

SURREY COUNTY COUNCIL  
NOTICE OF PUBLIC PATH ORDER

TOWN AND COUNTRY PLANNING ACT 1971, SECTION 210

*The Surrey County Council (Right of Way No. 9B Chelsham) Public Path Temporary Diversion Order (No. 1) 1980*

Notice is hereby given that the above-named Order (hereinafter referred to as "The Order") made on 16th January 1980 is about to be submitted to the Secretary of State for the Environment for confirmation or to be confirmed by the Surrey County Council as an unopposed Order.

The effect of the Order, if confirmed without modification, will be to divert for a period not exceeding five years, the public right of way No. 9B running from a point on the north-eastern side of the former workings known as Broombank for a distance of 310 m to the junction of Washpond Lane with Milberry Green Road.

The alternative footpath will commence at a point on the north-eastern side of the former workings known as Broombank and proceed in a northerly direction for a distance of 358 m to a point south of the boundary of Washpond Lane, thence in a south-easterly direction along the southern boundary of Washpond Lane to the junction of Washpond Lane with Milberry Green Road and Public Footpath No. 9B for a distance of 194 m. (The footpath to be diverted is shown by a bold black line and the alternative path is shown by an interrupted black line on the plan referred to in the Order.)

The alternative footpath will be stopped up at the expiration of a period of five years and the original footpath will be restored to a condition as substantially convenient to the public as it was prior to diversion.

A copy of the Order and the map contained in it has been deposited at the County Deeds Office, County Hall, Kingston-upon-Thames and at the Tandridge District Council Offices, Caterham, and may be inspected free of charge at these offices between the hours of 10 a.m. and 4 p.m. on Mondays to Fridays (inclusive). Any representation or objection with respect to the Order may be sent in writing to the Clerk and Chief Executive (Reference MS), Surrey County Council, County Hall, Kingston-upon-Thames, not later than 18th February 1980 and should state the grounds on which it is made.

If no representations or objections are duly made, or if any so made are withdrawn, the Surrey County Council may, instead of submitting the Order to the Secretary of State for the Environment for confirmation, themselves confirm the Order as an unopposed Order. If the Order is submitted to the Secretary of State for confirmation any representations and objections which have been duly made and not withdrawn will be sent to the Secretary of State with the Order.
