TOWN AND COUNTRY AMENITIES ACT, 1974

*North Hertfordshire District Council
Designation of Conservation Areas*

Notice is hereby given pursuant to section 277 of the Town and Country Planning Act 1971 (as amended by the Town and Country Amenities Act 1974) that the areas briefly described in the Schedule below being areas of special architectural or historic interest the character of which it is desirable to preserve or enhance were designated as extensions to the Baldock Conservation Area for purposes of section 277 of the said Act by North Hertfordshire District Council as Local Planning Authority on the 15th October 1975.

Within the designated area no building other than any such building as is referred to in the direction made by the Secretary of State for the Environment in paragraph 15 of Circular 174/74 may be demolished without the prior written consent of the Local Planning Authority, as though it were a building contained in the list of buildings of special architectural or historic interest prepared by the Secretary of State.

In addition trees within the Conservation Area may not be lopped, topped, felled, uprooted or wilfully damaged or destroyed unless notice of the proposed action has been given to the Local Planning Authority and written permission to proceed has been received, or the authority has failed to take any conclusive action regarding the notice within 6 weeks from the date of service. PETERBOROUGH CITY COUNCIL

TOWN AND COUNTRY PLANNING ACT, 1971

Amendments to Existing Conservation Areas

Notice is hereby given that the Peterborough City Council in pursuance of their powers under section 277 of the Town and Country Planning Act 1971 (as amended by section 1 of the Town and Country Amenities Act, 1974) have amended the boundaries of two Conservation Areas, the amendments being described in the Schedule below.

The purpose of these amendments is to make the boundaries of the Conservation Areas more in keeping with developments that have taken place since the Conservation Areas were first designated, and also to correct certain minor drafting errors, relating to curtilage boundaries, in the original designations.

Copies of the maps of the amended Conservation Areas can be inspected during normal office hours in the City Planning Department at 24 Church Street, Peterborough.

SCHEDULE

Longthorpe

Four minor amendments have been made to Longthorpe Conservation Area. The first adjusts the southern boundary to follow the northern edge of Longthorpe Parkway. The second allows approved an area for housing development under section 6 (1) of the New Towns Act 1965 to be co-terminous with the south-western boundary of the Conservation Area, from a point near Longthorpe Tower down to Longthorpe Parkway thus avoiding future problems arising from parts only of curtilages being within the Con-

C

servation Area. The third and fourth amendments remove anomalies of the old boundary cutting curtilages of new development in Melford Close.

Orton Longueville

Four amendments have been made to Orton Longueville Conservation Area. The first (and largest) of these revision is the inclusion of Orton Hall, its outbuildings and grounds, the "Long Walk" and the Grange on Oundle Road. One of the main benefits to the Conservation Area of including Orton Hall and its grounds arises from the historic and architectural value of the Hall itself with grounds containing many fine trees which, by inclusion, gain statutory protection.

The second amendment is the inclusion of the curtilages of No. 1 Parkside and 122 Oundle Road and the properties immediately north of the old rectory. This revision ensures that better protection is given to a reasonable depth of the village road frontage at this point.

The third amendment occurs on the east side of the village street behind Nos. 11, 15, 15A and 15 The Village, The Development Corporation proposes to develop land behind these properties for residential use. To avoid problems of new plot divisions and road alignments creating curtilages split by the conservation boundary, a realignment along the back of the plots Nos. 11, 15 and 15A and along the northern edge the allotment gardens has been made.

The fourth and final revision is a minor realignment of the boundary behind No. 22 The Village to ensure consistency with plot boundaries.

Orton Waterville

Three minor amendments have been made to Orton Waterville Conservation Area. The first of these amends the boundary to enclose the whole of Debdale, a small cul-de-sac built since the Conservation Area was designated. The other two amendments are also to ensure that curtilages are not cut by the Conservation Area boundary in Cherry Orton Road.
