EAST HERTFORDSHIRE DISTRICT COUNCIL

TOWN AND COUNTRY PLANNING ACT 1971

TOWN AND COUNTRY AMENITIES ACT 1974

*Designation of Conservation Areas at Wareside and Watton-at-Stone*

Notice is hereby given that the East Hertfordshire District Council in pursuance of their powers under section 277 of the Town and Country Planning Act 1971 (as amended by the Town and Country Amenities Act 1974) have designated land at Wareside and Watton-at-Stone as Conservation Areas and such land is described in the Schedule below.

With certain exceptions, buildings within the Conservation Areas may not be demolished without the consent of the District Council. In addition, trees within the Conservation Areas may not be lopped, topped, felled, uprooted or wilfully damaged or destroyed unless notice of the proposed action has been given to the Director of Planning, East Hertfordshire District Council, Wallfields, Pegs Lane, Hertford, Herts, and permission to proceed has been received from the said Council, or it has failed to take any conclusive action regarding the notice within

6 weeks from the date of service. There are certain exceptions to this rule; in general terms, these cover trees subject to the exemptions already contained in the Second Schedule of the Form of Tree Preservation Order, and trees not exceeding 75 millimetres (approximately 3 inches) in diameter (or 100 millimetres where the growth of other trees would be improved by forestry operations). Trees already included in Tree Preservation Orders are not subject to the above procedure but are subject instead to the more stringent requirements of the Order concerned.

Copies of the map showing the exact boundaries of the Conservation Areas have been deposited at the Council Offices, Causeway, Bishop's Stortford, Herts, and the office of the Director of Planning, Wallfields, Pegs Lane, Hertford, Herts, and may be inspected without charge during normal office hours from Monday to Friday inclusive.

SCHEDULE

*Wareside*

The Conservation Area boundary starts to the north of the village and extends southwards from "Holy Trinity Church" incorporating part of the Churchyard. The western boundary includes "Wesley Cottages" and "Wesleyan House" and extends to within approximately 76 metres of Reeves Green. The southern boundary runs eastwards from that point and includes the footpath from the centre of the village and encompasses "Overhill House" and "The White Horse" public house, before turning north to include the whole of the centre of the village, the Council houses and "Gravel Pit Hall". From there, the boundary follows a south-westerly direction to include the road to Helham Green, turning north again at the foot of the hill and running to the east of the Nimney Bourne to rejoin the northern boundary at the Church.

*Watton-at-Stone*

The Conservation Area boundary commences in the north-west of the village at "Great Innings", follows south-eastwards, the rear boundaries of the properties in the High Street, crossing Station Road and running along the southern boundary of the footpath leading to the primary school. It keeps to the west of the school boundary, turning south-west along School Lane and includes the "Glebe House" before turning south-west again and skirting the western boundary of the woodland adjoining the "Rectory". From that point, the boundary turns south-east to include "Crowbury", thereafter following the extremities of Watton Green including the two mediaeval moated sites to rejoin the High Street approximately 70 metres to the south-east of "Watton Cottages". Crossing the main road in a north-easterly direction, the boundary turns due north to include "Watton House" and then reverts by a south-westerly course back to meet the High Street opposite "The Chestnuts". Following the road boundary north again for approximately 100 metres before rejoining the rear boundaries of the properties in the north-western side of the High Street up to Mill Lane. Here the boundary follows the back of the footpath line of the High Street in a north-westerly direction moving out briefly to encompass the "Victoria Cottages" immediately to the north of the garage. From this point the back of the footpath line is rejoined until the starting point at "Great Innings" is reached.
