## SCHEDULE

## SECTION I

1. The family pension and other awards provided for in this Schedule are those payable in respect of the service of deceased Officers, Fleet Chief Petty Officers, Chief Petty Officers, Petty Officers, Non-Commissioned Officers and Men of the Royal Navy and the Royal Marines and awards which are payable in respect of deaths which are attributable to service.

2. Except where otherwise stated the term "Officers" in this Schedule should be read as including Commissioned Officers of the Royal Navy and of the Royal Marines and "RN rating and RM other rank" should be read as including Fleet Chief Petty Officers, Chief Petty Officers, Petty Officers and other ratings of the Royal Navy and Non-Commissioned Officers and other ranks of the Royal Marines.

## SECTION II

*General Conditions Governing the Award of Family Pensions*

3. If the death of an Officer, RN rating or RM other rank was due wholly or in part to his own negligence or misconduct or to any cause within his own control the award and amount of any family pension payable shall be at the discretion of the Secretary of State for Defence.

4. If the applicant is granted any other pension or allowance from public funds payable by virtue of the deceased's service then the Secretary of State for Defence may at his discretion withhold or reduce any award otherwise admissible.

5. (a) Where an Officer, RN rating or RM other rank has suffered an abatement of his retired pay or pension (whether preserved or immediate) on account of his misconduct or inefficiency, such abatement may be ignored when assessing any benefits payable to his wife and children under the terms of this Schedule, except as provided in sub-clause (b) below.

(b) Where the Secretary of State for Defence is of the opinion that the misconduct of an Officer, RN rating or RM other rank constitutes an offence prejudicial to the safety or interests of the State and he is satisfied that his widow wilfully aided and abetted the commission of that offence he may in his discretion direct that any pension payable to the widow or children may be abated by such amount as seems to him appropriate having regard to all the circumstances of the case.

6. If a widow dies before establishing her claim to pension, arrears of pension will not, save in exceptional circumstances, be allowed to her estate.

7. The date of commencement of family pension will normally, if application is not unduly delayed, be the date following the husband's death or if death occurs in service the date following the last issue of terminal benefits.

8. In exceptional circumstances the Secretary of State for Defence may at his discretion withhold the whole or any part of a pension granted under this Schedule, and may divert such pension in whole or part for purposes which he may deem beneficial to the pensioner.

#### *Conditions Relating to Marriage*

9. (a) To be eligible for a pension a widow must have been married to the deceased Officer, RN rating or RM other rank before his retirement or discharge from the service, or before the completion of any further service that may have entitled the Officer or rating to re-assessed retired pay or pension.

(b) The Officer, RN rating or RM other rank must have had an entitlement to service retired pay or pension.

(c) If the death of the Officer or rating occurred within a year of his marriage the Secretary of State for Defence may reduce or withhold the amount of any award otherwise admissible.

#### *Effect of Separation on Widow's Pension and Gratuity*

10. (a) An award of pension to a widow who is separated from her husband at the date of his death will be at the discretion of the Secretary of State for Defence who may withhold all or such a proportion of the pension as seems appropriate to him in all the circumstances.

(b) If a widow is shown to be living with a man as his wife she will not be eligible for a pension.

#### *Re-marriage*

11. The pension of a widow who re-marries will cease, but if she again becomes a widow her pension may be restored in whole or part at the discretion of the Secretary of State for Defence.

#### *Conditions for the Award of Children's Pensions*

12. (a) A "child" for the purposes of the award of a pension under this Schedule means:

(i) a legitimate child of the Officer, RN rating or RM other rank provided that the child's mother fulfilled the conditions relating to marriage contained in Clause 9; or

(ii) a step-child of the Officer, RN rating or RM other rank who was mainly dependent on him at the time of his death, provided that the child's mother fulfilled the conditions relating to marriage contained in Clause 9; or

(iii) a child adopted by the Officer, RN rating or RM other rank, or by his wife, before his retirement or discharge (or, if he subsequently gave further service in circumstances rendering him eligible for a re-assessment of retired pay or service pension, before the termination of such further service), who was mainly dependent upon him at the time of his death, and provided that the child's mother by adoption fulfilled the conditions relating to marriage contained in Clause 9; or

(iv) a child mainly dependent upon the Officer, RN rating or RM other rank before his retirement or discharge (or, if he subsequently gave further service in circumstances rendering him eligible for re-assessment of retired pay or service pension, before the termination of such further service), who was adopted by the Officer, RN rating or RM other rank, or by his wife after his retirement or discharge (or after the termination of further service) provided that the Secretary of State for Defence is satisfied that the Officer, RN rating or RM other rank had formed the intention of adopting the child before retirement or discharge (or before the termination of further service) and that the child was mainly dependent upon him at the time of his death, and provided that the child's mother by adoption fulfilled the conditions relating to marriage contained in Clause 9; or

(v) an illegitimate child of the Officer, RN rating or RM other rank, or of his wife, born before his retirement or discharge (or, if he subsequently gave further service in circumstances rendering him eligible for re-assessment of retired pay or service pension, before the termination of such further service), who was mainly dependent upon him at the time of his death, and provided that, where the child is the illegitimate child of the wife, the wife fulfilled the conditions relating to marriage contained in Clause 9.

(b) A child's pension will normally cease when the child attains the age of 16 years, except where an Officer, Fleet Chief Petty Officer or Regimental Sergeant Major, Royal Marines, was retired or discharged before 31st March 1973 when payment of a child's pension will normally cease at the age of 18 years. However, it may be granted or continued after these ages:

(i) if the child continues to receive full-time education, or is an apprentice not receiving more than nominal wages; or

(ii) if, before attaining the age referred to above the child was, and continues to be afflicted by mental or bodily infirmity and is therefore incapable of earning his or her own living, provided the Secretary of State for Defence considers that the pecuniary circumstances of the child and family are such as to justify the award.

(c) Children's pensions will be paid to the widow or mother of the child, or other person responsible for the child's maintenance, or to the child direct as may be decided by the Secretary of State for Defence.

(d) Pensions of children of Officers and of Fleet Chief Petty Officers and Regimental Sergeant Majors, Royal Marines, may be issued quarterly in advance.

#### *Effect of Commutation*

13. (a) Except as provided for in sub-clauses (b) and (c) below, commutation of retired pay or service pension shall not debar a widow or children, otherwise eligible under the provisions of this Section, from receiving an award of pension nor shall any such pension be reduced or abated on that account.

(b) Where a retired Officer gives further service entitling him to a re-assessment of his retired pay or pension, and before or during the period of his re-employment he marries having first commuted a portion of the retired pay granted him in respect

of his original service, then any award of pension to the widow may be reduced by an amount proportionate to the amount of retired pay originally commuted.

(c) Any legitimate or illegitimate child born after commutation, a step-child eligible by virtue of a marriage after commutation or a child adopted after commutation shall likewise suffer an abatement of pension proportionate to the amount of retired pay or pension originally commuted.

## SECTION III

*Non-Attributable Benefits for the Dependents of those whose service ceased before 31st March 1973*

14. The provisions of this Section shall apply to the widows and children of Officers, RN ratings and RM other ranks who ceased to serve on or before 31st March 1973 and who were granted service retired pay or pension.

(a) Widows and children of Temporary Branch Officers, RN ratings and RM other ranks (except Regimental Sergeant Majors RM) will be eligible for a pension provided reckonable service was given after 31st August 1950.

(b) In the case of those RN ratings and RM other ranks who died before 4th November 1958 the widows or children will only be eligible for a pension if the following minimum periods of reckonable service were completed:—

15. The rate of widow's pension will be one-third of the husband's rate of half pay, retired pay or pension or the rate according to the husband's rank provided for in Clause 17, whichever is the more favourable. The rate of half pay, retired pay or pension will be the basic rate, ignoring, subject to the exception in Clause 13, any commutation that may have been made, plus all the pensions increases appropriate to the basic rate whether or not the husband qualified for these increases by virtue of age or health.

16. *Awards to children.* Where an Officer, RN rating or RM other rank was retired or discharged before 31st March 1973, each eligible child may receive one-third or if motherless two-thirds of the rate of widow's pension appropriate to the rank and service of the Officer, rating or other rank.

17. *Minimum Rates of Family Pension.* If the rates of pension for the widows of those Officers, RN ratings and RM other ranks retired, discharged or who died in service before 31st March 1973 calculated in accordance with Clause 15 would be less than the minimum rates set out below the latter will be payable from 1st December 1976.

18. If an Officer, RN rating or RM other rank discharged or retired before 31st March 1973 dies in retirement from causes attributable to service, a family pension as provided for in Order in Council (45\*/NPP) of 4th February 1972 may be paid in addition to any award payable under the provisions of Section VI of this Schedule.

## SECTION IV

*Non-Attributable Family Pensions and Gratuities to the dependants of those Officers, Ratings and Other Ranks who gave reckonable service on or after 31st March 1973 or who die in service on or after 31st March 1976*

19. *Forces Family Pensions.* Pensions may be awarded to the widows and dependants of Officers, ratings and other ranks who retired on or after 31st March 1973 and were in receipt of half pay, retired pay or pension or service invaliding retired pay or pension or who were serving at the date of their death and would have been so entitled had they been invalided on the date of death.

20. Where the husband exercised the option to purchase an entitlement to a half-rate widow's pension for service up to 31st March 1973 the rate of widow's pension shall be one-half of the husband's rate of half pay, retired pay or pension which was in payment to the husband at the date of his death or for which he would have been eligible had he been invalided on the date of death, ignoring, subject to the exception in Clause 13, any commutation that may have been made, plus all pensions increases appropriate to the basic rate whether or not the husband qualified for these by virtue of age and health.

21. Where no option was exercised, the rate of widow's pension shall be one-third of the husband's rate of half pay, retired pay or pension for service prior to 1st April 1973 and one-half for service thereafter. The husband's rate shall be calculated as in Clause 20. Where the pension is calculated by reference to the husband's service invaliding retired pay or pension, the element in the husband's award which is the result of the special invaliding enhancement will attract a half rate widow's pension. The enhancement is the difference between the rate of invaliding retired pay or pension and a rate calculated at 3 per cent. for Officers and 2.75 per cent. for ratings and other ranks, of the maximum rate of retired pay or pension for his rank for each year of service.

22. Where the cause of death of an Officer, rating or other rank who has been invalided attributably is regarded as not attributable to his service, the rate of any family pension payable will be based on the service invaliding retired pay or pension for which he may have been eligible and not at the higher level of service attributable retired pay or pension of which he was in receipt.

*Awards to Children*

23. (a) The rate of children's pension for the children (as defined in Clause 12) of all Officers, ratings and other ranks who gave service on or after 31st March 1973 shall be:

- (i) one-quarter of the father's half pay, retired pay or pension for each of two children where there is a widow;
- (ii) one-third of the father's half pay, retired pay or pension for each of three motherless children.

(b) For the purposes of sub-clause 23(a) above where eligible children are not being maintained by their mother or where there are more eligible children than the maximum number specified in sub-clause 23(a) above and they are living in separate households the award and allocation of children's pensions shall be at the discretion of the Secretary of State for Defence.

(c) On the death of an Officer, RN rating or RM other rank on or after 31st March 1973 whether in service or in retirement, a short term family pension as provided for in Section V of this Schedule may be payable to any eligible dependants.

*Preserved Forces Family Pensions*

24. Subject to the conditions of Section II of this Schedule the provisions of Clauses 25 to 27 below shall apply to the widows and children of those Officers, RN ratings and RM other ranks, who died on or after 1st April 1976 in receipt of, or with a future entitlement to, a preserved pension.

25. The widow of a pensioner who dies in retirement whilst in receipt of a preserved pension may be granted a Forces Family Pension of one-third of that portion of the husband's pension earned by service prior to 1st April 1973, and one-half of the portion earned by subsequent service, except where the husband had elected to purchase entitlement to a half rate widow's pension in which case the rate will be one-half throughout. In addition, pensions may be granted to any eligible children at the rates and in accordance with the conditions specified in Clause 23.

26. Should an Officer, RN rating or RM other rank die before his preserved pension or terminal grant becomes payable then a Forces Family Pension may be granted to his widow and/or children at the following rates:

- (a) *Widow's pension.* The appropriate fraction, as set out in Clause 25, of the husband's initial pension assessment as enhanced by all relevant pension increase measures introduced between the date of his retirement and the date of his death.
- (b) *Children's Pensions.*
  - (1) one-quarter of the father's initial pension assessment (as enhanced by all relevant pensions increase measures) for each of two dependent children; or
  - (2) one-third of the father's initial pension assessment (as enhanced by all relevant pensions increase measures) for each of three motherless children.

In the event of apportionment being necessary the award and allocation of children's pensions shall be at the discretion of the Secretary of State for Defence.

- (c) *Terminal Grant.* The husband's preserved terminal grant will be payable to his widow or eligible children on his death. If he leaves neither an eligible widow nor eligible children a payment equal to the preserved terminal grant will be made to the estate of the deceased. The value of the preserved terminal grant shall be the initial assessment of the award as enhanced by all pensions increase measures introduced between the husband's date of retirement and his death.

27. Where the death of an Officer, RN rating or RM other rank occurs before his preserved pension has been put into payment the widow will not be eligible for a short-term family pension under Section V of this Schedule. If the preserved pension has become payable however (whether by reason of age or otherwise) then the widow may receive a short-term family pension at the rates and in accordance with the conditions set out in Section V of this Schedule.

*Gratuities to dependants of serving officers and men*

28. (a) The provisions of Clauses 29 to 39 shall apply to the widows and children of Officers, ratings and other ranks who die while serving on full pay on or after 31st March 1976.

(b) The same general conditions applicable to the award of pensions set out in Section II of this Schedule shall apply to the award of a gratuity under the provisions of this Section.

29. Where an Officer, including a short service officer, RN rating or RM other rank dies while serving on full pay on the Active List, his widow may be granted a gratuity equal to the terminal grant or gratuity for which the husband would have been eligible had he been invalided on the day of his death; or if this is greater, a gratuity equal to twice the rate of retired pay or pension of her husband's rank for invaliding purposes appropriate to 34 years of service for an Officer, or 37 years of service for a RN rating or RM other rank.

30. Where an Officer, RN rating or RM other rank who on or after 31st March 1976 has retired with retired pay or been discharged to pension or has been invalided with invaliding retired pay or pension or with invaliding gratuity dies within one year of retirement or discharge his widow may be awarded a gratuity equal to the difference between the gratuity which would have been payable if he had died in service on the day of retirement or discharge and the amount of terminal grant or gratuity and any sum raised by commutation which he received.

31. Where, had the Officer or RN rating or RM other rank been invalided, an adjustment would have been made to his award in respect of a gratuity or other non-effective payment previously received by him, an abatement may be made on that account in assessing the gratuity payable under Clauses 29 or 30.

32. Where the Officer or RN rating or RM other rank did not leave a widow eligible for an award under this Section but a child or children (as defined in Clause 12 and fulfilling the conditions of that Clause), the Secretary of State for Defence may award a gratuity to the child or children. The total award shall equal that which would have been payable to a widow eligible for an award under this section and shall be apportioned among them at the discretion of the Secretary of State for Defence.

33. Where the Officer or RN rating or RM other rank leaves a widow and in addition a child or children (as defined in Clause 12 and fulfilling the conditions of that Clause) who are not living with or supported by her, the Secretary of State for Defence may divert part of the gratuity which would normally be payable to the widow for the benefit of all or any such children.

34. Where a member of the Women's Services dies in circumstances in which the child of a male member would have been granted a gratuity under Clause 32 and leaves an eligible child or children (as defined in Clause 12) the Secretary of State for Defence may award a gratuity for the benefit of the child or children of such amount as he may determine.

35. Gratuities in respect of children may be issued to the widow or mother of the child or other person responsible for the child's maintenance or to the child direct as may be decided. The gratuity may where appropriate be issued in instalments or withheld for later payment.

36. Where an Officer, RN rating or RM other rank (including a member of the Women's Services) dies in service and neither an eligible widow nor motherless child nor children are left, a sum equal to the gratuity otherwise payable under Clause 29 to the widow may be payable to the estate of the deceased.

37. Gratuities payable under Clause 36 may be abated in respect of any public or service debt.

38. Any outstanding balance due from an Officer, RN rating or RM other rank who has elected to purchase an enhanced pension entitlement for his widow in respect of his service before 1st April 1973 may be deducted from any gratuity payable under the provisions of Clause 29.

39. No abatement of a gratuity payable by virtue of this section other than that provided by Clauses 31, 37 and 38 shall be made in respect of any public or service debt due from the deceased Officer or RN rating or RM other rank.

#### SECTION V

##### Short Term Family Pension

40. Where an Officer, RN rating or RM other rank who has given service on or after 1st April 1973 dies either in service, or in retirement with retired pay and pension, the widow, provided she is otherwise eligible, may be paid, for a period of 91 days, a short term family pension equal to the rate of her husband's pay or half pay on the day he died, excluding additional pay and allowances, or the actual rate of her husband's retired pay or pension in issue at the time of his death. This short term pension may be increased if it is less than the normal family pension.

41. When an Officer, including a short service Officer, RN rating or RM other rank dies in service with less than five years' service from the age of 18 years, a short term pension equal to the husband's rate of pay on the day he died, excluding additional pay and allowances, may be paid for the following periods:

Widow with no dependent children ... ..	91 days
Widow with one dependent child ... ..	137 days
Widow with two or more dependent children ... ..	182 days
A motherless child or child of a non-eligible widow ... ..	61 days
Two or more motherless children ... ..	122 days

42. Where eligible children are living in separate households the short term pension payable under Clauses 40 and 41 may be allocated at the discretion of the Secretary of State for Defence.

#### SECTION VI

##### Attributable Family Pensions

43. Where an Officer, RN rating or RM other rank dies in service from causes accepted by the Department of Health and Social Security as being attributable to or aggravated by his service, or dies in retirement from causes wholly or mainly due to the injury or disease which resulted in his being invalided attributably, the widow may be eligible for an attributable family pension at the rates shown below.
