

If no objections or representations are duly made, or any so made are withdrawn, the Uttlesford District Council may, instead of submitting the Order to the Secretary of State for the Environment for confirmation, themselves confirm the Order as an unopposed Order. If the Order is submitted to the Secretary of State for confirmation, any representations and objections which have been duly made but not withdrawn, will be sent to the Secretary of State with the Order.

NEW TOWN ACTS

LANCASHIRE COUNTY COUNCIL

NEW TOWNS ACT 1965

Compulsory Purchase of Land at George Street, Chorley

Notice is hereby given that the Central Lancashire New Town Development Corporation ("the Corporation") on 21st June 1979, made the Central Lancashire Development Corporation No. 44 (George Street, Chorley) Compulsory Purchase Order 1979, under section 7 (1) (a) of the New Towns Act 1965. They have submitted this Order to the Secretary of State for the Environment for confirmation and if confirmed the Order will authorise them to purchase compulsorily the land described below for the purpose of development of an area of land in the vicinity of George Street, Chorley, Lancashire for the construction of access roads, industry, open space and associated development, proposals for which development will be submitted for approval under section 6 (1) of the New Towns Act 1965 to the Secretary of State for the Environment.

A copy of the Order and of the accompanying map may be seen at all reasonable hours at the offices of the Corporation, Cuerden Hall, Bamber Bridge, Preston PR5 6AX.

Any objection to the Order must be made in writing to the Secretary of State for the Environment, 2 Marsham

Street, London SW1P 3EB, before 30th July 1979, and should state the title of the Order and the grounds of objection.

The Secretary of State is not required in every case to arrange for a public local inquiry to be held or for objections to be heard by a person appointed by him for that purpose. It is important, therefore, that any objection should include a full statement in writing of the grounds on which the objection is made, as the objector may have no further opportunity to make such a statement.

Any owner or occupier of any of the land to which the Order relates may (whether or not he makes an objection to the Order) send to the Corporation at Cuerden Hall, Bamber Bridge, Preston PR5 6AX a request in writing that, in the event of the Order being confirmed by the Secretary of State he be served with a notice stating that the Order has been confirmed and naming a place where a copy of the Order and of the map or maps and any descriptive material annexed thereto may be seen. Any such request must state the name and postal address of the owner or occupier making it, must state the nature of his interest in the land and must include sufficient particulars to enable the extent and boundaries of his land to be identified.
