TOWN AND COUNTRY PLANNING ACTS

AYLESBURY VALE DISTRICT COUNCIL

TOWN AND COUNTRY PLANNING ACTS 1971 TO 1974

The Aylesbury Vale District Council, Notice of Designation of a Conservation Area in the Parish of Mentmore

Notice is hereby given that the Aylesbury Vale District Council in pursuance of its powers under section 277 of the Town and Country Planning Act 1971 and after consultation with the Buckinghamshire County Council has determined that a certain area of land in the above-mentioned parish, which said area is more particularly described in the Schedule hereto, is an area of special architectural or historic interest, the character or appearance of which it is desirable to preserve or enhance and have accordingly designated the said area as a conservation area. The boundary of the conservation area is shown on a map, copies of which may be inspected during normal office hours at the offices of the District Planning Officer, Fowler Road, Aylesbury, Bucks.

The effect of designation is briefly as follows:

1. With the exception of certain categories of buildings (namely those already listed, certain ecclesiastical buildings, protected monuments and buildings in respect of which the Secretary of State for the Environment has made a direction (see Circular No. 147/74)) anyone wishing to demolish a building, or part thereof, must

first apply for listed building consent to the Council. Such an application may be made separately or as part of an application for planning permission for redevelopment of the site.

2. Except in the cases of trees either already subject to tree preservation orders or covered by regulations made by the Secretary of State for the Environment (see Statutory Instrument 1975—No. 148 Regulation No. 3) anyone wishing to cut down, top, lop or uproot any tree in a conservation area must give 6 weeks' notice to the Council of his intention. If the work is not completed within two years, a further notice is needed. If the work is begun without due notice or without the Council's specific consent within the 6 weeks' period, the person concerned becomes liable to a penalty and the tree owner becomes liable to replant. The purpose of this provision is to give the Council an opportunity to make a tree preservation order where appropriate before the work proposed is carried out. It is also an offence to wilfully destroy any tree in the conservation area.
