#### NORTH WEST WATER AUTHORITY

##### DROUGHT ACT 1976

##### *Proposed Reduction of Residual Flow in the River Duddon*

Notice is hereby given that the North West Water Authority have applied to the Secretary of State for an Order under section 1 of the Drought Act 1976 to vary for a maximum period of 6 months beginning not earlier than the 1st October 1976, the limitations to which their abstraction of water from the River Duddon is presently subject as follows:

At the present time the Authority are licensed to abstract 25,000 gallons per hour, 6 million gallons per day, and 2,196 million gallons per year from the River Duddon near Ulpha. This abstraction is however subject to conditions requiring the Authority to make certain releases of water from Seathwaite Tarn into the River Duddon and to maintain certain minimum flows in the river. Details of these conditions relating to the releases from Seathwaite Tarn and the minimum flows in the River Duddon are set out in the Schedule below.

This application is to temporarily suspend these conditions and to replace them by one condition requiring the Authority to maintain a continuous flow of 3.25 million gallons per day in the River Duddon measured at the flow measuring station at Duddon Hall and not at their intake as at present.

Any objection to the proposed Order must be made in writing to the Secretary of State for the Environment, 2 Marsham Street, London S.W.1, within seven days of publication of this notice and it is requested that a copy of any such objection be sent at the same time to the undersigned.

Should it appear to the Secretary of State that the Order is required to be made urgently if it is to enable the Authority effectively to meet the deficiency of supplies of water referred to above, he may direct that the holding of a public local inquiry or a hearing by a person appointed by him should be dispensed with.

A map showing the location of the above-named abstraction point and gauging weirs may be inspected during normal office hours for a period of seven days from the publication of this notice at the Authority's offices at Hindpool Road, Barrow-in-Furness, LA14 2NG, Telephone Barrow (0229) 21690.
