HONOURS AND AWARDS

CENTRAL CHANCERY OF THE ORDERS OF KNIGHTHOOD

St. James's Palace, London S.W.1.

10th May 1973.

The QUEEN has been graciously pleased to give orders for the following appointment to the Most Excellent Order of the British Empire:

To be an Additional Member of the Civil Division of the said Most Excellent Order, for Gallantry:

Frances Mary, Mrs. CASTLEDINE, lately Nursing Sister, Ashford General Hospital.

Following the crash of a Trident aircraft which killed all the passengers and crew members, Mrs. Castledine was one of the first to arrive at the scene of the disaster. Several thousand gallons of aviation fuel had been spilled around the site, but regardless of her own safety, she climbed into the wreckage of the aircraft to render first-aid or other assistance to those trapped inside. She continued with this work although the firemen present warned her that there was great risk that the wreckage might burst into flames at any moment. It was Mrs. Castledine who took charge of the one person who, for a short time survived the crash. She gave him first-aid and splinted the man's badly fractured legs with pieces of metal from the aircraft. As passengers and crew were removed from the aircraft she checked them for signs of life and assisted in laying out and covering the dead before the bodies were removed to the mortuary. Mrs. Castledine worked in and around the wreckage in heavy rain for about two hours in an atmosphere which was heavy with the vapour of aviation fuel. By carrying out her work in appalling and potentially dangerous conditions Mrs. Castledine displayed courage and devotion of a very high order.

Notice is hereby given that the County Council of the West Riding of Yorkshire propose to make an Order under section 1 (1), (2) and (3) of the Road Traffic Regulation Act 1967, as amended by Part IX of the Transport Act 1968.

The purpose of the Order is to prohibit vehicles, other than buses, from waiting between 7 a.m. and 7 p.m. on any day at any bus stop in any of the roads specified below where the carriageway at that stop is marked (a) as a bus stop, and (b) with a broad yellow line adjacent to the edge of the carriageway ("the authorised markings"):

Melton Road (C.22) at Sprotbrough in the Doncaster Rural District, between its junction with Cromwell Drive and a point 200 yards south-west of its junction with Richmond Hill Road.

Although the Order includes every bus stop in the road specified above, it should be noted that the provisions of the Order which prohibit waiting will apply only to those bus stops which the Council marks with the authorised markings.

While the Order remains in force it enables the Council at any time to lay or to remove the authorised markings at or from any bus stop in a specified road or to adjust the position in that road of the authorised markings, as traffic conditions may require.

Other vehicles will be permitted to wait at bus stops with authorised markings, where necessary, for:

- (1) the removal of an obstruction to traffic,
- (2) the maintenance of the road and in exercise of statutory powers with permission of the Council, and
- (3) reasons of emergency.

Complete details of these proposals are contained in the draft Order which, together with a map showing the full extent of the roads affected and a statement of the Council's reasons for proposing to make the Order, may be inspected during normal office hours at (i) the County Hall (Room 87), Wakefield, or (ii) the Doncaster Rural District Council, Nether Hall, Doncaster.

Anyone wishing to object to the proposed Order should do so in writing to the undersigned by 5th June 1973 giving grounds for his objection.

P. J. Butcher, Clerk of the County Council.
