

Area under section 277 Town and Country Planning Act 1971. The Conservation Area is bounded to the west and north by the administrative boundary with Birmingham District Council; to the east by Kyter Lane, Chester Road and Hall Road; and to the south by Bradford Road.

The reason for the said designation is that the area is considered to be of special historic interest and it is considered that it is expedient that all the property within the said area should be subject to control of any development.

Within the designated area the consent of the Local Planning Authority must be obtained before any building is demolished or partially demolished. It is also necessary to give the Authority six weeks notice, in writing, before any tree in the designated area is cut-down, uprooted, topped, lopped, wilfully destroyed or damaged.

A plan showing the extent of the Castle Bromwich Conservation Area is available for public inspection during normal office hours at the office of the Director of Technical Services, Council House, Solihull, West Midlands.

John Scampion, Town Clerk and Chief Executive Officer.
