ROAD TRAFFIC REGULATION ACT 1967

The Trunk Roads (Various Roads, Bedford) (A428 and A6) (Prohibition and Restriction of Waiting, Loading and Unloading) Order 197

Notice is hereby given that a Public Local Inquiry will be held by S. J. Wratten Esq., F.R.I.C.S. (a person appointed by the Secretary of State for Transport on the nomination of the Lord Chancellor for the purpose) beginning at 10.30 a.m. on Tuesday, 24th April 1979 at the Howard Suite, St. Paul's Square, Bedford, in connection with the Order mentioned above. The Inspector will hear representations from any persons who have objected to the Order and, at his discretion, will hear representations from any other persons who may desire to appear and be heard.

The Order, which has been prepared by the Secretary of State under the above-mentioned Act, is:

The Trunk Road (Various Roads, Bedford) (A428 and A6) (Prohibition and Restriction of Waiting, Loading and Unloading) Order 197, notice of which was first published on 1st September 1978 and, due to an industrial dispute involving publication of the *London Gazette*, on 9th February 1979.

The Order has been proposed to prove remedies for the following problems:

- (a) With the prohibition of entry from Cauldwell Street into Cardington Road and the withdrawal of traffic signals at St. Mary's Street/Cauldwell Street Junction, there has been an increase in traffic along St. John's Street. The impending closure of Kingsway Link will give rise to a further increase in traffic volumes and will also result in a considerable increase in weaving manoeuvres undertaken by vehicles approaching Wilmers Corner Roundabout. Consequently the existing limited parking on the western side of the road will cause congestion and danger.

(b) The existing waiting restrictions in Tavistock Street cause congestion and danger on this very busy section of road. Double Parking occurs at times when delivery vehicles cannot obtain access to the carriageway edge, thus leaving only enough width for one line of traffic. (There is sufficient space for both an off street parking in the immediate vicinity of Tavistock Street. The safety of pedestrians has been increased by the installation of a Pelican Crossing).

(c) The Bromham Road/St. Loyes Street/Dame Alice Street section of trunk road carries considerable traffic and the parking of vehicles on this road causes congestion. (Facilities are available in the vicinity for on and off street parking within a short walking distance along the whole road).

Copies of the above-mentioned draft Order and plans referred to therein have been deposited and may be seen at all reasonable hours free of charge at the Departments of the Environment and Transport, 2 Marsham Street, London S.W.1, and at the offices of the Regional Controller (Roads and Transportation), Eastern Region, Heron House, 49-51 Goldington Road, Bedford MK40 3LL; Bedfordshire County Council, County Hall, Bedford; North Bedfordshire Borough Council, Town Hall, Bedford.

D. J. Harwood, Chief Administration Officer to the Regional Controller (Roads and Transportation), Eastern Region, Department of Transport.

ROAD TRAFFIC REGULATION ACT 1967—SECTION 12 (4)

The Trunk Road (Northampton Street, Cambridge) (A45) (Prohibition of Left Turn) (Temporary Suspension) Order 1979.

Notice is hereby given that the Secretary of State for Transport proposes to make an Order, the effect of which is to suspend the provisions of the Trunk Road (Cambridge) (Prohibition of Left Turn) Order 1978 so as to allow, temporarily, left turns from Northampton Street into Castle Street.

The Order, which will be made to facilitate diversions of traffic made necessary by the laying of sewers, will take effect from 22nd April 1979. It is expected that the suspension of the left turn ban will be in operation for approximately 15 months.

The suspension of the left turn ban is necessary due to the laying of new sewers in roads adjacent to the Trunk Road, namely Lady Margaret Road, Mouny Pleasant, Shelley Row and Albion Row. As a consequence these roads have been closed to northbound traffic. The only alternative for this traffic is Storeys Way which is not suited to carry the volume of traffic diverted. Accordingly, the Secretary of State has agreed to the suspension of the ban on left turns from Northampton Street into Castle Street.

W. G. Martin, A Higher Executive Officer in the Department of Transport.

4th April 1979

The Trunk Road (Various Roads, Bampton) (Restriction of Waiting) Order 1979

The Secretary of State for Transport has made an Order under sections 1 and 84D of the Road Traffic Regulation Act 1967, as amended by Part IX of the Transport Act 1968 on the Taunton-Fraddon Trunk Road (A361) at Bampton in the District of Tiverton in the County of Devon.

The effect of the Order, which comes into operation on 11th April 1979, is to revoke and reimpose the provisions of the Trunk Road (Various Roads, Bampton) (Restriction of Waiting) Order 1972 with the addition of an exemption as required by the Local Authorities' Traffic Orders (Exemptions for Disabled Persons) (England and Wales) (Amendment) Regulations 1975, which will permit disabled persons' vehicles to wait in the length of the trunk road specified in Schedule 1 of the Order for 2 hours with no return within one hour and to wait on the sides of the trunk road specified in Schedule 2 of the Order at any time.

Any person who desires to question the validity of, or of any provision contained in the Order, on the ground that it is not within the powers with respect to the Order conferred by the above Act, or on the ground that any

requirement of, or of any instrument made under any provision of that Act has not been complied with in relation to the Order may, within 6 weeks of 29th March 1979, apply to the High Court for the suspension or quashing of the Order or of any provision contained therein.

A copy of the Order, together with the Order to be revoked, may be inspected during office hours at the offices of the Devon County Council at County Hall, Exeter, or obtained by application to the Regional Controller (Roads and Transportation) at the address below quoting the reference DSW 505141/5/T/015.

The prohibitions imposed by the Order at 1 and 2 above will not apply:

- (a) to a vehicle waiting upon the direction or with the permission of a police constable in uniform or of a traffic warden;
- (b) so as to prevent a vehicle from being used in connection with any building operation or demolition, the removal of any obstruction to traffic, the maintenance of the road or of any of the services therein;
- (c) to a vehicle being used for fire brigade, ambulance or police purposes;
- (d) to a vehicle being used for the purpose of delivering or collecting postal packets;
- (e) to a vehicle being used in the service of a local authority or water authority in pursuance of statutory powers or duties;
- (f) to a vehicle waiting while any gate or other barrier at the entrance to premises to which the vehicle requires access or from which it has emerged is being opened or closed, if it is not reasonably practicable for the vehicle to wait elsewhere; and
