*J. K. Saville*, A Senior Executive Officer, Regional Controller (Roads and Transportation), Eastern, Department of the Environment.

*The Trunk Road (University Boulevard and Beeston Road, Nottingham) (Peak-Hour Urban Clearway and Prohibition of Waiting) Order, 1976.*

The Secretary of State for the Environment has made an Order under section 1 of the Road Traffic Regulation Act 1967, as amended by Part IX of the Transport Act 1968 and Schedule 6 to the Road Traffic Act 1974, on the North-East of Birmingham-Nottingham Trunk Road (A.453) known in part as University Boulevard and in part as Beeston Road, in the city of Nottingham.

The effect of the Order which comes into operation on 27th September 1976, is:

- (1) To introduce a peak-hour urban clearway (i.e. waiting, loading/unloading of vehicles prohibited and picking up/setting down of passengers and personal luggage limited to 2 minutes) which will operate between the hours of 7.30 a.m. and 9.30 a.m. and 4.30 p.m. and 6.30 p.m. on any day other than a Sunday on that length of the trunk road which extends from its junction with Queens Road East to its junction with Clifton Boulevard; and
- (2) To prohibit the waiting of vehicles at those times from Monday to Saturday when the clearway does not apply and at any time on a Sunday on those sides of road specified in the Schedule to this notice.

Exceptions have been provided in the Order to enable a vehicle to be used in connection with any building operation or demolition, the removal of any obstruction to traffic, the maintenance of the road or the services therein or the delivery or collection of postal packets. A vehicle will be allowed to wait on the sides of road specified in the Schedule to this notice when the peak-hour clearway does not apply for so long as may be necessary for a person to board or alight from the vehicle or to enable goods to be loaded on to or unloaded from the vehicle. Disabled persons' vehicles will be exempted from the 2 minute waiting period for picking up/setting down when the clearway is in operation and will be allowed to wait for a period not exceeding 2 hours on those sides of road specified in the Schedule to this notice at those times when the clearway does not apply.

Any person who desires to question the validity of, or of any provision contained in, the Order on the ground that it is not within the powers with respect to the Order conferred by the above Act, or on the ground that any requirement of, or of any instrument made under, any provision of that Act has not been complied with in relation to the Order, may within 6 weeks of 10th September 1976, apply to the High Court for the suspension of or quashing of the Order or of any provision contained therein.

#### HIGHWAYS ACTS 1959 TO 1971

*The Leeds-Halifax-Burnley-Blackburn-East of Preston Trunk Road (Accrington Road, Hapton) (Variation) Order 197 .*

The Secretary of State for the Environment hereby gives notice that he proposes to make an Order under sections 7 and 286 of the Highways Act 1959 which will vary the Leeds-Halifax-Burnley-Blackburn-East of Preston Trunk Road (Accrington Road, Hapton) Order 1975:

- (a) by deleting from that Order the Schedule and the deposited plan
- (b) by substituting therefor a new Schedule and new deposited plan indicating revised proposals for new lengths of trunk road which will form part of a junction between Accrington Road and the proposed M65 Motorway at Hapton.

Copies of the draft Order and of the relevant plan may be inspected free of charge at all reasonable hours from 21st September 1976 to 21st December 1976 at the Department of the Environment, 2 Marsham Street, London S.W.1, and at the offices of the North Western Regional Office (Roads and Transportation), Sunley Building, Piccadilly Plaza, Manchester 1; the North Western Road Construction Unit, Crystal House, Birley Street, Preston; the Lancashire County Council, County Hall, Preston; Hyndburn Borough Council, St. James Street, Accrington, and Blackburn Road, Clayton-le-Moors; the Burnley Borough Council, Town Hall, Burnley; at the Public Libraries in Accrington and Clayton-le-Moors and at the Central Library in Burnley.

Any person may not later than 21st December 1976 object to the making of the Order by notice to the Secretary of State at his address at the North Western Road Construction Unit, quoting reference CNW 465/2B/26/01 and stating the grounds of objection.

*D. V. Crowther*, Controller of Administration, North Western Road Construction Unit, Department of the Environment.

10th September 1976.

#### *Note about changes proposed at the Hapton Interchange*

In the formal notice which appears above, anyone who wishes to do so is invited to comment on or object to, a proposal to change the layout of the non-motorway part of the proposed interchange between Accrington Road (A.679) and the M65 Motorway at Hapton.

Instead of the large roundabout on Accrington Road which was authorised in an Order made in 1975 (The Leeds-Halifax-Burnley-Blackburn-East of Preston Trunk Road (Accrington Road, Hapton) Order 1975) it is proposed to build 2 small roundabouts connected by a length of single carriageway road. This would be cheaper, take less land and minimise the extra distance to be travelled by through traffic on Accrington Road.

The Department now consider that it will only be necessary, at least initially, to build two slip roads at this junction, catering for motorway traffic to and from the west. It was originally intended to provide four slip roads here from the outset and draft proposals for the slip roads were published on this basis in December 1975 (The M65 Motorway (Calder Valley Route, Hyndburn to Burnley Section) Connecting Roads Scheme 197 ).

Before the Secretary of State decides whether to modify those proposals by deleting the slip roads to and from the east he wishes to know the views of all interested parties. Similarly, he wishes to consider any views about the resulting minor modifications it would be necessary to make to the Department's draft proposals for alterations to highways and private accesses which were also published in December 1975 (The M65 Motorway (Calder Valley Route, Hyndburn to Burnley Section Side Roads) Order 197 ).

Plans showing the modifications which would be needed are available at the offices mentioned in the formal notice, and anyone who wishes to comment or object should write to the North Western Road Construction Unit. All views expressed will be carefully considered before a final decision is taken about the form of the Hapton Interchange.
