

proposals for development and take special care to protect and enhance the character of the area;

(2) with limited exceptions, no building or part of a building (including boundary walls) may be demolished without Listed Building Consent;

(3) with limited exceptions, it is necessary to give the Council 6 weeks' notice of an intention to lop, fell or destroy trees;

(4) the Secretary of State for the Environment may direct the Council to prepare proposals for the preservation and enhancement of the area.

The designation became effective on 13th July 1978. Apart from the usual requirements as to planning permission etc., it can be an offence to carry out works of the kind described at (2) and (3) above without the appropriate consent.

Further information will be provided on application. In particular, any person with an interest in the area who has not received a copy of the circular letter issued to owners and occupiers of affected properties is invited to ask for a copy.—Dated 14th August 1978.

### SOUTH DERBYSHIRE DISTRICT COUNCIL

#### *Designation of Smisby Conservation Area*

Notice is hereby given that on 13th July 1978 and in exercise of its powers under Section 277 of the Town and Country Planning Acts 1971-1974, the Council resolved to designate a Conservation Area at Smisby.

The Smisby Conservation Area consists of:

The whole of the developed part of the village excepting the Council Houses on the north-side of Chapel Street and the post-war dwellings on the north-east of the junction of Chapel Street and Forties Lane.

Plans of the area have been made available to the Parish Council and can be inspected at these offices.

The main effects of designation are that:

(1) the planning authority will give special publicity to proposals for development and take special care to protect and enhance the character of the area;

(2) with limited exceptions, no building or part of a building (including boundary walls) may be demolished without Listed Building Consent;

(3) with limited exceptions, it is necessary to give the Council 6 weeks' notice of an intention to lop, fell or destroy trees;

(4) the Secretary of State for the Environment may direct the Council to prepare proposals for the preservation and enhancement of the area.

The designation became effective on 13th July 1978. Apart from the usual requirements as to planning permission etc., it can be an offence to carry out works of the kind described at (2) and (3) above without the appropriate consent.

Further information will be provided on application. In particular, any person with an interest in the area who has not received a copy of the circular letter issued to owners and occupiers of affected properties is invited to ask for a copy.—Dated 14th August 1978.

### SOUTH DERBYSHIRE DISTRICT COUNCIL

#### *Designation of Stanton-by-Bridge Conservation Area*

Notice is hereby given that on 13th July 1978 and in exercise of its powers under Section 277 of the Town and Country Planning Acts 1971-1974, the Council resolved to designate a Conservation Area at Stanton-by-Bridge.

The Stanton-by-Bridge Conservation Area consists of:

All the buildings between Manor Farm and Quarry Hill Farm, on the north side of the Ingleby Road; and, on

the south side, St. Michael's Church, the Rectory and "White Gates" and all the intervening fields and buildings up the A.514 including "The Hills," and the properties known as "Hills Cottage" and "Behind the Hills." It includes the dwellings on the A.514 opposite "The Hills," the former Quarry to the west of the A.514, north of Quarry Hill Farm, and the whole of Swarkestone Bridge, the Causeway and adjacent ponds, as far as the north bank of the River Trent, where the boundary meets the previously designated Swarkestone Conservation Area.

Plans of the area have been made available to the Parish Council and can be inspected at these offices.

The main effects of designation are that:

(1) the planning authority will give special publicity to proposals for development and take special care to protect and enhance the character of the area;

(2) with limited exceptions, no building or part of a building (including boundary walls) may be demolished without Listed Building Consent;

(3) with limited exceptions, it is necessary to give the Council 6 weeks' notice of an intention to lop, fell or destroy trees;

(4) the Secretary of State for the Environment may direct the Council to prepare proposals for the preservation and enhancement of the area.

The designation became effective on 13th July 1978. Apart from the usual requirements as to planning permission etc., it can be an offence to carry out works of the kind described at (2) and (3) above without the appropriate consent.

Further information will be provided on application. In particular, any person with an interest in the area who has not received a copy of the circular letter issued to owners and occupiers of affected properties is invited to ask for a copy.—Dated 14th August 1978.
