LAND COMPENSATION ACT 1973 (AS AMENDED)

Claims for Compensation under Part 1 of the Land Compensation Act 1973 (As Amended) in Connection With (A23 London-Brighton Trunk Road) Improvement of Star Lane Junction to the County Boundary.

The Secretary of State for Transport hereby gives notice that the length of highway detailed in the Schedule below was first open to public traffic on 3rd October 1980 after completion of carriageway alterations.

Under Part 1 of the Land Compensation Act 1973, as amended, there is a right to compensation in respect of any depreciation of more than £50 in the value of certain interests in land caused by the use of new or altered highways and resulting from specified physical factors (noise, vibration, smell, fumes, smoke and artificial lighting and the discharge on to the land in respect of which the claim is made of any solid or liquid substance). Compensation is assessed by reference to prices current at a date twelve months after the highway is first open to public traffic or, in the case of an altered highway, first open to public traffic after completion of the alterations.

Interests qualifying for compensation are specified in section 2 of the above-mentioned Act and there are special provisions relating to claims by mortgagees and persons entitled under trusts or settlements.

Any person entitled to a qualifying interest who considers he has a claim under the said provisions may obtain further information and claim forms from the Director (Transport), South Eastern Regional Office, Departments of the Environment and Transport, 74 Epsom Road, Guildford, Surrey GU1 2BL.

Claims may be made twelve months after the date when the new or altered highway was first opened to public traffic, that is on or after 4th October 1981 (the "first claim day"). Note that the amendment of the Act means that the claim period specified in the notice given at road opening no longer applies but claims should be made within 6 years from this date. However if an interest is disposed of or (insofar as the interest is in land which is not a dwelling) a tenancy is granted the claim must be made before such disposal or grant of tenancy.

D. W. Hayward, A Principal in the Department of Transport.

SCHEDULE

Dualling and improvement of the A23 from a point 168 metres south of the Star Lane junction, northwards to the county boundary.

Compensation for depreciation of property and land

People with property near the dualling and improvement of the A23 London-Brighton Trunk Road from a point 168 metres south of the Star Lane junction northward to the county boundary may have a claim for compensation for depreciation of their property, the Department of Transport announced today.

Under the Land Compensation Act 1973, as amended, claims may be made if property has lost value because of noise, vibration, smell, fumes, smoke or artificial lighting arising from traffic using this section of A23 London-Brighton Trunk Road since it was opened on 3rd October 1980.

Compensation under Part 1 of the Act may be paid to owners and owner-occupiers of houses, owner-occupiers of farms and other owner-occupiers of other premises with a rateable value of not more than £2,250, if the depreciation is more than £50. Claimants must have acquired the property before the improvement was opened and must still own it when making their claim.

The necessary forms and further details can be obtained from the Director (Transport), South Eastern Regional Office, Departments of the Environment and Transport, 74 Epsom Road, Guildford, Surrey GU1 2BL, to whom all claims should be addressed.

Note to editors

Part 1 of the Land Compensation Act 1973, as amended, provides a right of compensation for loss in certain property values near new or altered roads or other public works, generally where no land is taken. If the value of property depreciates due to specified physical factors then a claim for compensation may be made to the autho-

riety responsible for the public works. A public notice to the effect that claims could be made was published in local newspapers in December 1980.
3rd February 1982.
