**SOUTH DERBYSHIRE DISTRICT COUNCIL**

*South Derbyshire District Council Designation of Newton Solney Conservation Area*

Notice is hereby given that on 12th October 1978, and in exercise of its powers under section 277 of the Town and Country Planning Acts 1971-74, the Council resolved to designate a Conservation Area at Newton Solney.

The Newton Solney Conservation Area lies astride Newton Road, Main Street and Repton Road, extending from Bladon Castle and the adjoining Castle Ward and parkland in the west to Trent Farm and "The Grange" in the east. To the north the boundary follows Newton Road, to the vicinity of Bladon Castle Lodge, and the south bank of the River Trent, enclosing more parkland, St. Mary's Church and all properties on Church Lane and on the west side of Trent Lane. On the east side of Trent Lane all properties between Main Street and "The Vine" are included and the boundary returns along the rear of properties on Main Street and Repton Road, including "Rose Cottage" on Blacksmiths Lane. To the south the area includes Newton Park and the Newton Park Hotel extending as far and including "Home Wood" and "The Spinney". Between Farm Lane and Newton Lane the fields behind Main Street are included as far south as the footpath leading from The End. All properties at The End, "Bretby Cottages" and "The Hill Farm", Newton Lane, are included, the boundary returning to "The Grange".

Plans of the area have been made available to the Parish Council and can be inspected at these offices.

The main effects of designation are that:

- (1) the planning authority will give special publicity to proposals for development and take special care to protect and enhance the character of the area;
- (2) with limited exceptions no building or part of a building (including boundary walls) may be demolished without Listing Building Consent;
- (3) with limited exceptions, it is necessary to give the Council 6 weeks' notice of an intention to lop, fell or destroy trees;
- (4) the Secretary of State for the Environment may direct the Council to prepare proposals for the preservation and enhancement of the area.

The designation became effective on 12th October 1978. Apart from the usual requirements as to planning permission, etc., it can be an offence to carry out works of the

kind described at (2) and (3) above without the appropriate consent.

Further information will be provided on application. In particular, any person with an interest in the area who has not received a copy of the circular letter issued to owners and occupiers of affected properties is invited to ask for a copy.

Dated 23rd November 1978.
