 of the Road Traffic Regulation Act 1967, as amended by Part IX of the Transport Act 1968, the effect of which would be to introduce the prohibition of parking, and of loading and unloading during specified hours, on the lengths of roads indicated in the Schedule hereto.

Any Order which it may be decided to make would contain certain exceptions to enable a vehicle to wait for so long as may be necessary for a person to board or alight from the vehicle, to enable goods to be loaded on to or unloaded from the vehicle (except during the specified hours), or to enable the vehicle to be used in connection with any building operation or demolition, the removal of any obstruction to traffic, or the maintenance of the road or the services therein.

The Council are satisfied that the introduction of the proposals is necessary following the installation of traffic signals at the junction of Chorley Road (Trunk Road A.6) and Moorside Road, and to link up with a Traffic Regulation Order which is being made by the Secretary of State for the Environment for Chorley Road (Trunk Road A.6) on the north-east side from its junction with Charles Street to a point 52 yards north-west of its junction with Moss Lane, and on the south-west side from a point 80 yards south-east of its junction with Moorside Road to a point 40 yards north-west of that junction.

A copy of the proposals and the relevant map may be inspected at this office during normal office hours.

Objections to the proposals, giving the grounds for the objections, must be sent in writing to me by the 13th April 1973.
