## TOWN AND COUNTRY PLANNING ACT

### DURHAM CITY COUNCIL

#### TOWN AND COUNTRY PLANNING ACTS

*City of Durham Council (Brancepeth Conservation Area),  
(Burn Hall Conservation Area), (Holywell Conservation Area)*

Notice is hereby given that on 28th April 1981 at the meeting of its Development Services Committee the Council of the city of Durham designated the above areas as Conservation Areas pursuant to their powers under section 277 of the Town and Country Planning Act 1971.

The consequences of designation are fully described in the above Act, however, the major controls now operative are:

- (1) No building shall be demolished without prior consent and application must be made for such demolition (some minor exemptions). Specific consent will be required for demolition when planning permission is sought to redevelop the site of any building.

- (2) Anyone wishing to cut down, lop or damage a tree in a Conservation Area must give 6 weeks' notice to the City Council. This enables the Local Authority to make a Tree Preservation Order if necessary.

- (3) Application for planning permission for development which would affect the character or appearance of these Conservation Areas, or affect the setting of a Listed Building, must be advertised by the Local Authority before being determined.

The designation ensures that in considering the future development of these areas particular attention is paid to their architectural and landscape character and it is the Local Planning Authority's responsibility after designation to prepare an enhancement plan for these areas with the full participation of their residents.

Copies of the designation reports and plans are available for inspection at the City Planning Office, Byland Lodge, Hawthorn Terrace, Durham City (Telephone 67131) during normal office hours.
