NORFOLK COUNTY COUNCIL

TOWN AND COUNTRY PLANNING ACT 1971

Norfolk County Development Plan—Norwich Fringe Area Town Map Street Authorisation Map No. 3—Costessey

Notice is hereby given that the Secretary of State for the Environment has considered the proposals for alterations and additions to the Norfolk County Development Plan submitted by the Council on 14th June 1968 and relating to land at Ruskin Road, Smithdale Road and Windmill Lane, Costessey.

Based on the information at present before him, the Secretary of State considers that the proposals should be modified as follows:

Modification Number

Description of modification

Reason for modification

- | | | |
|----|--|---|
| 1. | Delete: Designation Map No. 104 ... | The Secretary of State has no power to amend the plan in the light of the proposal submitted to him to designate land as subject to compulsory acquisition.
It should be noted that, since the powers of compulsory acquisition contained in the 1971 Act do not depend on land being designated as subject to compulsory acquisition in a development plan, the fact that the relevant land is not designated has no bearing on the exercise of these powers. |
| 2. | Street Authorisation Map No. 3—
Delete: Windmill Lane ... | It is not now intended to make up the road. |

Any objection to the proposed modifications should be sent in writing to the Secretary, Department of the Environment, 2 Marsham Street, London SW1P 3EB, before 30th July 1973 and should state in full the reasons for the objection and identify the land to which it relates.

Objections which relate either to the Council's original proposals or to the Secretary of State's failure to make a modification will not be accepted for consideration.
