

has been jointly designated a Conservation Area by the Walsall Metropolitan Borough Council as Local Planning Authority and the West Midlands County Council in pursuance of Section 277 of the Town & Country Planning Act 1971 (as amended).

The reason for designating this area a Conservation Area is that this area is considered to be an area of special architectural interest which it is considered is desirable to preserve or enhance.

The effect of such designation is (inter alia) that no buildings within the Darlaston Conservation Area can be demolished unless specific approval for such demolition has previously been given by the Local Planning Authority.

In addition, any proposals for alterations to buildings within the Conservation Area will be carefully considered in order to ensure that the character and appearance of the Conservation Area is retained.

A plan showing the extent of the Darlaston Conservation Area is available for public inspection at the Offices of the Director of Engineering & Town Planning, Walsall Metropolitan Borough Council, Civic Centre, Darwall Street, Walsall and at the Offices of the County Planning Officer, County Hall, 1 Lancaster Circus, Queensway, Birmingham between the hours of 9 a.m. and 5 p.m. from Mondays to Fridays.—Dated 18th April 1977.
