

of the New Towns Act 1965 on the 10th July 1973, made an Order which has been submitted for confirmation by the Secretary of State for the Environment authorising them to purchase compulsorily for the purpose of the development of the New Town of Telford and incidental thereto the lands described in the Schedule hereto.

A copy of the Order and of the map referred to therein, have been deposited at Priorslee Hall and will be open for inspection without payment of fee between the hours of 9 a.m. and 5 p.m. on weekdays.

Any objection to the Order must be in writing, stating the grounds of any objection and addressed to the Secretary of State for the Environment, 2 Marsham Street, London, SW1P 3EB, before the 31st October 1973.

The Secretary of State is not, in all cases, required to arrange for objections to be heard by a person appointed by him for that purpose. It is important therefore that an objection should include a full statement in writing of the grounds on which the objection is made as the objector may have no further opportunity to make such a statement.

Any owner or occupier of any land to which the Order relates may send to the Telford Development Corporation at the address below, a request in writing to serve him with a notice that the Order has been confirmed and naming a place where a copy of the Order and of the map and of any descriptive matter annexed thereto may be seen. Such request should contain a statement of the name, postal address and the interest in the land of the owner or occupier and particulars sufficient to enable the extent and boundaries of the land to be identified.
