Notice is hereby given that the Northampton Borough Council, pursuant to arrangements made under section 101 of the Local Government Act 1972, with the Northamptonshire County Council, and in exercise of the powers of the said County Council under section 1 of the Road Traffic Regulation Act 1967, as amended, intend to make an Order to regulate the movement of traffic in the immediate vicinity of the Weston Favell Centre.

The effect of the proposals is as follows:

1. Billing Brook Road will remain two-way but there will be no right turn from Billing Brook Road into the access road to the car park in the southern end of the Centre, and there will be no left turn from that same car park exit into Billing Brook Road. Traffic leaving the car park in the southern end of the Centre and wishing to go north have the alternative routes of Wellingborough Road and Lings Way, or Wellingborough Road and Lumbertubs Way.

2. The new access road from Billing Brook Road to the northern entrance of the Centre and continuing westwards and southwards around the Centre to Wellingborough Road will be one-way westwards and southwards. 3. A special "buses only" loop for stage and express carriages only will be provided to enable buses travelling north up Billing Brook Road to turn round and proceed southwards. This route will be situated to the north-east of the Centre and will involve the buses in crossing the new access road to the northern entrance of the Centre.

The draft Order, together with a map illustrating the proposals and a statement of the Council's reasons for proposing to make the Order, may be examined at my office at No. 61 Derngate, Northampton, during office hours.
