In this Notice "the boxed area" means that area of the eastbound carriageway of the Cardiff-Glan Conwy Trunk Road (A470) known as Manor Way in the city of Cardiff at the junction of Manor Way and Curlew Close, marked by the carriageway marking specified in diagram 1044 of Schedule 2 to the Traffic Signs Regulations 1975.

AYLESBURY VALE DISTRICT COUNCIL

TOWN AND COUNTRY PLANNING ACTS 1971, AS AMENDED

Buckingham Conservation Area Notice of Variation of Designation

Notice is hereby given that the Aylesbury Vale District Council, in pursuance of its powers under section 277 of the Town and Country Planning Act 1971, and after consultation with the Buckinghamshire County Council, has varied the boundary of the Conservation Area at Buckingham by including certain areas the character or appearance of which it is desirable to preserve or enhance, and by excluding other areas, the inclusion of which, because they do not possess the appropriate degree of townscape quality, is not justified. Both these areas are described in the Schedule hereto.

The boundary of the Conservation Area, as varied, is shown on a map, copies of which may be inspected during normal office hours at the offices of the District Planning Officer, Fowler Road, Aylesbury, Bucks, or at the Buckingham Area Office, Bridge Street, Buckingham.

The effect of designation is briefly as follows:

(1) With the exception of certain categories of buildings (namely those already listed, certain ecclesiastical buildings, protected monuments and buildings in respect of which the Secretary of State for the Environment has made a direction) (see Circular No. 147/74) anyone wishing to demolish a building, or part thereof, must first apply for listed building consent to the Council. Such an application may be made separately or as part of an application for planning permission for redevelopment of the site.

(2) Except in the cases of trees either already subject to tree preservation orders or covered by regulations made by the Secretary of State for the Environment (see Statutory Instrument 1975, No. 148 Regulation No. 3) anyone wishing to cut down, top, lop, or uproot any tree in a conservation area must give six weeks notice to the Council of his intention. If the work is not completed within two years a further notice is needed. If the work is begun without due notice or without the Council's specific consent within the 6 weeks period the person concerned becomes liable to a penalty and the tree owner becomes liable to replant. The purpose of this provision is to give the Council a final opportunity to make a tree preservation order where appropriate before the work proposed is carried out. It is also an offence to wilfully damage or wilfully destroy any tree.

THE SCHEDULE

Additions to the Conservation Area

Land comprising the north facing slope of the former railway embankment overlooking the River Ouse. Land to the north of Tingewick Road adjacent to the River Ouse.
