

million gallons per annum in total at a maximum authorised rate of abstraction from either source of 1 million gallons per day with the total abstraction from both sources not to exceed 1 million gallons per day. At present licence 21/57/23/6 authorises an abstraction of 156,882,000 gallons per annum at National Grid Reference SN 989068 at a rate of 433,000 gallons per day and licence 21/57/23/5 authorises an abstraction of 222,095,000 gallons per annum at National Grid Reference SN 981072 at a rate of 630,000 gallons per day.

(2) To vary licences 21/57/24/36 and 21/57/24/9 such that the authorised abstraction from the two sources is 365 million gallons per annum in total at a maximum authorised rate of abstraction from either source of 1 million gallons per day with the total abstraction from both sources not to exceed 1 million gallons per day. At present licence 21/57/24/36 authorises an abstraction of 110 million gallons per annum at National Grid Reference SS 966939 at a rate of 320,000 gallons per day subject to a minimum instantaneous flow of 500,000 gallons per day remaining in the Nant Cestig below the abstraction point and licence 21/57/24/9 authorises an abstraction of 255 million gallons in total per annum from National Grid References SS 935960, SS 941961 and SS 942959 at a rate of 1 million gallons per day in total subject to a minimum instantaneous flow of 500,000 gallons per day remaining in the Nant Cwmparc below the points of abstraction. The abstractions will still be subject to the same minimum instantaneous flow rates being retained.

A copy of the proposals and of any map plan or other document prepared in connection with them may be inspected free of charge at the offices of the Glamorgan River Division, Tremains House, Coychurch Road, Bridgend, and of the Taff Water Division, Pentwyn Road, Nelson, free of charge during normal office hours during the period beginning 12th January 1979 and ending 9th February 1979.

Any person who wishes to make representation about the above proposals should do so in writing to the Divisional Manager, Glamorgan River Division at Tremains House, Coychurch Road, Bridgend before the end of the said period.

After the expiry of the above mentioned period the Authority will be entitled to pass a resolution by virtue of which the proposed variations to the licences shall be deemed to be granted unless the Secretary of State for Wales either in consequence of any representations made with respect to the proposals or otherwise requires the applications for the variations to be made to him.

R. A. Caine, Divisional Manager
Glamorgan River Division,
Tremains House,
Coychurch Road,
Bridgend.

NOTICE OF APPLICATION FOR LICENCE TO OBSTRUCT OR IMPEDE THE FLOW OF AN INLAND WATER BY MEANS OF IMPOUNDING WORKS

Notice is hereby given that an application is being made to the Severn-Trent Water Authority by Peter Smith (Farms) Limited, The Bradshaws, Wrottesley, Codsall, Wolverhampton, for a licence to obstruct or impede the flow of an unnamed stream at Ford House Farm, Newent, Glos., by means of rolled earth dams at Grid Ref. NER SO 735 269 in order to provide three small combined pools as additional reservoir capacity and for landscape and amenity features.

A copy of the application together with plans submitted may be inspected free of charge at Ford House Farm, Newent, Glos. at all reasonable hours during the period beginning on 21st January and ending on 18th February 1979.

Any person who wishes to make representations about the application should do so in writing to the Director of Scientific Services, Severn-Trent Water Authority at Ariel House, 2138 Coventry Road, Sheldon, Birmingham B26 3PS before the end of the said period.—Dated 11th January 1979.

(108) *G. A. Forge*, on behalf of Peter Smith (Farms) Ltd.

NOTICE OF APPLICATION FOR LICENCE TO ABSTRACT WATER

Notice is hereby given that an application is being made to Yorkshire Water Authority by MDI Kemp & Sons, Ryedale Farm, Melbourne, Yorks. for a licence to abstract the following quantities of water from Angram Drain, SE 757 434 in the parish of Melbourne. Period October to February 3,036,000 gallons, 20,240 gallons per day, 5,060 gallons per hour.

Further details of the application are:—Water required to fill winter storage, for irrigation in the summer.

A copy of the application and of any map, plan or other documents submitted with it may be inspected free of charge at Ryedale Farm, Melbourne, Yorks. at all reasonable hours during the period beginning on 15th January 1979 and ending on 12th February 1979.

Any person who wishes to make representations about the application should do so in writing to the Directorate of Resource Planning, Yorkshire Water Authority, 21 Park Square South, Leeds LS1 2QG before the end of the said period.—Dated 8th January 1979.

(112) *D. Kemp*, on behalf of MDI Kemp & Sons.

COAST PROTECTION ACT, 1949

ALLERDALE DISTRICT COUNCIL

COAST PROTECTION ACT 1949

Notice is hereby given that the Allerdale District Council acting in their capacity as coast protection authority hereby give notice under Subsection (1) of Section 5 of the Coast Protection Act 1949 that they propose to carry out coast protection work as described in the Schedule hereto at Maryport and Silloth both localities being within the district of Allerdale.

Further particulars of the proposed works together with plans showing the land affected thereby may be seen at all reasonable office hours at the offices of the said Council at—

- (1) Solway House, Workington, Cumbria CA14 3XH.
- (2) Holmewood, Cockermouth, Cumbria CA13 0DW.

The estimated cost of the work is £1,610,000.

Any person may, not later than Friday, 9th February 1979, serve a written notice of objection to the above proposal on the Secretary of State and on the above mentioned authority.

Any such notice must contain a statement of the grounds of objection and must be sent by prepaid post to the Secretary, Department of the Environment and Transport, Room 518, Becket House, Lambeth Palace Road, London SE1 7ER and to the Chief Executive of the authority at the address shown below.—Dated 12th January 1979.

A. C. Crane, Clerk and Chief Executive Officer
Holmewood,
Cockermouth,
Cumbria.

(110)
