COMPETITION ACT 1980

Anti-Competitive Practice Investigation Sheffield Newspapers Limited

Competition reference under section 5

The Director General of Fair Trading has published a report under section 3 of the Competition Act 1980 (the "Act") stating that certain courses of conduct pursued by

Sheffield Newspapers Limited constitute anti-competitive practices and that it is appropriate for him to make a reference under section 5 of the Act. The Director General has not accepted from Sheffield Newspapers Limited undertakings which, in his opinion, cover every course of conduct which is described in the report as constituting an anti-competitive practice. Therefore, in exercise of his powers under section 5 of the Act the Director General hereby makes a reference to the Monopolies and Mergers Commission (the "Commission") as follows:

- (a) the person whose activities are to be investigated by the Commission is Sheffield Newspapers Limited;
- (b) the goods and services to which the investigation is to extend are newspapers, the service of distributing newspapers and similar publications which consist wholly or mainly of advertisements, and advertising services in relation to the advertising of real property;
- (c) the courses of conduct to be investigated are:
 - (i) the supply of newspapers to newsagents on the terms of clause 5(d) of Sheffield Newspapers Limited's "conditions of supply—September 1980", including any amendment to that clause effected by its letter of 24th October 1980 or its notice of 10th February 1981; and
 - (ii) the granting of an annual discount to estate agents of five per cent on condition that an estate agent should advertise in the Property Telegraph for at least 48 weeks out of 52.

A report on this reference is to be made within the period of six months beginning 21st December 1981.

The Commission will investigate and report on whether Sheffield Newspapers Limited have been pursuing the courses of conduct specified at (c) above at any time during the twelve months ending on 21st December 1981 and if so, whether they amount to anti-competitive practices. If so, the Commission will also report on whether the practices operate, or might be expected to operate, against the public interest and, if so, what are the effects adverse to the public interest.

If you have any information which would help the Commission in their enquiries please write as soon as possible to:
