### TOWN AND COUNTRY PLANNING ACT 1971

*West Oxfordshire District Council, Eynsham Conservation Area*

Notice is hereby given that the West Oxfordshire District Council as the District Planning Authority has amended the Eynsham Conservation Area designated on 13th March 1975, under section 277 of the Town and Country Planning Act 1971, as re-enacted by section 1 of the Town and Country Amenities Act 1974.

The District Council as District Planning Authority has determined that the area described in the Schedule below is an area of special architectural or historic interest, the

character or appearance of which it is desirable to preserve or enhance and have designated it as a Conservation Area for that purpose.

A copy of the formal instrument and the Plan Ref. W/CONS/IR referred to have been placed on deposit for public inspection at:

- (1) The Secretary's Department, West Oxfordshire District Council, Council Offices, Wood Green, Witney, Oxon.
- (2) Eynsham Library, Back Lane, Eynsham, Oxon.

The copies of the instrument and plan so deposited are available for inspection free of charge by all persons interested at the places mentioned above during the normal hours of business.

The effect of the said designation is that:

- (a) All planning applications for development that would affect the character of the area must be advertised and site notices posted so that the maximum opportunity for comment is given to the public before a decision is reached.
- (b) The prior approval of the District Planning Authority may be required for the demolition of buildings within the Conservation Area. (Applications for approval may be made separately or as part of an application for planning permission for the redevelopment of a site within the Conservation Area).
- (c) Certain trees within the Conservation Area cannot be felled, topped, or lopped or uprooted without the consent of the West Oxfordshire District Council. If trees are subject to wilful damage or wilful destruction an offence may have been committed.
- (d) If it is intended to demolish any building or part of a building or carry out any work which may in any way affect a tree within the Conservation Area, the advice of the West Oxfordshire District Council should be sought.
- (e) The West Oxfordshire District Council as District Planning Authority will exercise particular care to ensure that change, when it occurs, does not detract from the character of the area.
