NOTICE OF APPLICATION FOR LICENCE TO ABSTRACT WATER

Notice is hereby given that an application is being made to the Great Ouse River Authority by the West Suffolk Water Board of Linden House, 147 Kings Road, Bury St. Edmunds for a licence to abstract the following quantities of water from underground strata (chalk) at the following point of abstraction:

- Not more than 20,000 gallons in any one hour.
- Not more than 400,000 gallons in any one day of 24 hours reckoned from midnight to midnight and
- Not more than 146,000,000 gallons in any one period of 12 months.

from the borehole at the position indicated by Ordnance Survey National Grid Map co-ordinates TL 582451, in the Parish of Bartlow in the Rural District of South Cambridgeshire in the county of Cambridgeshire and Isle of Ely.

The reason for this application is that whilst the Board at present enjoy a licence (Number 6/33/28/36) which authorises the abstraction of water in the quantities mentioned above, this licence will expire on the 28th February 1974 and in order to ensure continuity of public water supplies the Board now seek a permanent licence which will be effective from 1st March 1974. No application is therefore being made for the abstraction of water in excess of quantities already authorised; what is being applied for is the continuance of existing rights on a permanent basis. Application is also being made for the water which is abstracted to be used for river flow support purposes as an alternative to its use for public supply.

A copy of the application and of any map, plan or other documents submitted with it may be inspected free of charge at the Head Office of the Board at Linden House, 147 Kings Road, Bury St. Edmunds, or at the Clerk's Department at the offices of the Haverhill Urban District Council, Council Offices, Haverhill, Suffolk, at all reasonable hours during the period beginning on 20th December 1973 and ending on 21st January 1974.

Any person who wishes to make representations about the application should do so in writing to the Clerk of the Great Ouse River Authority, Great Ouse House, Clarendon Road, Cambridge, before the end of the said period.

P. F. Bullock, General Manager of the West Suffolk Water Board.
