The Secretary of State for Transport has made an Order under sections 9 (1) and 9 (4) of the Road Traffic Regulation Act 1967 as amended by Part IX of the Transport Act 1968 and Schedule 6 to the Road Traffic Act 1974 on the Folkestone—Honiton Trunk Road (A35) at Bridport in the District of West Dorset in the county of Dorset.

The effect of the Order, which comes into operation on 1st June 1977 is to suspend the existing waiting, loading and unloading restrictions on the trunk road and replace them during an eighteen month experimental period, with varied prohibitions on waiting, loading and unloading affecting the length of trunk road between a point in West Allington 130 yards west of its junction with the western side of Allington Park and a point in East Road 50 yards east of its junction with the eastern side of Asker Mead. TOWN AND COUNTRY PLANNING ACT 1971 (AS AMENDED), SECTION 277

Redesignation of Hampstead Garden Suburb Conservation Area as Two Separate Construction Areas

Notice is hereby given that the Council of the London Borough of Barnet have redesignated the Hampstead Garden Suburb Conservation Area as two separate conservation areas shown in detail as Areas A and B on Drawing No. B/1/69A/1, revised May 1977.

Area A comprises the early part of the Hampstead Garden Suburb which was planned by Raymond Unwin and Edwin Lutyens, and Area B comprises that part of the original Conservation Area not included in Area A.

A conservation area is an area of special architectural or historic interest, the character or appearance of which it is desirable to preserve or enhance, and the redesignation was necessary because the Secretary of State for the Environment had accepted that that part of the original Conservation Area, now shown as Area A, was of outstanding architectural and historic interest in the terms of section 10 of the Town and Country Planning (Amendment)

Act 1972, which enables grants and loans to be made available from central government funds for schemes of preservation and enhancement, whilst the remainder (Area B) was not.

In each of the new conservation areas it will continue to be an offence:

- (1) to demolish any building except with the consent of the local planning authority;
- (2) to cut down, top, lop, uproot or wilfully damage or destroy a tree without giving due notice to the local planning authority.

Copies of the drawing showing the Conservation Areas A and B may be inspected by all interested persons, free of charge, in the Chief Executive and Town Clerk's Department, Town Hall, The Burroughs, Hendon N.W.4, and in the Borough Planning Department, Gateway House, 322 Regents Park Road, Finchley N.3.

GENERAL RATE ACT 1967

Rating of Empty Properties

Notice is hereby given that the Council resolved at their Meeting on 29th March 1977 "that empty property rating be continued at 100 per cent. rate level for the year 1977-78 in respect of all classes of hereditament excluding domestic properties and those with a rateable value of £80 or less, with effect from 1st April 1977".

The General Rate Act 1967 provides that there shall be a 3 months waiting period during which no rate is chargeable in respect of empty properties. The period of 3 months commences from 1st April 1977 and, therefore, properties empty on this date and not occupied by 1st July 1977 will become liable for rate unless exempted under regulations issued by the Secretary of State.

The exemptions broadly provide that if a local or public authority has taken action to prevent occupation or where a property is empty following the death of a ratepayer or in the event of a ratepayer being bankrupt, no rate is payable. A full list of exemptions is available from the Director of Finance, Municipal Offices, Wallington Road, Ashton-under-Lyne, or from any Tameside Information Office.

The rate on empty property is generally levied against the owner but in some cases it can be the person entitled to possession.
