#### NOTTINGHAM CITY COUNCIL

##### TOWN AND COUNTRY PLANNING ACTS 1971 TO 1974

###### *Extension of the Lace Market Conservation Area*

Notice is hereby given that an area lying to the north of the existing Lace Market Conservation Area has been designated as an extension of that Conservation Area, pursuant to section 277 of the Town and Country Planning Act 1971, as amended by the Town and Country Amenities Act 1974. The boundary of the extension is described in the Schedule to this notice and a plan may be seen at the City Planning Office, Sand Field House, Nos. 5-9 Mansfield Road, Nottingham.

An effect of designation is that the provisions of section 277A of the Town and Country Planning Act 1971 (as amended by the Town and Country Amenities Act 1974) are now applicable to the extended area. Section 277A provides that (with certain exceptions) buildings in a conservation area may not be demolished without the consent of the local planning authority.

The boundary then follows the eastern boundary of the Old Market Square Conservation Area in a southerly direction to the rear of property on the eastern sides of Clumber Street, High Street and Bridlesmith Gate to a point on the centre line of Middle Pavement opposite the boundary between Nos. 7 and 15 Middle Pavement; thence turning eastwards to Weekday Cross to its junction with the western boundary of the existing Lace Market Conservation Area. It then turns to the north, following the centre line of Fletcher Gate to Pilcher Gate; thence along the centre line of Pilcher Gate; thence north behind the buildings on the western side of St. Mary's Gate to Warser Gate; thence eastwards down the centre line of Warser Gate to Stoney Street.
