Notice is hereby given that the Secretary of State for the Environment on 23rd July 1980 confirmed with modifications the above Direction which was made by the Council on 4th April 1979.

The effect of the Direction as confirmed is that the permission granted by Article 3 of the Town and Country Planning General Development Order 1977 shall not apply to development of the classes specified in the Direction (being development within the curtilage of a dwellinghouse and sundry minor operations) in the areas described in the Direction (being areas within the Mottram-in-Longendale Conservation Area) and planning permission will therefore be required for development of such classes in such areas.

The Council are of the opinion that having regard to the number of persons interested in the land affected as owners or occupiers, or the difficulty of identifying and locating such persons, individual service of notice of the Direction is impracticable. The notice of the Direction will therefore be published, in accordance with Article 4 (6) of the Town and Country Planning General Development Order 1977, in a newspaper circulating in the locality and in the *London Gazette*. The Direction shall come into force on the date on which notice thereof is first published.

A copy of the Direction, which includes a map defining the area to which it relates, may be seen at all reasonable hours at the Council's Information Office, the Old Court House, Mottram-in-Longendale, at the office of the Council's Director of Administration, Town Hall, Ashton-under-Lyne (quoting Ref.
