

conferred upon them by section 277 of the Town and Country Planning Act, 1971, have designated the areas specified in the Schedule hereto within the Mere & Tisbury Rural District as Conservation Areas being areas of special architectural or historic interest, the character of appearance of which it is desirable to preserve or enhance.

Plans showing the boundaries of the Conservation Areas are available for inspection during normal office hours at the Clerk's Office (Room 220), County Hall, Trowbridge, and at the offices of the Clerk of the Mere & Tisbury Rural District Council, Mere, Warminster.

SCHEDULE

The Conservation Areas

Chilmark: Encompasses the majority of the village, the northern boundary being formed by the B.3089 including the Black Dog Inn and its immediate environs. The western line bounds the road linking the B.3089 with The Street, to include Chilmark House and the avenue of trees to the west of the crossroads. The line continues to bound the rear of properties fronting The Street and either side of Beckett's Lane, at varying depths to a point 100 yards south of the junction with Frog Lane, but excluding all dwellings of a more recent origin adjacent to Frog Lane and Beckett's Lane. The eastern boundary links the B.3089 with The Street, to include the Bridge Inn Stores, the School and Rectory with their immediate environs.

Mere: Encompasses the majority of the town, including the Castle and Long Hill and immediate environs to the north of Castle Street. The southern line includes St. Michael's Church, Chantry House and The Church Street area, bounding the southern side of Salisbury Street at varying depths, to include the old Carpet Factory and properties fronting the eastern side of Water Street. The line containing the eastern end of the town includes the Milk Factory and the Old Hollow and Well Head areas. The area north of North Street, between Well Head and the Castle, is excluded from the Conservation Area.

The Teffonts: It encompasses the majority of both villages. In Teffont Magna the line bounds the rear of properties and land either side of the Class C village road, at varying depths, north of the junction with the B.3089, to include St. Edward's Church and Manor Farm with their immediate environs. The northern boundary terminates on the road bend north of Manor Farm. The line continues to bound properties and land fronting the B.3089 at varying depths through Teffont Magna as far as the Black Horse Public House. In Teffont Eviast the north-eastern boundary is formed by the B.3089 terminating at the Lodge, the south-eastern boundary by the Class C road as far as the old quarry. The western line bounds the rear of properties and land at varying depths adjacent to the village C class road.

WILTSHIRE COUNTY COUNCIL

Warminster and Westbury Rural District

Designation of Conservation Areas at: Sherrington and Stockton

Notice is hereby given that the Wiltshire County Council as Local Planning Authority, in pursuance of the powers conferred upon them by section 277 of the Town and Country Planning Act 1971, have designated the areas specified in the Schedule hereto within the Warminster and Westbury Rural District as Conservation Areas, being areas of special architectural or historic interest, the character or appearance of which it is desirable to preserve or enhance.

Plans showing the boundaries of the Conservation Areas are available for inspection during normal office hours at the Clerk's Office (Room 220), County Hall, Trowbridge, and at the offices of the Clerk of the Warminster and Westbury Rural District Council, Craven House, Warminster.

SCHEDULE

The Conservation Areas

Sherrington: It includes the whole of the village, the line bounding the main road (C.10) to the south below

the ridge. The eastern line then drops northwards following the boundary adjacent to the pair of dwellings ("Westhelm" 48/49) to the railway bridge over the River Wylye. The northern limit is formed by the now somewhat overgrown northern branch of the River Wylye and encompasses the converted old Corn Mill and its immediate environs. The western line then proceeds south across the Wylye, west of the Castle Mound and the "Manor Farm", to the main road and "The Old Farmhouse".

Stockton: It encompasses the whole of the village, commencing at (and including) Glebe Farm and the Rectory to the east. The northern line bounds, to varying depths, the rear of properties fronting onto the northern side of the main street. To the west the boundary incorporates Stockton House and a tight line around Dairy Farm, and to the south the railway line constitutes the boundary.

WILTSHIRE COUNTY COUNCIL

Calne and Chippenham Rural District

Designation of Conservation Areas at: Biddestone, Castle Combe, Pickwick, Lacock and Kingston Langley

Notice is hereby given that the Wiltshire County Council as Local Planning Authority, in pursuance of the powers conferred upon them by section 277 of the Town and Country Planning Act 1971, have designated the areas specified in the Schedule hereto within the Rural District of Calne and Chippenham Conservation Areas, being areas of special architectural or historic interest, the character or appearance of which it is desirable to preserve or enhance.

Plans showing the boundaries of the Conservation Areas are available for inspection during normal office hours at the Clerk's Office (Room 220), County Hall, Trowbridge, and at the offices of the Calne and Chippenham Rural District Council, Bewley House, Marshfield Road, Chippenham.

SCHEDULE

The Conservation Areas

Biddestone: Includes the whole of the village, from Biddestone Manor and land to the far south-east together with the field and wall to the west of the approach road from Corsham. The southern line then bounds the village in varying depths from the green, including the White Hart Public House, Pool Farm, the school, rectory, Mountjoy Farm, to the western limit—Lynch Gate.

The western limit includes the Butts and cottage adjoining Westbury, continuing north to include the land containing St. Nicholas's Church, Church Row and Church Cottages, and running parallel, to a depth of approximately 300 feet, with Cuttle Lane.

The northern limit is the road junction to Slaughterford and contains the isolated group of buildings and trees, including the Post Office, the Malthouse and adjoining cottages and Nos. 1, 2 and 3 Slaughterford Road. The line cuts the Yatton Keynell road 350 feet north of the sports field pavilion. The eastern limit includes the sports field and land to an approximate depth of 450 feet from Cuttle Lane and again bounds the village in varying depths from the green adjoining the public footpath to Home Farm. The line then follows the boundaries to Manor Farm and Biddestone Manor.

Castle Combe: Encompasses the whole of the village, the Manor House and its immediate environs to the west, terminating at the listed bridge south of Bybrook House, and to the north at the road fork below Upper Castle Combe.

Pickwick, Corsham: The Conservation Area of Pickwick includes the group of buildings of Special Architectural or Historic Interest to the north and south of the Bath Road (A.4) from and including No. 51 Bath Road to the west and including junction of Priory Street to the east.

Lacock: It encompasses the whole of the village, including the Abbey and its immediate environs, but excluding the Vicarage, Wray Croft and Nethercote to the north. The recreation ground at the rear of the buildings fronting the High Street constitutes the southern boundary.

Kingston Langley: Includes the Great House, Langley Gate Farm plus outbuildings, all groups of cottages and
