COUNTER-INFLATION ACT 1973

Certificate of the Secretary of State for Prices and Consumer Protection under the Counter-Inflation (Price Code) Order 1974—Paragraph 83 (as amended).

The Secretary of State for Prices and Consumer Protection, having regard to the need to alleviate a serious threat of a severe shortage of supplies in the domestic market, hereby certifies in relation to bread that:

- (a) there is such a threat; and
- (b) significant damage is thereby being threatened to the interests of consumers in the United Kingdom;

and specifies in relation to increases in prices of bread manufactured in Northern Ireland implemented while this certificate is in force that the departures from the provisions of the Code relating to allowable cost increases, increases in total costs and net profit margins set out in the Schedule to this Certificate shall be permitted by the Price Commission.

This Certificate, except in relation to paragraphs 2, 3 and 4 of the Schedule, shall cease to have effect on 30th April 1976 unless previously revoked or varied.

Mrs. J. M. Archer, An Under Secretary, Department of Prices and Consumer Protection.

13th August 1975.

SCHEDULE

1. Where the price permitted under any provision of the Code does not exceed by the relevant amount for the purposes of this paragraph the price which an enterprise was permitted to charge on 5th May 1975, such departures from the provisions of the Code relating to allowable cost increases, increases in total costs and net profit margins shall be permitted as will enable the price permitted under the Code to be increased to a sum which exceeds the price permitted to be charged on that date by that amount; and the relevant amount for the purposes of this paragraph is the additional sum which would in the opinion of the Price Commission be realised by the enterprise if the retail price of bread manufactured by that enterprise were increased:

- (a) in the case of loaves larger than 14 oz, by $\frac{1}{2}$ penny per 14ozs; and
- (b) in the case of loaves of 14ozs or less, by $\frac{1}{2}$ penny per loaf.

2. The net profit margin reference level applicable in any period under the Code may be increased by the addition of a figure found by expressing as a percentage of the relevant turnover the additional revenue produced by virtue of this certificate in that period.

3. The amount of any further increase in prices permitted under the Code shall be determined as if any increase already permitted by virtue of this certificate had not been made.

4. Expressions used in this certificate and in the Code shall have the same meaning as they have in and for the purposes of the Code.

The effect of the Order, which comes into operation on 20th August 1975, is to prohibit vehicles other than buses from waiting between 7 a.m. and 7 p.m. on any day at any bus stop on that length of the trunk road specified below where the carriageway at that stop is marked (a) as a bus stop, and (b) with a broad yellow line adjacent to the edge of the carriageway or in the case of a layby, adjacent to the kerb line:

London Road, Burpham—from its junction with New Inn Lane to a point 242 metres south-west of that junction.

While the Order remains in force it enables the Department at anytime to lay or to remove the authorised markings at or from any bus stop on the specified length of trunk road or to adjust the position on that road of the authorised markings, as traffic conditions may require.
