Road Traffic Regulation Act 1967

Proposed Traffic Regulation Order—Pendlebury Road, Swinton

Notice is hereby given that the Swinton and Pendlebury Borough Council are considering proposals under section 1 of the Road Traffic Regulation Act 1967, as amended by Part IX of the Transport Act 1968, the effect of which would be to introduce the prohibition of parking in Pendlebury Road, Swinton, as detailed in the Schedule below.

Any Order which it may be decided to make would contain certain exceptions to enable a vehicle to wait for so long as may be necessary for a person to board or alight from the vehicle, to enable goods to be loaded on

to or unloaded from the vehicle, or to enable the vehicle to be used in connection with any building operation or demolition, the removal of any obstruction to traffic, the maintenance of the road or the services therein.

The Council are satisfied that the introduction of the proposals is necessary in order to relieve traffic congestion caused by the parking of vehicles in front of the houses in the length of Pendlebury Road concerned.

A copy of the proposals and the relevant map may be inspected at this office during normal office hours.

Objections to the proposals, giving the grounds for the objections, must be sent in writing to me by the 7th May 1973.
