

of the Order is held, or the feeding of livestock or poultry of waste food, or any feedingstuffs which have been in contact with waste food, unless such waste food or such feedingstuffs have first been processed by means of plant and equipment operated under a licence granted under article 7. (Article 3.)

(These prohibitions do not, however, apply to the possession by any person of waste food originating from his own household or to the use of such waste food provided it has first been processed as required by the Order.)

(2) A complete prohibition is imposed upon the feeding to any animal, poultry or other birds of any waste food brought into Great Britain as part of the stores on a ship, aircraft, etc. or of any other waste food which has been in contact with such imported stores. (Article 4.)

(3) Restrictions are placed upon the movement of unprocessed waste food intended for livestock or poultry except onto premises in respect of which a licence is held under article 7 or article 8 (except in the case of waste food intended for manufacture into meal) and upon access to or contact with unprocessed waste food. (Articles 5 and 6.)

Restrictions are also imposed in respect of movement of waste food by road, and as to the distribution of processed waste food. (Articles 9 and 10.)

The Schedules to the Order set out specifications for premises on which processing of waste food is licensed or on which unprocessed waste food may be collected for further distribution, and also operating conditions required at premises of both types.

Copies of the above-mentioned Order may be obtained from Her Majesty's Stationery Office, 49 High Holborn, London WC1, price 10½p.

MINISTRY OF POSTS AND TELECOMMUNICATIONS

NOTICE OF APPLICATION FOR LICENCE TO OBSTRUCT OR IMPEDE THE FLOW OF AN INLAND WATER BY MEANS OF IMPOUNDING WORKS

Notice is hereby given that an application is being made to the Hampshire River Authority by Messrs. J. D. J. and H. C. Marks of Riplington Farm, East Meon, Hampshire, for a licence to obstruct or impede the flow of the River Meon by means of a six inch pipe to be six inches under the sill level at Riplington Farm.

The object of impounding water by means of the works is to form a small private Fishing Lake.

The capacity of the reservoir at overflow level will be 3,000,000 gallons maximum.

Further details of the application are: That soil will be excavated to form a Dam and Lake of about 1½ acres.

A copy of the application and of any map, plan or other document submitted with it may be inspected free of charge at Riplington Farm Office at all reasonable hours during the period beginning on 15th December 1973 and ending on 12th January 1974.

Any person who wishes to make representations about the application should do so in writing to the Clerk of the Hampshire River Authority at Eastleigh House, Market Street, Eastleigh, before the end of the said period.—Dated 12th December 1973.

James Harris and Son. On behalf of Messrs. J. D. J. (72) and H. C. Marks.
