##### *The Trunk Road (London Road, Burpham) (Bus Stops) (Clearway) Order*

The Secretary of State for the Environment proposes to make an Order under section 1 of the Road Traffic Regulation Act 1967, as amended by Part IX of the Transport Act 1968 and Schedule 6 of the Road Traffic Act 1974, on the London-Portsmouth Trunk Road (A3) at Burpham in the Borough of Guildford in the County of Surrey.

The purpose of the Order is to prohibit vehicles, other than buses, from waiting between 7 a.m. and 7 p.m. on any day at any bus stop on that length of the trunk road specified below where the carriageway at that stop is marked (a) as a bus stop and (b) with a broad yellow line adjacent to the edge of the carriageway or, in the case of a lay-by, adjacent to the kerb line:

London Road, Burpham—from its junction with New Inn Lane to a point 242 metres south-west of that junction.

While the Order remains in force it enables the Department at any time to lay or to remove the authorised markings at or from any bus stop on the specified length of trunk road or to adjust the position on that road of the authorised markings, as traffic conditions may require.

Exceptions will be provided in the Order to enable a vehicle to wait for the purpose of removing any obstruction to traffic; for use in exercise of statutory powers or duties, if prevented from proceeding by circumstances outside the driver's control; or if it is an emergency vehicle.

A copy of the Order together with a plan showing the length of trunk road affected and the Department's reasons for proposing to make the Order, may be inspected at the offices of the Department's Regional Controller (Roads and Transportation), "Edgeborough", 74 Epsom Road, Guildford or at the Guildford Borough Council, Municipal Buildings, 207 High Street, Guildford.

Objections to the Order must be sent to the Department's Regional Controller (Roads and Transportation) at his address shown above by 16th June 1975, quoting the reference DSE 5076/41/2/TR 6/01 and stating the reasons for objection.

R. J. Harman, A Senior Executive Officer in the Department of the Environment.

#### FYLDE BOROUGH COUNCIL

NOTICE UNDER TOWN AND COUNTRY PLANNING ACT, 1971  
AND TOWN AND COUNTRY AMENITIES ACT, 1974

##### Fylde Borough Council

Notice is hereby given that the Fylde Borough Council, as District Planning Authority, have designated the following areas as Conservation Areas pursuant to section 277 of the Town and Country Planning Act, 1971:

- (1) *Lytham*—the town centre, bounded by Lowther Terrace on the west, just beyond St. John's Street on the east, part of the Promenade and part of Lytham Green on the south, Station Square, Hastings Place, parts of Agnew Street, Cecil Street, East Cecil Street and Upper Westby Street, and part of Clifton Street to just beyond its junction with Station Road, forming the irregularly-shaped northern boundary, as shown on Plan No. 9/9/75.
- (2) *Wrea Green*—the whole of the Village Green and all the buildings fronting it, as shown on Plan No. 9/8/75.
- (3) *Thistleton*—the whole of the built area of the village, as shown on Plan No. 9/10/75.

Plans indicating precisely the boundaries of the respective areas may be inspected during normal office hours at the Town Hall, St. Annes, the Planning Office, 288 Clifton Drive South, St. Annes, and the Council Offices, Wesham. Further information about these Conservation Areas can be obtained at these various offices.

In areas designated as Conservation Areas, special attention is paid to the desirability of preserving or enhancing their character or appearance, and local planning authorities are empowered to take effective measures to improve the environment. The Town and Country Amenities Act, 1974, brings the demolition of most buildings in Conservation Areas under local authority control by applying with modifications the "listed building" control powers under the Town and Country Planning Act, 1971. In particular, a building in a Conservation Area shall not be demolished without the consent of the local planning authority, and an application for such consent may be made thereto either separately or as part of a planning application to redevelop the site. The 1974 Act also extends the controls over trees in Conservation Areas; subject to certain exceptions, any person wishing to fell, top, lop, etc. trees in such Areas should give the Borough Council 6 weeks' notice of intention to do so. Penalties apply in the event of violations of these controls.

R. A. Cork, Chief Executive Officer.

Town Hall,  
Lytham St. Annes.

TOWN AND COUNTRY AMENITIES ACT 1974

##### Gateshead Metropolitan Borough Council Blaydon Bank Conservation Area

Notice is hereby given that the Council have under section 277 of the above Act on the 4th April 1974 designated as an area of special architectural or historic interest an area of Blaydon which will be known as "The Blaydon Bank Conservation Area". The area is briefly described in the Schedule to this notice and a plan showing the area in detail can be inspected at the Council Offices, Blaydon or at the Legal Services Department, Town Hall, Gateshead, during normal working hours.

2. The main consequence of designating this conservation area are that applications for planning permission which D2

affect character and appearance of the area will be advertised and public comments will be invited and considered before a decision is made. Also a consistent policy will be carried out by the Council to improve and conserve the amenities of the area. Trees in conservation areas are protected in similar fashion as if they were covered by a tree preservation Order. This has the effect of prohibiting except with the consent of the Local Planning Authority, the cutting down, topping, lopping or wilful destruction of any tree.

There are also special provisions relating to the demolition of buildings in a conservation area, it is provided that they shall not be demolished without the consent of the Local Planning Authority and cannot be merely included under a general permission without specific consent. Regulations controlling advertisements may make special provisions regarding their control in conservation areas.

Persons wanting advice regarding buildings and trees in this area can obtain this from the Planning Department, 88 High Street, Gateshead, during normal working hours.

*Notice of Designation of Belton Conservation Area*

Notice is hereby given that the Rutland District Council, in pursuance of their powers under section 277 of the Town and Country Planning Act 1971, have designated the Belton Conservation Area.

The Conservation Area includes the majority of Belton village. Taking as a point of origin the junction of Back Lane and Loddington Lane, the boundary proceeds in a southerly direction along Back Lane and includes the Old Rectory on New Road. The boundary then turns eastwards along Goughs Lane, excluding properties No. 1A and The Guilders and a garage in the curtilage of 14 Main Street. At the end of Goughs Lane the boundary turns southwards and then eastwards to include Belton House before turning northwards along Littleworth Lane as far as Parkfield Farm, where it skirts the farm buildings and follows the rear boundaries of Netherfield House and other properties and land fronting Nether Street and Chapel Street. The boundary crosses Lambley Lodge Road and turns westwards to include the properties situated between College Farm Road and Lambley Lodge Road, the Baptist Chapel and Nos. 4, 6, 8 and 10 Loddington Lane, where it proceeds in a westerly direction along the Lane excluding the three bungalows, Nos. 1A, 1 and 3, to meet the point of origin at Back Lane.

The precise boundary of the Conservation Area is defined on Drawing 3/75, which may be seen during normal office hours at the Planning Department, Rutland District Council Offices, Catnose, Oakham.

In general the effect of designation will be to increase the degree of planning control which can be exercised by the local planning authority. Since the inception of the Town and Country Amenities Act 1974, the demolition of any building in the Conservation Area requires permission from the local planning authority. In addition the Act extends the powers for the protection of trees in such areas and requires the local planning authority to formulate and publish proposals for the preservation and enhancement of the Conservation Area.
