SCHEDULE

Awards in respect of disablement

Note

Members of the Maltese Naval Forces who prior to 1st April 1972 were awarded attributable pensions at the United Kingdom rates for disablement have a reserved right to continue to receive the increases relevant to United Kingdom attributable disablement pensions.

1. *Pensions for Disablement*

A member of the Maltese Naval Forces, the degree of whose disablement is not less than 20 per cent., may be awarded at Ministry of Defence discretion a pension at whichever of the rates set out in the Tables in this Schedule is appropriate to his status and the degree of his disablement.

2. *Gratuities*

A member of the Maltese Naval Forces, the degree of whose disablement is less than 20 per cent., may be awarded a gratuity in accordance with the appropriate Table in this Schedule.

3. *Allowances for Eligible Members of the Family*

(a) Where a member of the Maltese Naval Forces is awarded a pension under Clause 1 of this Schedule, allowances in respect of eligible members of the family may be awarded at such proportion of the rates set out in the following Table as corresponds to the degree of the disablement on which the pension is based:

TABLE		Rate for 100 per cent. disablement (Weekly Rate)
<i>Eligible Member of the Family</i>		£ p
(1) Wife		0.33
(2) Children:		
(a) If an allowance under (1) is in issue: each child		0.25
(b) If no allowance under (1) is in issue:		
First child		0.33
Each other child		0.25
(b) The special conditions governing the grant of these family allowances shall be as follows:		
(1) For a wife—if she is living apart from her husband, family element shall not be allowable in respect of her unless—		
(a) she was being regularly maintained in whole or in part by her husband up to the date of any award or renewal of his disablement pension; and/or		
(b) she is entitled to support under a separation or maintenance order; or		
(c) the separation was caused by the husband's mental instability due to the disability in respect of which he is granted his disablement pension.		
(2) "Child" in relation to a member of the Maltese Naval Forces, means—		
(a) a legitimate child of the member;		
(b) a legitimated child of the member;		
(c) an illegitimate child of the member, who did not become legitimated upon the marriage of the member to the child's mother;		
(d) an illegitimate child of the member to whom sub-paragraphs (c) and (g) of this paragraph do not apply, who was born before or within nine months after the date on which the member sustained the wound or injury, or the date on which he was removed from duty on account of the disease in respect of which his disablement pension is granted; and who has been regularly maintained in whole or in part by the member up to the date of any award or renewal of his disablement pension, or is subject to an affiliation order in force against the member;		
(e) a step-child of the member who is being regularly maintained in whole or part by him;		
(f) a legally adopted child of the member;		
(g) a foster child, that is to say a child who:		
(i) was being brought up and wholly or mainly maintained by the member on the date on which he sustained the wound or injury, or was removed from duty on account of the disease, in respect of which his disablement pension was granted, and		
(ii) had been brought up and wholly or mainly maintained by the member for not less than six months (or such less period as the Ministry of Defence may determine in the exceptional circumstances of any case) prior to the date on which the member's service terminated, and		
(iii) has been so maintained by the member up to the date of any award or renewal of his disablement pension.		
(c) The expressions "removed from duty" or "removal from duty" shall be interpreted with reference to the date of the first removal from duty on account of the disease upon which the claim in respect of disablement is based, provided that if, as the result of service subsequent to the date of receipt of the wound or injury or of removal from duty, not being service before the 1st April 1972, the member suffered material aggravation of his disability, the date of removal from duty shall be that of the later removal on account of the disability: or, if there was no such removal, the date of termination of full pay service of the member.		
(d) Family addition to disablement pension in respect of a child shall normally terminate when the child attains the age of 16 years but, subject to the production of satisfactory evidence the allowance may be made or continued in respect of a child who has attained the child's age limit when that child—		
(1) is a student, receiving full-time instruction at a university, college, secondary school, technical school or any other establishment, which, in the opinion of the Ministry of Defence, is a comparable educational establishment; or		
(2) is an apprentice receiving not more than nominal wages; or		
(3) is incapable of self-support by reason of an infirmity which arose before he or she attained the child's age limit.		
(e) Family additions to disablement pension in respect of an individual may be withheld if in the opinion of the Ministry of Defence the circumstances are not such as to justify a grant.		
(f) Where an individual in respect of whom family addition to disablement pension is admissible is not residing with the member, the addition may, at the discretion of the Ministry of Defence, be granted independently, for the benefit of that individual, to some person other than the member.		

4. Education Allowances

A member of the Maltese Naval Forces who is in receipt of a pension under Clause 1 of this Schedule may be awarded an allowance in respect of a child (including a child to whom Clause 9(c)(4) of this Schedule applies) for the purpose of the education of that child if—

- (a) the child has attained the age of 5 years; and
- (b) the circumstances of the family are such as to require it; and
- (c) the Ministry of Defence is satisfied that the type of education which the child is receiving, or is to receive, is suitable for the child.

The amount of any allowance under this Clause shall be determined by the Ministry of Defence but the total payments made in respect of any period of twelve months shall not exceed £80 in respect of any one child.

5. Allowance for Constant Attendance

Where a member of the Maltese Naval Forces is in receipt of a pension under Clause 1 of this Schedule in respect of disablement the degree of which is not less than 80 per cent., and it is shown to the satisfaction of the Ministry of Defence that constant attendance on the member is necessary on account of the disablement, he may be awarded an allowance at a rate not exceeding £7.52 per week.

Provided that in an exceptional case of very severe disablement the allowance may, subject to such conditions, as the Ministry of Defence may determine, be increased to a rate not exceeding £15.05 per week.

6. Exceptionally Severe Disablement Allowance

Where the disablement of a member of the Maltese Naval Forces is, and in the opinion of the Ministry of Defence is likely permanently to remain, such that he is, or if he were not in a hospital or other institution, would be in receipt of an allowance for constant attendance at a rate increased under the proviso to Clause 5 of this Schedule, he may be awarded an allowance other than injury benefit or sickness benefit at the rate of £7·52 per week.

7. Severe Disablement Occupational Allowance

Where a member of the Maltese Naval Forces is in receipt of an allowance for constant attendance at a rate increased under the proviso to Clause 5 of this Schedule, or would be in receipt of such an allowance if he were not in a hospital or other institution, he may for any period during which he is, in the opinion of the Ministry of Defence, ordinarily employed in a gainful occupation, be awarded an allowance at the rate of £3·76 per week.

Provided that no allowance shall be payable under this Clause to a member for any period in respect of which he is eligible for an award under Clause 9(b) of this Schedule.

8. Allowances for Wear and Tear of Clothing

(a) Where a member of the Maltese Naval Forces who is in receipt of a pension under Clause 1 of this Schedule in respect of an amputation regularly wears an artificial limb, he may be awarded an allowance in respect of wear and tear of clothing at whichever of the following rates is applicable:

(1) where he wears a single artificial limb (other than a tilting table limb), £16·50 per year.

(2) where he wears a tilting table limb or more than one artificial limb, £26·40 per year.

(b) In any other case in which the Ministry of Defence is satisfied that as a result of the pensioned disablement there is exceptional wear and tear of the member's clothing, an allowance not exceeding £26·40 per year may be awarded.

9. Allowances for Unemployable Pensioners

(a) Eligibility

Where a member of the Maltese Naval Forces is in receipt of a pension under Clause 1 of this Schedule in respect of disablement so serious as to make him unemployable, he may be awarded allowances in accordance with such of the provisions of this Clause as may be appropriate in his case:

Provided that—

(1) such a member may be deemed to be unemployable although in receipt of earnings which are, in the opinion of the Ministry of Defence, and from 16th November 1977 unlikely to exceed £343·20 per year;

(2) such a member shall not be eligible for an award under this Clause if he is in receipt of a retirement pension (not being the contributory old age pension) or age addition.

(b) Supplementation of pension

A member receiving a pension under sub-clause (a) of this Clause may be awarded an allowance by way of supplement to his pension, at the rate of £12·28 per week.

(c) Additional allowances for dependants

Where a member is awarded an allowance in accordance with sub-clause (b) of this Clause, he may also be awarded additional allowances in accordance with the following provisions of this sub-clause:

(1) Where an allowance has been awarded under Clause 3 of this Schedule in respect of a wife and children, the allowances will as from 1st October 1973 be paid at the rate appropriate to the assessment of the basic disablement pension. If at 1st October 1973 a wife is aged 60 years or over she will retain the 100 per cent. disablement rate as long as she continues to be eligible for the allowance and, if on that date she is under age 60 years and is working, she will retain the 100 per cent. rate until she ceases to work. If she again resumes work after that date she will receive the allowance at the appropriate assessment rate.

(2) Where an allowance has been awarded under Clause 3 of this Schedule in respect of a wife or where an allowance for such person has been increased or awarded under paragraph (1) of this sub-clause the rate of the allowance may be increased by an amount not exceeding £6·93 per week, if the Ministry of Defence thinks fit having regard to the financial circumstances of the person in respect of whom the allowance has been granted.

(3) Where the member is not in receipt of an allowance under Clause 3 of this Schedule in respect of a wife, an allowance may be awarded in respect of an adult dependant at the rate not exceeding £6·93 per week, if the Ministry of Defence thinks fit having regard to the financial circumstances of the person in respect of whom an allowance is claimed; provided that the member shall not be awarded an allowance in respect of more than one adult dependant.

(4) An allowance may be awarded in respect of any child, not being an eligible member of the family, who should, in the opinion of the Ministry of Defence, be treated as such having regard to the child's relationship to, or connection with, the pensioner and other circumstances of the case, provided that any such allowance shall be at the rate and subject to the conditions which would be appropriate under Clause 3 of this Schedule if the child were an eligible member of the family.

(5) Where an allowance has been awarded under Clause 3 of this Schedule or paragraph 4 of this sub-clause in respect of a child or children, the rate thereof is to be as follows:

<i>Eligible Child</i>	<i>Weekly Rate</i>
	£ p
For the first or only child	4·88
For each other child	4·55

In the case of existing awards, transitional provisions provide for the aggregate rate of these allowances to be maintained if, exceptionally, it would be reduced by the application of the new rates.

(6) Adjustment of allowances in respect of benefit payable out of public funds abroad.

Where a person to or in respect of whom an allowance or increase may be or has been awarded under the foregoing provisions of this Clause is eligible for benefit payable out of public funds under the law of any place outside the United Kingdom being benefit which, in the opinion of the Ministry of Defence, is analogous to a benefit under the National Insurance Acts 1965 to 1971, the Ministry of Defence may take the benefit into account against the allowance or increase in such manner and to such extent as may be thought appropriate having regard to any adjustment which would be made if the person were eligible for the analogous benefit under the said Acts.

10. *Invalidity Allowance*

- (a) Where a member of the Maltese Naval Forces is awarded an allowance under Clause 9(b) of this Schedule in respect of unemployability and has not on the relevant date (whether before or after the 16th November 1977) attained the age of 60 years or, in the case of a woman member, the age of 55 years, he may be awarded an additional allowance as follows:

<i>Age on Qualifying Date</i>	<i>Weekly Rate</i>
	£ p
Under 35	2.44
Under 45 but not under 35	1.52
45 but under 60 (man), 55 (woman) ...	0.76

- (b) Subject to the following provisions of this Clause the relevant date for the purposes of sub-clause (a) of this Clause shall be the commencing date of the period in respect of which an allowance under Clause 9(b) of this Schedule is awarded and, if there have been two or more such periods, the commencing date of the latter or last of them.
- (c) For the purposes of sub-clause (b) of this Clause where a break between two periods in respect of which an allowance under Clause 9(b) of this Schedule has been awarded does not exceed 13 weeks those periods shall not be treated as separate periods.
- (d) Notwithstanding anything in the foregoing provisions of this Clause, the relevant date may be such other date as the Ministry of Defence may determine if in its opinion the circumstances of any particular case so require.
- (e) This Clause shall not apply if on the date on which it comes into operation the member is a man over the age of 65 years or a woman over the age of 60 years.
- (f) The provisions of paragraph 6 of Clause 9(c) of this Schedule, in so far as they provide for taking into account any benefit payable out of public funds under the law of any place outside the United Kingdom, shall apply to an allowance awarded under this Clause as they apply to a personal allowance awarded under that Clause.

11. *Allowances for Comforts*

- (a) A member of the Maltese Naval Forces who is in receipt of a pension under Clause 1 of this Schedule may be awarded an allowance for the provision of comforts:

(1) at the rate of £3.23 per week where the member is in receipt of an allowance under Clause 5 of this Schedule and is:

- (a) in receipt of an allowance under Clause 9 of this Schedule; or
 (b) in receipt of pension in respect of disablement the degree of which is 100 per cent. and which has been awarded in respect of multiple injuries which, in the opinion of the Ministry of Defence, render his disablement so severe as to justify the award of an allowance.

(2) at the rate of £1.62 per week if he does not qualify for an award under paragraph (1) of this sub-clause but is in receipt of an allowance under Clause 5 or Clause 9 of this Schedule.

- (b) For the purposes of this Clause, a member who would be in receipt of an allowance under Clause 5 of this Schedule if he were not in a hospital or other institution shall be deemed to be in receipt of an allowance under that Clause.

12. *Allowances for Lowered Standard of Occupation*

A member of the Maltese Naval Forces who is in receipt of pension under Clause 1 of this Schedule, the degree of which is less than 100 per cent., who has been compelled after 1st April 1972, by reason of his disability, to adopt an occupation not equivalent to that regularly followed by him for a reasonable period before that date may be granted at Ministry of Defence discretion a special allowance at a rate not exceeding £7.55 per week so that the aggregate rate of his pension under Clause 1 of this Schedule together with the allowance under this Clause shall not exceed the rate of award which would have been appropriate in his case under the said Clause 1 if the degree of his disablement had been 100 per cent.

An allowance under this Clause shall not be payable to a member for any period in respect of which an allowance under Clause 9 of this Schedule is payable to him.

13. *Age Allowances*

Where a member of the Maltese Naval Forces who is in receipt of pension under Clause 1 of this Schedule, in respect of disablement the degree of which is 40 per cent., or over, has attained the age of 65 years he may be awarded an allowance in accordance with the following Table:

<i>Degree of Pensioned Disablement</i>	<i>Rate of Allowance (Weekly Rate)</i>
	£ p
40 to 50 per cent.	1.32
Over 50 but not exceeding 70 per cent. ...	2.05
Over 70 but not exceeding 90 per cent. ...	2.90
Over 90 per cent.	4.09

*Treatment*14. *Treatment Allowances*

"Treatment" for the purposes of an award under this Clause and Clauses 15 and 16 of this Schedule means a course of medical, surgical or rehabilitation treatment which the Ministry of Defence is satisfied that a member of the Maltese Naval Forces should receive in consequence of any disablement in respect of which an award under this Order in Council or any previous Order in Council may be or has been made, but does not include any treatment which involves no, or only occasional, interruptions of the member's normal employment.

- (a) A member of the Maltese Naval Forces may be awarded in respect of any period during which he received approved treatment, a treatment allowance consisting of a personal allowance in respect of himself and any additional allowance which may be appropriate in his case in accordance with the following provisions of this Clause:

Provided that—

(1) a treatment allowance shall be subject to such deductions or adjustments as the Ministry of Defence may think fit having regard to all the circumstances of the case;

(2) where a member is in receipt of a treatment allowance under this Clause in respect of any period no payment shall be made in respect of that period of any other award under this Schedule except an award under Clauses 4, 6, 8, 9(b), 10 or 11, or in the case of treatment, other than treatment in a hospital or similar institution the whole or part of the cost of which is paid out of public funds, an award under Clause 5, or under Clause 7 subject to the provisions of sub-clause (b) of the proviso to that Clause.

- (b) The personal allowance in respect of the member shall be awarded at the rate of pension which would be appropriate under this Order in Council if the degree of that member's disablement were 100 per cent.
- (c) Where the member has attained the age of 65 years he may be awarded an increase of the allowance under sub-clause (b) of this Clause:

(1) at a rate equal to that of the allowance which he would be receiving under Clause 13 of this Schedule but for proviso (2) to sub-clause (a) of this Clause or at such higher rate as the Ministry of Defence may determine having regard to the circumstances of the case, or

(2) at such rate as the Ministry of Defence may determine if of the opinion that an award should be made to a person who is not eligible for an award under the preceding paragraph.

Provided that the rate of any increase under this paragraph shall not exceed £4.09 per week.

- (d) An additional allowance may be awarded in respect of an eligible dependant at the rate and subject to the conditions which would be appropriate under Clause 3 of this Schedule if that dependant were an eligible member of the family and the degree of the member's disablement were 100 per cent.:

Provided that where that eligible dependant is a wife (whether married to the member before or after the material date) the rate of the additional allowance in respect of that person may be increased by the rate of £6.01 per week as the Ministry of Defence may think fit having regard to the financial circumstances of that person.

In the case of existing awards, transitional provisions provide for the aggregate rate of these allowances to be maintained if, exceptionally, it would be reduced by the application of the new rates.

- (e) Where a member of the Maltese Naval Forces is not in receipt of an allowance under sub-clause (d) of this Clause in respect of a wife an additional allowance may be awarded in respect of an adult dependant at the rate of £6.01 per week as the Ministry of Defence may think fit having regard to the financial circumstances of that adult dependant. Provided that the member shall not be awarded an additional allowance in respect of more than one adult dependant.

15. Allowances where Abstinence from Work is necessary following treatment in a hospital or similar institution

- (a) Where it is certified that a member of the Maltese Naval Forces should on completion of a course of treatment in a hospital or similar institution abstain from work in consequence of the condition which necessitated that treatment, he may be treated as if he were eligible for a treatment allowance under Clause 14 of this Schedule.

- (b) This Clause shall not apply to a member of the Maltese Naval Forces who is in receipt of an allowance under Clause 9(b) of this Schedule.

16. Allowances for Part-time Treatment

Where a member of the Maltese Naval Forces receives treatment which would be treatment as defined in Clause 14 of this Schedule, but for the fact that it involves only occasional interruptions of the member's normal employment, a treatment allowance may be awarded to the member at such rate, not exceeding £6.47 per day as the Ministry of Defence may think appropriate having regard to any loss of remunerative time by the member as a result of those interruptions, and provided that the rate of a treatment allowance awarded to a member under this Clause in respect of any period of a week or less shall not exceed the amount by which the weekly value of the member's existing award under this Schedule (excluding any award under Clauses 4, 5, 6, 7, 8, 9(b), 10, 11 or 13) falls short of the weekly value of the award which would have been appropriate in the case of that member under Clause 14 of this Schedule (excluding any award under sub-clause (c) of that Clause) had he been eligible for an award under that Clause.

17. Medical Expenses

Any necessary expenses in respect of the medical, surgical or rehabilitation treatment of a member of the Maltese Naval Forces not otherwise provided for may be defrayed by the Ministry of Defence under such conditions and up to such amount as the Ministry of Defence may determine.
